We hereby certify that we have examined certified copy of the proceedings (the "Proceedings") of the Board of Education of Township High School District Number 215, Cook County, Illinois (the "District"), passed preliminary to the issue by the District of its fully registered General Obligation Limited School Bonds, Series 2013A (the "Bonds"), to the amount of \$1,515,000, dated the date hereof, due serially on December 1 of the years, in the amounts and bearing interest at the rates per annum as follows:

2014	\$25,000	2.00%
2015	25,000	2.00%
2016	30,000	2.00%
2017	25,000	2.00%
2022	145,000	3.00%
2030	1,265,000	4.00%

the Bonds due on December 1, 2022, being subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date, on December 1 of the years and in the principal amounts as follows:

YEAR	PRINCIPAL AMOUNT
2018	\$25,000
2019	30,000
2020	25,000
2021	30,000

the Bonds due on December 1, 2030, being subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date, on December 1 of the years and in the principal amounts as follows:

Chapman and Cutler LLP

YEAR	PRINCIPAL AMOUNT
2023	\$ 30,000
2024	35,000
2025	35,000
2026	35,000
2027	40,000
2028	40,000
2029	385,000

and the Bonds due on December 1, 2030, being subject to redemption prior to maturity at the option of the District as a whole or in part in any order of their maturity as determined by the District (less than all of the Bonds of a single maturity to be selected by the Bond Registrar), on December 1, 2022, or on any date thereafter, at the redemption price of par plus accrued interest to the redemption date, as provided in the Proceedings, and we are of the opinion that the Proceedings show lawful authority for said issue under the laws of the State of Illinois now in force.

We further certify that we have examined the form of bond prescribed for said issue and find the same in due form of law, and in our opinion said issue, to the amount named, is valid and legally binding upon the District and is payable from any funds of the District legally available for such purpose, and all taxable property in the District is subject to the levy of taxes to pay the same without limitation as to rate, except that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights and by equitable principles, whether considered at law or in equity, including the exercise of judicial discretion. The amount of said taxes that may be extended to pay the Bonds is, however, limited as provided by the Property Tax Extension Limitation Law of the State of Illinois, as amended (the "*Law*"). The Law provides that the annual amount of said taxes to be extended to pay the Bonds and all other limited bonds (as defined in the Local Government Debt Reform Act of the State of Illinois, as amended) heretofore and hereafter issued by the District shall not exceed the debt service extension base (as defined in the Law) of the District, as more fully described in the Proceedings.

It is our opinion that, subject to the District's compliance with certain covenants, under present law, interest on the Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not included as an item of tax preference in computing the alternative minimum tax for individuals and corporations under the Internal Revenue Code of 1986, as amended (the "*Code*"), but is taken into account in computing an adjustment used in determining the federal alternative minimum tax for certain corporations. Failure to comply with certain of such District covenants could cause interest on the Bonds to be includable in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds.

Chapman and Cutler LLP

Ownership of the Bonds may result in other federal tax consequences to certain taxpayers, and we express no opinion regarding any such collateral consequences arising with respect to the Bonds.

It is also our opinion that the Bonds are “qualified tax-exempt obligations” pursuant to Section 265(b)(3) of the Code.

We express no opinion herein as to the accuracy, adequacy or completeness of any information furnished to any person in connection with any offer or sale of the Bonds.

In rendering this opinion, we have relied upon certifications of the District with respect to certain material facts within the District’s knowledge. Our opinion represents our legal judgment based upon our review of the law and the facts that we deem relevant to render such opinion and is not a guarantee of a result. This opinion is given as of the date hereof and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

We have acted as disclosure counsel to Township High School District Number 215, Cook County, Illinois (the "*Issuer*") in connection with the issuance of \$1,515,000 aggregate principal amount of General Obligation Limited School Bonds, Series 2013A and \$5,570,000 General Obligation Refunding School Bonds, Series 2013B (collectively, the "*Bonds*"), issued on this date by the Issuer. The Bonds are being issued pursuant to the terms of the Bond Purchase Agreement dated January 29, 2013 (the "*Purchase Contract*") between the Issuer and BMO Capital Markets GKST Inc., Chicago, Illinois (the "*Underwriter*").

In accordance with our understanding with the Issuer, we have reviewed the official statement of the Issuer with respect to the Bonds, dated January 29, 2013, (the "*Official Statement*"), certificates of officers of the Issuer and other appropriate persons, the opinions of Chapman and Cutler LLP, Chicago, Illinois, bond counsel ("*Bond Counsel*"), and such other records, reports, opinions and documents, and we have made such investigations of law, as we have deemed appropriate as a basis for the conclusion hereinafter expressed. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Official Statement. As to facts material to the views expressed herein, we have, with your consent, relied upon oral or written statements and representations of officers or other representatives of the Issuer, including the representations and warranties of the Issuer in the Purchase Contract.

In arriving at the conclusion hereinafter expressed, we are not expressing any opinion or view on, and with your permission are assuming and relying on, the validity, accuracy and sufficiency of the records, reports, documents, certificates and opinions referred to above (including the accuracy of all factual matters represented and legal conclusions contained therein, including, without limitation, any representations and legal conclusions regarding the due authorization, issuance, delivery, validity and enforceability of the Bonds, the tax treatment of interest on the Bonds for federal income tax purposes, and the application of Bond proceeds in

We are not passing upon, and do not assume any responsibility for, the accuracy, completeness or fairness of any of the statements contained in the Official Statement and make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. In our capacity as disclosure counsel to the Issuer, to assist it in discharging its responsibility with respect to the Official Statement, we participated in conferences and correspondence with your representatives, representatives of the Issuer and other persons involved in the preparation of information for the Official Statement, during which the contents of the Official Statement and related matters were discussed and revised. The purpose of our professional engagement was not to establish or confirm factual matters set forth in the Official Statement, and we have not undertaken any obligation to verify independently any of the factual matters set forth therein. Moreover, many of the determinations required to be made in the preparation of the Official Statement involve matters of a non-legal nature. Based on our participation in the above-mentioned conferences and correspondence, and in reliance thereon and on our limited review of the records, reports, documents, certificates, statements, representations, warranties, opinions and matters mentioned above, without independent verification, we advise you as a matter of fact and not opinion that, during the course of our role as disclosure counsel to the Issuer with respect to the Bonds, no facts have come to the attention of the attorneys in our firm rendering legal services in connection with such role which caused us to believe that the Official Statement (apart from (i) CUSIP numbers, (ii) the information relating to The Depository Trust Company and its book-entry only system, (iii) the financial statements or other financial, operating, statistical, numerical or accounting data incorporated therein, and (iv) the information describing the opinions of Bond Counsel in "TAX EXEMPTION" and the forms of opinions of Bond Counsel in Appendix A, as to all of which we do not express any conclusion or belief) contained as of its date or contains as of the date hereof any untrue statement of a material fact or omitted or omits to state a material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. No responsibility is undertaken or statement rendered with respect to any other disclosure document, materials or activity, or as to any information from another document or source referred to by or incorporated by reference in the Official Statement.

By acceptance of this letter you recognize and acknowledge that: (i) the preceding paragraph is not a legal opinion but is rather in the nature of negative observations based on certain limited activities performed by specific lawyers in our firm in our role as disclosure counsel to the Issuer; (ii) the scope of those activities performed by us for purposes of delivering this letter was inherently limited and does not purport to encompass all activities necessary for compliance with applicable securities laws; (iii) those activities performed by us rely on third party representations, warranties, certifications, statements and opinions, including and primarily, representations, warranties and certifications made by the Issuer, and are otherwise subject to the conditions set forth herein; (iv) we have not been engaged to act, and have not

Consequently, we make no representation that our review has been adequate for your purposes.

In further accordance with our understanding with the Issuer, we express no opinion or belief herein with respect to the validity of the Bonds or the taxation thereof or of the interest thereon, and our expression of belief with respect to the Official Statement herein assumes the validity of the Bonds and the exclusion of the interest payable thereon from gross income for federal income tax purposes, all as set forth in the opinions of Bond Counsel.

Section 3. Bond Details. There be borrowed on the credit of and for and on behalf of the District the sum of not to exceed \$2,000,000 for the purpose aforesaid; and that bonds of the

District (the "*Bonds*") shall be issued in said amount and shall be designated "General Obligation Limited School Bonds, Series 2013A," or such other series designation as set forth in the Bond Notification (as hereinafter defined). The Bonds, if issued, shall be issued in an amount not to exceed \$2,000,000, in one or more series, shall be dated such date (not earlier than February 1, 2013 and not later than May 15, 2013) as set forth in the Bond Notification, and shall also bear the date of authentication, shall be in fully registered form, shall be in denominations of \$5,000 or authorized integral multiples thereof (but no single Bond shall represent installments of principal maturing on more than one date), and shall be numbered 1 and upward. The Bonds shall become due and payable serially or be subject to mandatory redemption (subject to prior redemption as hereinafter set forth) on December 1 of each of the years (not later than 2032), in the amounts (not exceeding \$760,000 per year) and bearing interest at the rates per annum (not exceeding 6.50% per annum) as set forth in the Bond Notification. The Bonds shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on June 1 and December 1 of each year to maturity, commencing on the date set forth in the Bond Notification.

Interest on each Bond shall be paid by check or draft of UMB Bank, National Association, Kansas City, Missouri (the "*Bond Registrar*"), payable upon presentation in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date. The principal of the Bonds shall be payable in lawful money of the United States of America at the principal corporate trust office of the Bond Registrar.

The Bonds shall be signed by the manual or facsimile signatures of the President and Secretary of the Board, and shall be registered, numbered and countersigned by the manual or

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar, as authenticating agent of the District and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Resolution. The certificate of authentication on any Bond shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 4. Registration of Bonds; Persons Treated as Owners. (a) *General.* The District shall cause books (the "*Bond Register*") for the registration and for the transfer of the Bonds as provided in this Resolution to be kept at the principal corporate trust office of the Bond Registrar, which is hereby constituted and appointed the registrar of the District. The District is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the District for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by, the registered owner or his or her attorney duly authorized in writing, the District shall execute and the Bond Registrar shall

authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity of other authorized denominations. The execution by the District of any fully registered Bond shall constitute full and due authorization of such Bond and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond, *provided, however*, the principal amount of outstanding Bonds of each maturity authenticated by the Bond Registrar shall not exceed the authorized principal amount of Bonds for such maturity less previous retirements.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period beginning at the close of business on the 15th day of the month next preceding any interest payment date on such Bond and ending at the opening of business on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the District or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds,

except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(b) *Global Book-Entry System.* The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds determined as described in Section 3 hereof. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of Cede & Co., or any successor thereto (“*Cede*”), as nominee of The Depository Trust Company, New York, New York, and its successors and assigns (“*DTC*”). All of the outstanding Bonds shall be registered in the Bond Register in the name of Cede, as nominee of DTC, except as hereinafter provided. The President and Secretary of the Board, the Superintendent and chief business official of the District and the Bond Registrar are each authorized to execute and deliver, on behalf of the District, such letters to or agreements with DTC as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the “*Representation Letter*”), which Representation Letter may provide for the payment of principal of or interest on the Bonds by wire transfer.

With respect to Bonds registered in the Bond Register in the name of Cede, as nominee of DTC, the District and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “*DTC Participant*”) or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect

to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to the principal of or interest on the Bonds. The District and the Bond Registrar may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective registered owners of the Bonds, as shown in the Bond Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of a Bond as shown in the Bond Register, shall receive a Bond evidencing the obligation of the District to make payments of principal and interest with respect to any Bond. Upon delivery by DTC to the Bond Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions in Section 3 hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the 15th day of the month next preceding the applicable interest payment date, the name "Cede" in this Resolution shall refer to such new nominee of DTC.

In the event that (i) the District determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (ii) the agreement among the District, the Bond Registrar and DTC evidenced by the Representation Letter shall be terminated for any reason or (iii) the District determines that it is in the best interests of the beneficial

owners of the Bonds that they be able to obtain certificated Bonds, the District shall notify DTC and DTC Participants of the availability through DTC of certificated Bonds and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede, as nominee of DTC. At that time, the District may determine that the Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system, as may be acceptable to the District, or such depository's agent or designee, and if the District does not select such alternate universal book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 4(a) hereof.

Notwithstanding any other provisions of this Resolution to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the name provided in the Representation Letter.

Section 5. Redemption. (a) Optional Redemption. All or a portion of the Bonds due on and after the date, if any, specified in the Bond Notification shall be subject to redemption prior to maturity at the option of the District from any available funds, as a whole or in part, and if in part in integral multiples of \$5,000 in any order of their maturity as determined by the District (less than all of the Bonds of a single series and maturity to be selected by the Bond Registrar), on the date specified in the Bond Notification and on any date thereafter, at the redemption price of par, plus accrued interest to the date fixed for redemption, if applicable, as set forth in the Bond Notification.

(b) Mandatory Redemption. The Bonds maturing on the date or dates, if any, indicated in the Bond Notification are subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the

redemption date, on December 1 of the years, if any, and in the principal amounts, if any, as indicated in the Bond Notification.

The principal amounts of Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the District may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date, the Bond Registrar may, and if directed by the Board shall, purchase Bonds required to be retired on such mandatory redemption date. Any such Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

(c) *General.* The Bonds shall be redeemed only in the principal amount of \$5,000 and integral multiples thereof. The District shall, at least forty-five (45) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar) notify the Bond Registrar of such redemption date and of the principal amount and maturity or maturities of Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Bond Registrar from the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; *provided* that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Bond Registrar shall make such selection upon the earlier of the irrevocable deposit of funds with an escrow agent sufficient to pay the redemption price of the Bonds to be redeemed or the time of the giving of official notice of redemption.

The Bond Registrar shall promptly notify the District in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Section 6. Redemption Procedure. Unless waived by any holder of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Bond Registrar on behalf of the District by mailing the redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All notices of redemption shall state:

- (1) the redemption date,
- (2) the redemption price,
- (3) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Bond Registrar, and
- (6) such other information then required by custom, practice or industry standard.

Unless moneys sufficient to pay the redemption price of the Bonds to be redeemed at the option of the District shall have been received by the Bond Registrar prior to the giving of such notice of redemption, such notice may, at the option of the District, state that said redemption shall be conditional upon the receipt of such moneys by the Bond Registrar on or prior to the date

fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds, and the Bond Registrar shall give notice, in the same manner in which the notice of redemption shall have been given, that such moneys were not so received and that such Bonds will not be redeemed. Otherwise, prior to any redemption date, the District shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Subject to the provisions for a conditional redemption described above, notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered holder a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

Section 7. Form of Bond. The Bonds shall be in substantially the following form; *provided, however,* that if the text of the Bond is to be printed in its entirety on the front side of the Bond, then paragraph [2] and the legend, “See Reverse Side for Additional Provisions”, shall be omitted and paragraphs [6] through [11] shall be inserted immediately after paragraph [1]:

Payments on the Bonds from the Base will be made on a parity with the payments on

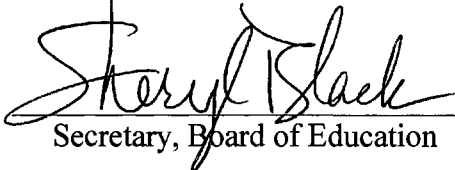

the outstanding limited bonds heretofore issued by the District. The District is authorized to issue from time to time additional limited bonds payable from the Base, as permitted by law, and to determine the lien priority of payments to be made from the Base to pay the District's limited bonds.

Section 8. Sale of Bonds. The President of the Board and the Superintendent of the District (the “*Designated Representatives*”) are hereby authorized to proceed not later than the date a new bond is constituted pursuant to the election to be held on the 9th day of April, 2013, without any further authorization or direction from the Board, to sell the Bonds upon the terms as prescribed in this Resolution. The Bonds hereby authorized shall be executed as in this Resolution provided as soon after the delivery of the Bond Notification as may be, and thereupon be deposited with the School Treasurer who receives the taxes of the District, and, after authentication thereof by the Bond Registrar, be by said Treasurer delivered to the purchaser thereof, BMO Capital Markets GKST Inc., Chicago, Illinois (the “*Purchaser*”), upon receipt of the purchase price therefor, the same being not less than 98.0% of the principal amount of the Bonds (exclusive of original issue discount) plus accrued interest to date of delivery.

Prior to the sale of the Bonds, the President of the Board or the Superintendent or business official of the District is hereby authorized to approve and execute a commitment for the purchase of a Municipal Bond Insurance Policy (as hereinafter defined), to further secure the Bonds, as long as the present value of the fee to be paid for the Municipal Bond Insurance Policy (using as a discount rate the expected yield on the Bonds treating the fee paid as interest on the Bonds) is less than the present value of the interest reasonably expected to be saved on the Bonds over the term of the Bonds as a result of the Municipal Bond Insurance Policy.

Upon the sale of the Bonds, the Designated Representatives shall prepare a Notification of Sale of the Bonds, which shall include the pertinent details of sale as provided herein (the “*Bond Notification*”). In the Bond Notification, the Designated Representatives shall find and determine that the Bonds have been sold at such price and bear interest at such rates that either the true interest cost (yield) or the net interest rate received upon the sale of the Bonds does not exceed the maximum rate otherwise authorized by applicable law. The Bond Notification shall

be entered into the records of the District and made available to the Board at the next regular meeting thereof; but such action shall be for information purposes only, and the Board shall have no right or authority at such time to approve or reject such sale as evidenced in the Bond Notification.

Upon the sale of the Bonds, as evidenced by the execution and delivery of the Bond Notification by the Designated Representatives, the President and Secretary of the Board and the School Treasurer who receives the taxes of the District and any other officers of the District, as shall be appropriate, shall be and are hereby authorized and directed to approve or execute, or both, such documents of sale of the Bonds as may be necessary, including, without limitation, the contract for the sale of the Bonds between the District and the Purchaser (the "*Purchase Contract*"). Prior to the execution and delivery of the Purchase Contract, the Designated Representatives shall find and determine that no person holding any office of the District, either by election or appointment, is in any manner interested, directly or indirectly, in his or her own name or in the name of any other person, association, trust or corporation, in the Purchase Contract.

The Bonds before being issued shall be registered, numbered and countersigned by the School Treasurer who receives the taxes of the District, such registration being made in a book provided for that purpose, in which shall be entered the record of the resolution authorizing the Board to borrow said money and a description of the Bonds issued, including the number, date, to whom issued, amount, rate of interest and when due.

The use by the Purchaser of any Preliminary Official Statement and any final Official Statement relating to the Bonds (the "*Official Statement*") is hereby ratified, approved and authorized; the execution and delivery of the Official Statement is hereby authorized; and the officers of the Board are hereby authorized to take any action as may be required on the part of

the District to consummate the transactions contemplated by the Purchase Contract, this Resolution, said Preliminary Official Statement, the Official Statement and the Bonds.

Section 9. Tax Levy. In order to provide for the collection of a direct annual tax to pay the interest on the Bonds as it falls due, and also to pay and discharge the principal thereof at maturity, there be and there is hereby levied upon all the taxable property within the District a direct annual tax for each of the years while the Bonds or any of them are outstanding, and that there be and there is hereby levied upon all of the taxable property in the District, the following direct annual tax, to-wit:

2023	\$766,000.00	for interest
2024	\$766,000.00	for interest

Principal or interest maturing at any time when there are not sufficient funds on hand from the foregoing tax levy to pay the same shall be paid from the general funds of the District,

and the fund from which such payment was made shall be reimbursed out of the taxes hereby levied when the same shall be collected.

The District covenants and agrees with the purchasers and the holders of the Bonds that so long as any of the Bonds remain outstanding, the District will take no action or fail to take any action which in any way would adversely affect the ability of the District to levy and collect the foregoing tax levy and the District and its officers will comply with all present and future applicable laws in order to assure that the foregoing taxes will be levied, extended and collected as provided herein and deposited in the fund established to pay the principal of and interest on the Bonds.

Section 10. Filing of Resolution. Forthwith upon the passage of this Resolution, the Secretary of the Board is hereby directed to file a certified copy of this Resolution with the County Clerk of Cook County, Illinois (the "*County Clerk*"), and it shall be the duty of the County Clerk to annually in and for each of the years 2012 to 2031, inclusive, ascertain the rate necessary to produce the tax herein levied, and extend the same for collection on the tax books against all of the taxable property within the District in connection with other taxes levied in each of said years for school purposes, in order to raise the respective amounts aforesaid and in each of said years such annual tax shall be computed, extended and collected in the same manner as now or hereafter provided by law for the computation, extension and collection of taxes for general school purposes of the District, and when collected, the taxes hereby levied shall be placed to the credit of the special fund to be designated "School Bond and Interest Fund of Series 2013A" (the "*Bond Fund*"), which taxes are hereby irrevocably pledged to and shall be used only for the purpose of paying the principal of and interest on the Bonds; and a certified copy of this Resolution shall also be filed with the School Treasurer who receives the taxes of the

District. Interest earnings on the Bond Fund and the Working Cash Fund of the District have not been earmarked or restricted by the Board for a designated purpose.

Section 11. Limitation on Extension; General Obligation Pledge; Additional Obligations. Notwithstanding any other provision of this Resolution, the annual amount of the taxes to be extended by the County Clerk to pay the Bonds and all other limited bonds (as defined in the Debt Reform Act) heretofore and hereafter issued by the District shall not exceed the debt service extension base (as defined in the Property Tax Extension Limitation Law of the State of Illinois, as amended) of the District (the “Base”).

No limit, however, exists on the rate of the direct annual tax levied herein, and the Bonds shall constitute a general obligation of the District.

Payments on the Bonds from the Base will be made on a parity with the payments on the District’s outstanding Limited Tax School Bonds, Series 2006, dated December 1, 2006, General Obligation Limited School Bonds, Series 2011, dated May 17, 2011, and General Obligation Limited School Bonds, Series 2012A, dated December 20, 2012. The District is authorized to issue from time to time additional limited bonds payable from the Base, as permitted by law, and to determine the lien priority of payments to be made from the Base to pay the District’s limited bonds.

Section 12. Use of Bond Proceeds. All moneys derived from the issuance of the Bonds hereby authorized shall be used only for the purpose and in the manner provided by the Act. Accrued interest received on the delivery of the Bonds and principal proceeds of the Bonds in the amount set forth in the Bond Notification (not to exceed \$50,000) are hereby appropriated for the purpose of paying first interest due on the Bonds and are hereby ordered deposited into the Bond Fund. The balance of the principal proceeds of the Bonds and any premium received on the delivery of the Bonds are hereby appropriated to pay the costs of issuance of the Bonds and for

working cash fund purposes, and that portion thereof not needed to pay such costs shall be set aside in a separate fund known and designated as the “Working Cash Fund of Township High School District Number 215, Cook County, Illinois,” which said fund shall be held apart and maintained as provided in Article 20 of the Act at least until all the Bonds have been retired, and shall not be used for any other purpose whatsoever. At the time of the issuance of the Bonds, the costs of issuance of the Bonds may be paid by the Purchaser on behalf of the District from the proceeds of the Bonds.

Section 13. Non-Arbitrage and Tax-Exemption. The District hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Internal Revenue Code of 1986, as amended (the “Code”), or would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The District acknowledges that, in the event of an examination by the Internal Revenue Service (the “IRS”) of the exemption from Federal income taxation for interest paid on the Bonds, under present rules, the District may be treated as a “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the IRS in connection with such an examination.

The District also agrees and covenants with the purchasers and holders of the Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The Board hereby authorizes the officials of the District responsible for issuing the Bonds, the same being the President and Secretary of the Board and the School Treasurer who receives the taxes of the District, to make such further covenants and certifications regarding the specific use of the proceeds of the Bonds as approved by the Board and as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be exempt from federal income taxation. In connection therewith, the District and the Board further agree: (a) through their officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the District in such compliance.

Section 14. Designation of Issue. The District hereby designates each of the Bonds as a “qualified tax-exempt obligation” for the purposes and within the meaning of Section 265(b)(3) of the Code.

Section 15. Registered Form. The District recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the District agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 16. List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the holders of all Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholder.

Section 17. Duties of Bond Registrar. If requested by the Bond Registrar, the President and Secretary of the Board are authorized to execute the Bond Registrar's standard form of agreement between the District and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder which may include the following:

- (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the District upon request, but otherwise to keep such list confidential;
- (c) to give notice of redemption of Bonds as provided herein;
- (d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;
- (e) to furnish the District at least annually a certificate with respect to Bonds cancelled and/or destroyed; and
- (f) to furnish the District at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

Section 18. Continuing Disclosure Undertaking. The President of the Board is hereby authorized, empowered and directed to execute and deliver a Continuing Disclosure Undertaking under Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the "*Continuing Disclosure Undertaking*"). When the Continuing Disclosure Undertaking is executed and delivered on behalf of the District as herein provided, the Continuing Disclosure Undertaking will be binding on the District and the officers, employees and agents of the District, and the officers, employees and agents of the District are hereby authorized, empowered and directed to do all such acts and

things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. WHEREAS, Township High School District Number 215, Cook County, Illinois (the "*District*"), has outstanding School Bonds, Series 2003, dated February 1, 2003 (the "*Prior Bonds*"); and

WHEREAS, it is necessary and desirable to refund a portion of the Prior Bonds (said portion of the Prior Bonds to be refunded being referred to herein as the "*Refunded Bonds*") to realize debt service savings for the District; and

NOW, THEREFORE, Be It and It Is Hereby Resolved by the Board of Education of Township High School District Number 215, Cook County, Illinois, as follows:

Section 1. Incorporation of Preambles. The Board hereby finds that all of the recitals contained in the preambles to this Resolution are full, true and correct and does incorporate them into this Resolution by this reference.

Section 2. Authorization. It is hereby found and determined that the Board has been authorized by law to borrow the sum of not to exceed \$6,500,000 upon the credit of the District and as evidence of such indebtedness to issue bonds of the District in said amount, the proceeds of said bonds to be used to refund the Refunded Bonds, and that it is necessary and for the best interests of the District that there be issued at this time not to exceed \$6,500,000 of the bonds so authorized.

Section 3. Bond Details. There be borrowed on the credit of and for and on behalf of the District the sum of not to exceed \$6,500,000 for the purpose aforesaid; and that bonds of the District (the “*Bonds*”) shall be issued in said amount and shall be designated “General Obligation Refunding School Bonds, Series 2013B” or such other series designation as set forth in the Bond Notification (as hereinafter defined). The Bonds, if issued, shall be issued in an amount not to exceed \$6,500,000, in one or more series, shall be dated such date (not prior to February 1, 2012 and not later than May 15, 2013) as set forth in the Bond Notification, and shall also bear the date of authentication, shall be in fully registered form, shall be in denominations of \$5,000 or authorized integral multiples thereof (but no single Bond shall represent installments of principal maturing on more than one date), and shall be numbered 1 and upward. The Bonds shall become due and payable serially or be subject to mandatory redemption (subject to prior redemption as hereinafter set forth) on December 1 of each of the years (not later than 2022), in the amounts (not exceeding \$760,000 per year) and bearing interest at the rates per annum (not exceeding 6.50% per annum) as set forth in the Bond Notification. The Bonds shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on June 1 and December 1 of each year to maturity, commencing on the date set forth in the Bond Notification.

Interest on each Bond shall be paid by check or draft of UMB Bank, National Association, Kansas City, Missouri, as bond registrar and paying agent (the “*Bond Registrar*”), payable upon presentation in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date. The principal of and premium, if any, on the Bonds shall be

payable in lawful money of the United States of America at the principal corporate trust office of the Bond Registrar.

The Bonds shall be signed by the manual or facsimile signatures of the President and Secretary of the Board, and shall be registered, numbered and countersigned by the manual or facsimile signature of the School Treasurer who receives the taxes of the District, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the District and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Resolution. The certificate of authentication on any Bond shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 4. Registration of Bonds; Persons Treated as Owners. (a) *General.* The District shall cause books (the "*Bond Register*") for the registration and for the transfer of the Bonds as provided in this Resolution to be kept at the principal corporate trust office of the Bond Registrar, which is hereby constituted and appointed the registrar of the District. The District is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the District for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by, the registered owner or his or her attorney duly authorized in writing, the District shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity of other authorized denominations. The execution by the District of any fully registered Bond shall constitute full and due authorization of such Bond and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond, *provided, however*, the principal amount of outstanding Bonds of each maturity authenticated by the Bond Registrar shall not exceed the authorized principal amount of Bonds for such maturity less previous retirements.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period beginning at the close of business on the 15th day of the month next preceding any interest payment date on such Bond and ending at the opening of business on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the District or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(b) *Global Book-Entry System.* The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds determined as described in Section 3 hereof. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of Cede & Co., or any successor thereto ("*Cede*"), as nominee of The Depository Trust Company, New York, New York, and its successors and assigns ("*DTC*"). All of the outstanding Bonds shall be registered in the Bond Register in the name of Cede, as nominee of DTC, except as hereinafter provided. The President and Secretary of the Board, the Superintendent and chief business official of the District and the Bond Registrar are each authorized to execute and deliver, on behalf of the District, such letters to or agreements with DTC as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the "*Representation Letter*"), which Representation Letter may provide for the payment of principal of or interest on the Bonds by wire transfer.

With respect to Bonds registered in the Bond Register in the name of Cede, as nominee of DTC, the District and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "*DTC Participant*") or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy

of the records of DTC, Cede or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to the principal of or interest on the Bonds. The District and the Bond Registrar may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective registered owners of the Bonds, as shown in the Bond Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of a Bond as shown in the Bond Register, shall receive a Bond evidencing the obligation of the District to make payments of principal and interest with respect to any Bond. Upon delivery by DTC to the Bond Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions in Section 3 hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the 15th day of the month next preceding the applicable interest payment date, the name "Cede" in this resolution shall refer to such new nominee of DTC.

In the event that (i) the District determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (ii) the agreement among the

District, the Bond Registrar and DTC evidenced by the Representation Letter shall be terminated for any reason or (iii) the District determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the District shall notify DTC and DTC Participants of the availability through DTC of certificated Bonds and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede, as nominee of DTC. At that time, the District may determine that the Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system, as may be acceptable to the District, or such depository's agent or designee, and if the District does not select such alternate universal book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 4(a) hereof.

Notwithstanding any other provisions of this resolution to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the name provided in the Representation Letter.

Section 5. Redemption. (a) Optional Redemption. All or a portion of the Bonds due on and after the date, if any, specified in the Bond Notification shall be subject to redemption prior to maturity at the option of the District from any available funds, as a whole or in part, and if in part in integral multiples of \$5,000 in any order of their maturity as determined by the District (less than all of the Bonds of a single series and maturity to be selected by the Bond Registrar), on the date specified in the Bond Notification and on any date thereafter, at the redemption price of par, plus accrued interest to the date fixed for redemption, if applicable, as set forth in the Bond Notification.

(b) *Mandatory Redemption.* The Bonds maturing on the date or dates, if any, indicated in the Bond Notification are subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date, on December 1 of the years, if any, and in the principal amounts, if any, as indicated in the Bond Notification.

The principal amounts of Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the District may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date, the Bond Registrar may, and if directed by the Board shall, purchase Bonds required to be retired on such mandatory redemption date. Any such Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

(c) *General.* The Bonds shall be redeemed only in the principal amount of \$5,000 and integral multiples thereof. The District shall, at least forty-five (45) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar) notify the Bond Registrar of such redemption date and of the principal amount and maturity or maturities of Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Bond Registrar from the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; *provided* that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Bond Registrar shall make such selection upon the earlier of the irrevocable

deposit of funds with an escrow agent sufficient to pay the redemption price of the Bonds to be redeemed or the time of the giving of official notice of redemption.

The Bond Registrar shall promptly notify the District in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Section 6. Redemption Procedure. Unless waived by any holder of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Bond Registrar on behalf of the District by mailing the redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All notices of redemption shall state:

- (1) the redemption date,
- (2) the redemption price,
- (3) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Bond Registrar, and
- (6) such other information then required by custom, practice or industry standard.

Unless moneys sufficient to pay the redemption price of the Bonds to be redeemed at the option of the District shall have been received by the Bond Registrar prior to the giving of such

notice of redemption, such notice may, at the option of the District, state that said redemption shall be conditional upon the receipt of such moneys by the Bond Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds, and the Bond Registrar shall give notice, in the same manner in which the notice of redemption shall have been given, that such moneys were not so received and that such Bonds will not be redeemed. Otherwise, prior to any redemption date, the District shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Subject to the provisions for a conditional redemption described above, notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered holder a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

Section 7. Form of Bond. The Bonds shall be in substantially the following form; *provided, however,* that if the text of the Bond is to be printed in its entirety on the front side of the Bond, then paragraph [2] and the legend, “See Reverse Side for Additional Provisions”, shall be omitted and paragraphs [6] through [11] shall be inserted immediately after paragraph [1]:

Section 8. Sale of Bonds. The President of the Board and the Superintendent of the District (the "*Designated Representatives*") are hereby authorized to proceed not later than the date a new board is constituted pursuant to the election to be held on the 9th day of April, 2013, without any further authorization or direction from the Board, to sell the Bonds upon the terms as prescribed in this Resolution. The Bonds hereby authorized shall be executed as in this Resolution provided as soon after the delivery of the Bond Notification as may be, and thereupon be deposited with the School Treasurer who receives the taxes of the District, and, after authentication thereof by the Bond Registrar, be by said Treasurer delivered to the purchaser thereof, BMO Capital Markets GKST Inc., Chicago, Illinois (the "*Purchaser*"), upon receipt of the purchase price therefor, the same being not less than 98.0% of the principal amount of the Bonds (exclusive of original issue discount) plus accrued interest to date of delivery.

Prior to the sale of the Bonds, the President of the Board or the Superintendent or business official of the District is hereby authorized to approve and execute a commitment for the purchase of a Municipal Bond Insurance Policy (as hereinafter defined), to further secure the Bonds, as long as the present value of the fee to be paid for the Municipal Bond Insurance Policy (using as a discount rate the expected yield on the Bonds treating the fee paid as interest on the Bonds) is less than the present value of the interest reasonably expected to be saved on the Bonds over the term of the Bonds as a result of the Municipal Bond Insurance Policy.

Upon the sale of the Bonds, the Designated Representatives shall prepare a Notification of Sale of the Bonds, which shall include the pertinent details of sale as provided herein (the "*Bond Notification*"). In the Bond Notification, the Designated Representatives shall find and determine that the Bonds have been sold at such price and bear interest at such rates that either the true interest cost (yield) or the net interest rate received upon the sale of the Bonds does not

exceed the maximum rate otherwise authorized by applicable law and that the net present value debt service savings to the District as a result of the issuance of the Bonds and the refunding of the Refunded Bonds is not less than 2.50% of the principal amount of the Refunded Bonds. The Bond Notification shall be entered into the records of the District and made available to the Board at the next regular meeting thereof; but such action shall be for information purposes only, and the Board shall have no right or authority at such time to approve or reject such sale as evidenced in the Bond Notification.

Upon the sale of the Bonds, as evidenced by the execution and delivery of the Bond Notification by the Designated Representatives, the President and Secretary of the Board and the School Treasurer who receives the taxes of the District and any other officers of the District, as shall be appropriate, shall be and are hereby authorized and directed to approve or execute, or both, such documents of sale of the Bonds as may be necessary, including, without limitation, the contract for the sale of the Bonds between the District and the Purchaser (the "*Purchase Contract*"). Prior to the execution and delivery of the Purchase Contract, the Designated Representatives shall find and determine that no person holding any office of the District, either by election or appointment, is in any manner interested, directly or indirectly, in his or her own name or in the name of any other person, association, trust or corporation, in the Purchase Contract.

The Bonds before being issued shall be registered, numbered and countersigned by the School Treasurer who receives the taxes of the District, such registration being made in a book provided for that purpose, in which shall be entered the record of the resolution authorizing the Board to borrow said money and a description of the Bonds issued, including the number, date, to whom issued, amount, rate of interest and when due.

The use by the Purchaser of any Preliminary Official Statement and any final Official Statement relating to the Bonds (the “*Official Statement*”) is hereby ratified, approved and authorized; the execution and delivery of the Official Statement is hereby authorized; and the officers of the Board are hereby authorized to take any action as may be required on the part of the District to consummate the transactions contemplated by the Purchase Contract, this Resolution, said Preliminary Official Statement, the Official Statement and the Bonds.

The District covenants and agrees with the purchasers and the holders of the Bonds that so long as any of the Bonds remain outstanding, the District will take no action or fail to take any action which in any way would adversely affect the ability of the District to levy and collect the foregoing tax levy and the District and its officers will comply with all present and future applicable laws in order to assure that the foregoing taxes will be levied, extended and collected as provided herein and deposited in the fund established to pay the principal of and interest on the Bonds.

Forthwith upon the passage of this Resolution, the Secretary of the Board is hereby directed to file a certified copy of this Resolution with the County Clerk, and it shall be the duty of the County Clerk to annually in and for each of the years 2012 to 2031, inclusive, ascertain the rate necessary to produce the tax herein levied, and extend the same for collection on the tax books against all of the taxable property within the District in connection with other taxes levied in each of said years for school purposes, in order to raise the respective amounts aforesaid and in each of said years such annual tax shall be computed, extended and collected in the same manner as now or hereafter provided by law for the computation, extension and collection of taxes for general school purposes of the District, and when collected, the taxes hereby levied shall be placed to the credit of a special fund to be designated "Refunding Bond and Interest Sinking Fund Account of

2012” (the “*Bond Fund*”), which taxes are hereby irrevocably pledged to and shall be used only for the purpose of paying the principal of and interest on the Bonds; and a certified copy of this resolution shall also be filed with the School Treasurer who receives the taxes of the District.

The President and Secretary of the Board and the School Treasurer who receives the taxes of the District be and the same are hereby directed to prepare and file with the County Clerk, a Certificate of Reduction of Taxes Heretofore Levied for the Payment of Bonds showing the Prior Bonds being refunded and directing the abatement of the taxes heretofore levied for the years 2012 to 2021, inclusive, to pay the Refunded Bonds, all as provided by Section 19-23 of the School Code of the State of Illinois, as amended.

Section 11. Use of Taxes Heretofore Levied. All proceeds received or to be received from any taxes heretofore levied to pay principal and interest on the Refunded Bonds, including the proceeds received or to be received from the taxes levied for the year 2011 for such purpose, shall be used to pay the principal of and interest on the Refunded Bonds and to the extent that such proceeds are not needed for such purpose because of the establishment of the escrow referred to in Section 12 hereof, the same shall be deposited into the Bond Fund and used to pay principal and interest on the Bonds in accordance with all of the provisions of this Resolution.

Section 12. Use of Bond Proceeds. Accrued interest received on the delivery of the Bonds is hereby appropriated for the purpose of paying first interest due on the Bonds and is hereby ordered deposited into the Bond Fund. Simultaneously with the delivery of the Bonds, the principal proceeds of the Bonds, together with any premium received from the sale of the Bonds and such additional amounts as may be necessary from the general funds of the District, are hereby appropriated to pay the costs of issuance of the Bonds and for the purpose of refunding the Refunded Bonds. That portion thereof not needed to pay such costs of issuance is hereby ordered deposited in escrow pursuant to an escrow agreement, in the form now before the

Board (the "*Escrow Agreement*") and attached as *Exhibit A* hereto, to be entered into between the District and UMB Bank, National Association, Kansas City, Missouri, as escrow agent (the "*Escrow Agent*"), and made a part hereof by this reference, or with such changes therein as shall be approved by the officers of the District executing the Escrow Agreement, such execution to constitute evidence of the approval of such changes, for the purpose of refunding the Refunded Bonds. The Board approves the form, terms and provisions of the Escrow Agreement and directs the President of the Board to execute, attest, seal and deliver the Escrow Agreement in the name and on behalf of the District. Amounts in the escrow will be held in cash or will be used to purchase U.S. Treasury Securities (the "*Government Securities*"), in each case sufficient to provide for the refunding of the Refunded Bonds. The Escrow Agent is hereby authorized to act as agent for the District in the purchase of the Government Securities. At the time of the issuance of the Bonds, the costs of issuance of the Bonds may be paid by the Purchaser on behalf of the District from the proceeds of the Bonds.

Section 13. Call of the Refunded Bonds. In accordance with the redemption provisions of the resolution authorizing the issuance of the Refunded Bonds, the District by the Board does hereby make provisions for the payment of and does hereby call (subject only to the delivery of the Bonds) the Refunded Bonds for redemption on the date (not later than 90 days after the date of issuance of the Bonds) set forth in the Notification of Sale.

Section 14. Non-Arbitrage and Tax-Exemption. The District hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Internal Revenue Code of 1986, as amended (the "*Code*"), or would otherwise cause the interest on the Bonds to be

included in the gross income of the recipients thereof for federal income tax purposes. The District acknowledges that, in the event of an examination by the Internal Revenue Service (the “IRS”) of the exemption from federal income taxation for interest paid on the Bonds, under present rules, the District may be treated as a “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the IRS in connection with such an examination.

The District also agrees and covenants with the purchasers and holders of the Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The Board hereby authorizes the officials of the District responsible for issuing the Bonds, the same being the President and Secretary of the Board and the School Treasurer who receives the taxes of the District, to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest in the Bonds will be exempt from federal income taxation. In connection therewith, the District and the Board further agree: (a) through their officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the District in such compliance.

Section 15. Designation of Issue. The District hereby designates the Bonds as a “qualified tax-exempt obligation” for the purposes and within the meaning of Section 265(b)(3) of the Code.

Section 16. List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the holders of all Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholder.

Section 17. Duties of Bond Registrar. If requested by the Bond Registrar, the President and Secretary of the Board are authorized to execute the Bond Registrar’s standard form of agreement between the District and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder which may include the following:

- (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the District upon request, but otherwise to keep such list confidential;
- (c) to give notice of redemption of Bonds as provided herein;
- (d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;
- (e) to furnish the District at least annually a certificate with respect to Bonds cancelled and/or destroyed; and
- (f) to furnish the District at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

Section 18. Continuing Disclosure Undertaking. The President of the Board is hereby authorized, empowered and directed to execute and deliver a Continuing Disclosure Undertaking under Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended (the “*Continuing Disclosure Undertaking*”). When the Continuing Disclosure Undertaking is executed and delivered on

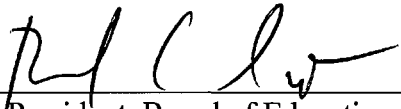

behalf of the District as herein provided, the Continuing Disclosure Undertaking will be binding on the District and the officers, employees and agents of the District, and the officers, employees and agents of the District are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. Notwithstanding any other provision of this Resolution, the sole remedy for failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order to cause the District to comply with its obligations under the Continuing Disclosure Undertaking.

Section 19. Municipal Bond Insurance. In the event the payment of principal and interest on the Bonds is insured pursuant to a municipal bond insurance policy (the "*Municipal Bond Insurance Policy*") issued by a bond insurer (the "*Bond Insurer*"), and as long as such Municipal Bond Insurance Policy shall be in full force and effect, the District and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of the Bonds, subrogation of the rights of the Bondholders to the Bond Insurer upon payment of the Bonds by the Bond Insurer, amendment hereof, or other terms, as approved by the President of the Board on advice of counsel, his or her approval to constitute full and complete acceptance by the District of such terms and provisions under authority of this Section.

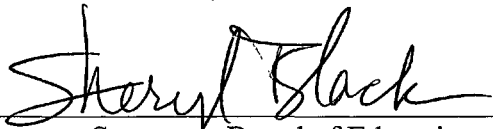

Section 20. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 21. Repeal. All resolutions or parts thereof in conflict herewith be and the same are hereby repealed, and this Resolution shall be in full force and effect forthwith upon its adoption.

(e) the information in the Preliminary Official Statement (except as changed by the Official Statement) was, and in the Official Statement is, true and correct in all material respects and did not and does not omit any statement or information required to be stated therein or which is necessary to make the statements and information contained therein not misleading in any material respect;

(f) there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or, to the knowledge of the District, threatened against or affecting the District in any material respect or affecting the corporate existence of the District, the titles of its officers to their respective offices or the boundaries of the District, or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or in any way contesting or affecting the transactions contemplated hereby or the validity or enforceability of the Bonds, the Bond Resolution, the Escrow Agreement, the Refunded Bonds or this Agreement or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement, or contesting the powers of the District or any authority for the issuance of the Bonds, the adoption of the Bond Resolutions, or the execution and the delivery of this Agreement or the Escrow Agreement;

(g) the District is not in breach of or in default under any existing law, court or administrative regulation, decree or order, ordinance, resolution, agreement, indenture, mortgage, lease, sublease or other instrument to which the District is a party or by which the District or its property is or may be bound, and no event has occurred or is continuing that, with the passage of time or the giving of notice, or both, would constitute a default or an event of default thereunder, in either case, in any manner or to any extent that could have a material adverse effect on the financial condition of the District, the operations of the District or the transactions contemplated by this Agreement and the Official Statement, or have an adverse effect on the validity or enforceability in accordance with the respective terms of the Bonds, this Agreement, the Escrow Agreement, the Refunded Bonds or the Bond Resolutions or in any way adversely affect the existence or powers of the District or the excludability from gross income for federal income tax purposes of interest on the Bonds;

Since June 30, 2012, there has been no material adverse change in the condition, financial or otherwise, of the District from that set forth in the audited financial statements as of and for the period ended that date, except as disclosed in the Official Statement; and the District has not since June 30, 2012, incurred any material liabilities, directly or indirectly, except in the ordinary course of its operations or as disclosed in the Official Statement;

(j) each representation, warranty or agreement stated in any certificate signed by any officer of the District and delivered to the Underwriter in connection with the transactions contemplated by the Bond Resolutions, the Escrow Agreement, the Refunded Bonds and this Agreement at or before the Closing, shall constitute a

representation, warranty or agreement by the District upon which the Underwriter shall be entitled to rely; and

(k) if between the date of this Agreement and 25 days following the “end of the underwriting period” (as defined in Rule 15c2-12) any event shall occur which, in the District’s opinion, might or would cause the Official Statement to contain any untrue statement of a material fact or to omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter, and if, in the opinion of the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the District will supplement or amend the Official Statement in a form and in a manner approved by the Underwriter; any approval by the Underwriter of such supplement or amendment to the Official Statement prior to the Closing shall not preclude the Underwriter from thereafter terminating this Agreement, and if the Official Statement is amended or supplemented subsequent to the date hereof, the Underwriter may terminate this Agreement by notification to the District at any time prior to the Closing, if, in the reasonable judgment of the Underwriter, such amendment or supplement has or will have a material adverse effect on the marketability of the Bonds.

4. At the Closing, the District will deliver or make available to the Underwriter:

(b) A certificate executed by authorized officers of the District, in form and substance acceptable to the Underwriter, to the effect that the Official Statement, to the knowledge and belief of such officers, after due review, is accurate and complete in all material respects, and that the representations of the District contained in this Agreement are true and correct when made and as of the Closing;

(e) A certificate, satisfactory to the Underwriter, of an appropriate officer of the District, dated as of the Closing Date, to the effect that there have been no instances in the previous five years in which the District failed to comply, in all material respects, with any undertaking previously entered into by it pursuant to Rule 15c2-12, except as noted in the Official Statement;

(f) A fully executed copy of the Undertaking;

(g) Certified copies of the Bond Resolutions and fully executed copies of the Notifications of Sale;

(h) A fully executed copy of the Escrow Agreement; and

(i) Such additional certificates, instruments and other documents (including, without limitation, those set forth on *Exhibit A* hereto) as the Underwriter may deem necessary with respect to the issuance and sale of the Bonds, all in form and substance satisfactory to the Underwriter.

5. The fees and disbursements of counsel to the District, Bond Counsel and Disclosure Counsel, the cost of preparing and printing the Bonds, the cost of obtaining any ratings in connection with the issuance of the Bonds, including rating agency fees, the fees of the bond registrar and paying agent for the Bonds, the fees of the Escrow Agent, the cost of printing and mailing the Preliminary Official Statement and the Official Statement and miscellaneous expenses of the District incurred in connection with the offering and delivery of the Bonds, including the assignment of CUSIP identification numbers, shall all be the obligation of the District and are further described in *Exhibit A*.

The obligation of the District to pay the above-described fees and expenses shall survive the termination of this Agreement or the failure to consummate the transactions described herein.

6. This Agreement is intended to benefit only the parties hereto, and the District's representations and warranties shall survive any investigation made by or for the Underwriter, delivery and payment for the Bonds and the termination of this Agreement.

7. The District acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm's-length commercial transaction between the District and the Underwriter, (ii) in connection with the purchase and sale of the Bonds and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as a principal and is not acting as an agent, advisor or fiduciary of the District, (iii) the Underwriter has not assumed any advisory or fiduciary responsibility in favor of the District with respect to the purchase and sale of the Bonds or the process leading thereto (irrespective of whether the Underwriter has advised or is currently advising the District on other matters) or any other obligation to the District except the obligations expressly set forth in this Agreement, (iv) the District has consulted its own legal, financial and other advisors to the extent it has deemed appropriate, and (v) the District will not claim that the Underwriter has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the District, in connection with the purchase and sale of the Bonds or the process leading thereto.

8. The Underwriter shall have the right to cancel its obligation to purchase the Bonds if, between the date of this Agreement and the Closing, the market price or marketability of the Bonds shall be materially adversely affected, in the sole judgment of the Underwriter, by the occurrence of any of the following:

(a) legislation shall be enacted by or introduced in the Congress of the United States or recommended to the Congress for passage by the President of the United States, or the Treasury Department of the United States or the Internal Revenue Service or any member of the Congress or favorably reported for passage to either House of the Congress by any committee of such House to which such legislation has been referred for consideration, a decision by a court of the United States or of the State of Illinois (the "State") or the United States Tax Court shall be rendered, or an order, ruling, regulation (final, temporary or proposed), press release, statement or other form of notice by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency shall be made or proposed, the effect of any or all of which would be to impose, directly or indirectly, federal income taxation upon interest received on obligations of the general character as the Bonds as described in the Official Statement, or other action or events shall have transpired which may have the purpose or effect, directly or indirectly, of changing the federal income tax consequences of any of the transactions contemplated herein;

(f) any amendment to the federal or State Constitution or action by any federal or state court, legislative body, regulatory body or other authority materially adversely affecting the tax status of the District, its property or income securities (or interest thereon) or the validity or enforceability of the assessments or the levy of taxes to pay principal of and interest on the Bonds;

(g) any event occurring, or information becoming known which, in the judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(h) there shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the District;

(i) the United States shall have become engaged in hostilities which have resulted in a declaration of war or a national emergency or there shall have occurred any other outbreak or escalation of hostilities or a local, national or international calamity or crisis, financial or otherwise;

(j) any fact or event shall exist or have existed that, in the judgment of the Underwriter, requires or has required an amendment of or supplement to the Official Statement;

(k) there shall have occurred or any notice shall have been given of any intended downgrading, suspension, withdrawal or negative change in credit watch status by any national rating service to any of the District's obligations;

(l) the rating of any of the District's securities (including the Bonds) shall have been downgraded or withdrawn by a national rating service, the effect of which, in the opinion of the Underwriter, is to materially adversely affect the market price of the Bonds or the Underwriter's ability to underwrite the Bonds; or

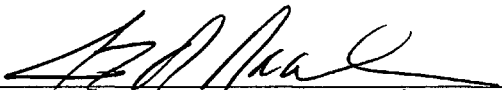

(m) the purchase of and payment for the Bonds by the Underwriter, or the resale of the Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission.

9. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

(Thornton Fractional)

\$1,515,000 General Obligation Limited School Bonds, Series 2013A
\$5,570,000 General Obligation Refunding School Bonds, Series 2013B

INTRODUCTION

The purpose of this Official Statement is to set forth certain information concerning Township High School District Number 215, Cook County, Illinois (the "*District*"), in connection with the offering and sale of its General Obligation Limited School Bonds, Series 2013A (the "*Series 2013A Bonds*"), and General Obligation Refunding School Bonds, Series 2013B (the "*Series 2013B Bonds*" and, together with the Series 2013A Bonds, the "*Bonds*").

THE BONDS

AUTHORITY AND PURPOSE

The Bonds are being issued pursuant to the School Code of the State of Illinois (the "*School Code*"), the Local Government Debt Reform Act of the State of Illinois (the "*Debt Reform Act*"), and all laws amendatory thereof and supplementary thereto, and separate bond resolutions adopted by the Board of Education of the District (the "*Board*") on the 22nd day of January, 2013, as supplemented by separate notifications of sale (collectively, the "*Bond Resolutions*").

Proceeds of the Series 2013A Bonds will be used to (i) increase the working cash fund of the District, (ii) pay capitalized interest on the Series 2013A Bonds and (iii) pay costs associated with the issuance of the Series 2013A Bonds.

Proceeds of the Series 2013B Bonds will be used to (i) currently refund all of the District's outstanding School Bonds, Series 2003, dated February 1, 2003 (the "*Series 2003 Bonds*," and sometimes referred to herein as the "*Refunded Bonds*"), and (ii) pay costs associated with the issuance of the Series 2013B Bonds.

GENERAL DESCRIPTION

The Bonds will be dated the date of issuance thereof; will be in fully registered form, without coupons, and will be in denominations of \$5,000 or any integral multiple thereof under a book-entry only system operated by The Depository Trust Company, New York, New York ("*DTC*"). Principal of and interest on the Bonds will be payable by UMB Bank, National Association, Kansas City, Missouri (the "*Registrar*").

The Bonds will mature as shown on the inside cover page hereof. Interest on the Bonds will be payable each June 1 and December 1, beginning June 1, 2013.

The Bonds will bear interest from their dated date, or from the most recent interest payment date to which interest has been paid or provided for, computed on the basis of a 360-day year consisting of twelve 30-day months. The principal of the Bonds will be payable in lawful money of the United States of America upon presentation and surrender thereof at the principal corporate trust office of the Registrar. Interest on each Bond will be paid by check or draft of the Registrar payable upon presentation in lawful money of the United States of America to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date.

REGISTRATION AND TRANSFER

The Registrar will maintain books for the registration of ownership and transfer of the Bonds. Subject to the provisions of the Bonds as they relate to book-entry form, any Bond may be transferred upon the surrender thereof at the principal corporate trust office of the Registrar, together with an assignment duly executed by the registered owner or his or her attorney in such form as will be satisfactory to the Registrar. No service charge shall be made for any transfer or exchange of Bonds, but the District or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

The Registrar shall not be required to transfer or exchange any Bond during the period beginning at the close of business on the 15th day of the month next preceding any interest payment date on such Bond and ending at the opening of business on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

REDEMPTION

Optional Redemption. The Series 2013A Bonds due on December 1, 2030, are subject to redemption prior to maturity at the option of the District as a whole or in part in integral multiples of \$5,000 in any order of their maturity as determined by the District (less than all of the Bonds of a single maturity to be selected by the Registrar), on December 1, 2022, and on any date thereafter, at the redemption price of par plus accrued interest to the redemption date. The Series 2013B Bonds are not subject to optional redemption prior to maturity.

Mandatory Sinking Fund Redemption. The Series 2013A Bonds due on December 1 of the years 2022 and 2030 are subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Registrar, at a redemption price of par plus accrued interest to the redemption date, on December 1 of the years and in the principal amounts as follows:

FOR THE SERIES 2013A BONDS DUE DECEMBER 1, 2022

YEAR	PRINCIPAL AMOUNT
2018	\$25,000
2019	30,000
2020	25,000
2021	30,000
2022	35,000 (stated maturity)

FOR THE SERIES 2013A BONDS DUE DECEMBER 1, 2030

YEAR	PRINCIPAL AMOUNT
2023	\$ 30,000
2024	35,000
2025	35,000
2026	35,000
2027	40,000
2028	40,000
2029	385,000
2030	665,000 (stated maturity)

The principal amounts of Series 2013A Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Series 2013A Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the District may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date, the Registrar may, and if directed by the District shall, purchase Series 2013A Bonds required to be retired on such mandatory redemption date. Any such Series 2013A Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

General. The District will, at least 45 days prior to any optional redemption date (unless a shorter time period shall be satisfactory to the Registrar), notify the Registrar of such redemption date and of the principal amount and maturity or maturities of Series 2013A Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Series 2013A Bonds of a single maturity, the particular Series 2013A Bonds or portions of Series 2013A Bonds to be redeemed shall be selected by lot by the Registrar from the Series 2013A Bonds of such maturity by such method of lottery as the Registrar shall deem fair and appropriate (except when the Series 2013A Bonds are held in a book-entry system, in which case the selection of Series 2013A Bonds to be redeemed will be made in accordance with procedures established by DTC or any other book-entry depository); *provided* that such lottery shall provide for the selection for redemption of Series 2013A Bonds or portions thereof in principal amounts of \$5,000 and integral multiples thereof.

Unless waived by any holder of Series 2013A Bonds to be redeemed, notice of the call for any redemption will be given by the Registrar on behalf of the District by mailing the redemption notice by first-class mail at least 30 days and not more than 60 days prior to the date fixed for redemption to each registered owner of the Series 2013A Bonds to be redeemed at the address shown on the Register or at such other address as is furnished in writing by such registered owner to the Registrar.

Unless moneys sufficient to pay the redemption price of the Series 2013A Bonds to be redeemed are received by the Registrar prior to the giving of such notice of redemption, such notice may, at the option of the District, state that said redemption will be conditional upon the receipt of such moneys by the Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice will be of no force and effect, the District will not redeem such Series 2013A Bonds, and the Registrar will give notice, in the same manner in which the notice of redemption has been given, that such moneys were not so received and that such Series 2013A Bonds will not be redeemed. Otherwise, prior to any redemption date, the District will deposit with the Registrar an amount of money sufficient to pay the redemption price of all the Series 2013A Bonds or portions of Series 2013A Bonds which are to be redeemed on that date.

Subject to the provisions for a conditional redemption described above, notice of redemption having been given as described above and in the Bond Resolution, and notwithstanding failure to receive such notice, the Series 2013A Bonds or portions of Series 2013A Bonds so to be redeemed will, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Series 2013A Bonds or portions of Series 2013A Bonds shall cease to bear interest. Upon surrender of such Series 2013A Bonds for redemption in accordance with said notice, such Series 2013A Bonds will be paid by the Registrar at the redemption price.

SECURITY – SERIES 2013A BONDS

The Series 2013A Bonds, in the opinion of Chapman and Cutler LLP, Chicago, Illinois, Bond Counsel ("*Bond Counsel*"), will constitute valid and legally binding obligations of the District, are payable from any funds of the District legally available for such purpose, and all taxable property in the District is subject to the levy of taxes to pay the same without limitation as to rate, except that the rights of the owners of the Series 2013A Bonds and the enforceability of the Series 2013A Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights and by equitable principles, whether considered at law or in equity, including the exercise of judicial discretion. The amount of said taxes that will be extended to pay the Series 2013A Bonds is limited pursuant to the Property Tax Extension Limitation Law of the State of Illinois, as amended (the "*Limitation Law*"),

The Debt Reform Act provides that the Series 2013A Bonds are payable solely from the debt service extension base of the District (the "*Base*"), which is an amount equal to that portion of the extension for the District for the 1994 levy year constituting an extension for payment of

principal of and interest on bonds issued by the District without referendum, but not including alternate bonds issued under Section 15 of the Debt Reform Act or refunding obligations issued to refund or to continue to refund obligations of the District initially issued pursuant to referendum, increased each year, commencing with the 2009 levy year, by the lesser of 5% or the percentage increase in the Consumer Price Index (as defined in the Limitation Law) during the 12-month calendar year preceding the levy year. The Limitation Law further provides that the annual amount of taxes to be extended to pay the Series 2013A Bonds and all other limited bonds heretofore and hereafter issued by the District shall not exceed the Base.

The Series 2013A Bonds constitute one of four series of limited bonds of the District that are payable from the Base. Payments on the Series 2013A Bonds from the Base will be made on a parity with the payments on the District's outstanding Limited Tax School Bonds, Series 2006, General Obligation Limited School Bonds, Series 2011, and General Obligation Limited School Bonds, Series 2012A. The District is authorized to issue from time to time additional limited bonds payable from the Base and to determine the lien priority of payments to be made from the Base to pay the District's limited bonds.

The amount of the Base has been determined to be \$778,919.96, which is calculated as follows:

Original Debt Service Extension Base	\$712,630.00
Levy Year 2009 0.1% CPI Increase	<u>712.63</u>
Debt Service Extension Base Levy Year 2009	\$713,342.63
Levy Year 2010 2.7% CPI Increase	<u>19,260.25</u>
Debt Service Extension Base Levy Year 2010	\$732,602.88
Levy Year 2011 1.5% CPI Increase	<u>10,989.04</u>
Debt Service Extension Base Levy Year 2011	\$743,591.92
Levy Year 2012 3.0% CPI Increase	<u>22,307.75</u>
Debt Service Extension Base Levy Year 2012	\$765,899.67
Levy Year 2013 1.7% CPI Increase	<u>13,020.29</u>
Debt Service Extension Base Levy Year 2013	\$778,919.96

The following chart shows the Base of the District, the debt service payable on the outstanding non-referendum bonds of the District and the Series 2013A Bonds, and the available Base after the issuance of the Series 2013A Bonds.

BOOK-ENTRY ONLY SYSTEM

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of each series of the Bonds, in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers,

banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("*Indirect Participants*"). DTC is rated AA+ by Standard & Poor's Ratings Services ("*S&P*"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission (the "*Commission*"). More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("*Beneficial Owner*") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as

possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detailed information from the District or Registrar, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with bonds held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Registrar, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Registrar, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the District or the Registrar. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC, and the District takes no responsibility for the accuracy thereof.

The District will have no responsibility or obligation to any Securities Depository, any Participants in the Book-Entry System or the Beneficial Owners with respect to (i) the accuracy of any records maintained by the Securities Depository or any Participant; (ii) the payment by the Securities Depository or by any Participant of any amount due to any Beneficial Owner in respect of the principal amount or redemption price of, or interest on, any Bonds; (iii) the delivery of any notice by the Securities Depository or any Participant; (iv) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the Bonds; or (v) any other action taken by the Securities Depository or any Participant.

AUDITED FINANCIAL STATEMENTS

The audited financial statements of the District for the fiscal year ended June 30, 2012, contained in Appendix C (the "Audit"), including the independent auditor's report accompanying the Audit, have been prepared by John Kasperek Co., Inc., Calumet City, Illinois (the "Auditor"), and approved by formal action of the Board. The District has not requested the Auditor to update information contained in the Audit nor has the District requested that the Auditor consent to the use of the Audit in this Official Statement. Other than as expressly set forth in this Official Statement, the financial information contained in the Audit has not been updated since the date of the Audit. The inclusion of the Audit in this Official Statement in and of itself is not intended to demonstrate the fiscal condition of the District since the date of the Audit. Specific questions or inquiries relating to the financial information of the District since the date of the Audit should be directed to Charles DiMartino, Director of Finance, of the District.

A summary of the District's recent financial history is provided in Exhibit A and Exhibit B to this Official Statement. The tables in these Exhibits contain information from the annual audits of the District but do not purport to be the complete audits, copies of which are available upon request from the District. See Appendix C for the District's 2011 fiscal year audit.

WORKING CASH FUND

The District is authorized to issue (subject to the provisions of the Limitation Law) general obligation bonds to create, re-create or increase a Working Cash Fund. Such fund can also be created, re-created or increased by the levy of an annual tax not to exceed \$.05 per hundred dollars of equalized assessed valuation (the "Working Cash Fund Tax"). The purpose of the fund is to enable the District to have sufficient cash to meet demands for expenditures for corporate purposes. Moneys in the Working Cash Fund may be loaned, in whole or in part, as authorized and directed by the Board, to any fund or funds of the District in anticipation of ad valorem property taxes levied by the District for such fund or funds. The Working Cash Fund is reimbursed when the anticipated taxes or other moneys are received by the District.

Any time moneys are available in the Working Cash Fund, they must be transferred to such other funds of the District and used for any and all school purposes so as to avoid, whenever possible, the issuance of tax anticipation warrants or notes. Interest earned from the

investment of the Working Cash Fund may be transferred from the Working Cash Fund to other funds of the District that are most in need of the interest. Moneys in the Working Cash Fund may not be appropriated by the Board in the annual budget.

The District also has the authority to abate amounts in the Working Cash Fund to any other fund of the District if the amount on deposit in such other fund after the abatement will not constitute an excess accumulation of money in that fund and as long as the District maintains an amount to the credit of the Working Cash Fund at least equal to 0.05% of the then current value, as equalized or assessed by the Department of Revenue of the State of Illinois, of the taxable property in the District.

Finally, the District may abolish the Working Cash Fund and direct the transfer of any balance thereof to the educational fund at the close of the then current fiscal year. After such abolishment, all outstanding Working Cash Fund Taxes levied will be paid into the educational fund upon collection. Outstanding loans from the Working Cash Fund to other funds of the District at the time of abolishment will be paid or become payable to the educational fund at the close of the then current fiscal year. The outstanding balance in the Working Cash Fund at the time of abolishment, including all outstanding loans from the Working Cash Fund to other funds of the District and all outstanding Working Cash Fund Taxes levied, may be used and applied by the District for the purpose of reducing, by the balance in the Working Cash Fund at the close of the fiscal year, the amount of taxes that the Board otherwise would be authorized or required to levy for educational purposes for the fiscal year immediately succeeding the fiscal year in which the Working Cash Fund is abolished. See Exhibit A for the District's Working Cash Fund balances for the years ending June 30, 2008-2012.

SCHOOL DISTRICT FINANCIAL PROFILE

As of the date of this Official Statement, the Illinois State Board of Education ("ISBE") utilizes a system for assessing a school district's financial health referred to as the "*School District Financial Profile*" which replaces the Financial Watch List and Financial Assurance and Accountability System (FAAS). This system identifies those school districts which are moving into financial distress.

The system uses five indicators which are individually scored and weighted in order to arrive at a composite district financial profile. The indicators are as follows: fund balance to revenue ratio; expenditures to revenue ratio; days cash on hand; percent of short-term borrowing ability remaining; and percent of long-term debt margin remaining.

Each indicator is calculated and the result is placed into a category of a four, three, two or one, with four being the highest and best category possible. Each indicator is weighted as follows:

Fund balance to revenue ratio	35%
Expenditures to revenue ratio	35%
Days cash on hand	10%
Percent of short-term borrowing ability remaining	10%
Percent of long-term debt margin remaining	10%

The scores of the weighted indicators are totaled to obtain a district's overall score. The highest score is 4.0 and the lowest score is 1.0. A district is then placed in one of four categories as follows:

- *Financial Recognition.* A school district with a score of 3.54-4.00 is assigned to this category, which is the best category of financial strength. These districts require minimal or no active monitoring by ISBE unless requested by the district.
- *Financial Review.* A school district with a score of 3.08-3.53 is assigned to this category, the next highest financial strength category. These districts receive a limited review by ISBE, but are monitored for potential downward trends. ISBE staff also review the next year's school budget for further negative trends.
- *Financial Early Warning.* A school district with a score of 2.62-3.07 is placed in this category. ISBE monitors these districts closely and offers proactive technical assistance, such as financial projections and cash flow analysis. These districts also are reviewed to determine whether they meet the criteria set forth in Article 1A-8 of the School Code to be certified in financial difficulty and possibly qualify for a Financial Oversight Panel.
- *Financial Watch.* A school district with a score of 1.00-2.61 is in this category, the highest risk category. ISBE monitors these districts very closely and offers technical assistance with, but not limited to, financial projections, cash flow analysis, budgeting, personnel inventories and enrollment projections. These districts are also assessed to determine if they qualify for a Financial Oversight Panel.

The District's overall score for fiscal year 2011 (as reported by ISBE in March, 2012) was 3.90 thus placing the District in the Financial Recognition category. The District's overall scores in years 2010 and 2009 were 3.80 and 3.00, respectively.

STATE AID

GENERAL

The State provides aid to local school districts on an annual basis as part of the State's appropriation process. Many school districts throughout the State rely on such "State Aid" as a significant part of their budgets. For the fiscal year ended June 30, 2012, 34.46% of the District's General Fund revenue came from sources at the State, including State Aid. See Exhibit B to this Official Statement for more information concerning the breakdown of the District's revenue sources.

The State provides for four different types of State Aid, each of which is discussed in greater detail below. The four forms of State Aid are: (i) General State Aid, (ii) Supplementary State Aid, (iii) Categorical State Aid, and (iv) Competitive Grant Aid. The percentage of the District's State Aid derived from each of these categories is set forth in Exhibit B.

Various proposals for changing the Illinois system of state financial aid have been considered over the years. The nature of future modifications to the process for distributing State Aid cannot be predicted, but such modifications could have an adverse effect on the finances of the District should they be enacted.

GENERAL STATE AID

General State financial aid ("*General State Aid*") for Illinois school districts is computed beginning with the fiscal year commencing July 1. General State Aid makes up the difference between the available local resources per pupil (the "*Available Local Resources*") and a foundation level (the "*Foundation Level*"). The Foundation Level is a figure established annually by the State's budget representing the minimum level of per pupil financial support that should be available to provide for the basic education of each pupil determined in accordance with the average daily attendance, as such term is defined in the School Code. The following are the Foundation Levels for the most recent five school years:

SCHOOL YEAR	FOUNDATION AMOUNT
2008/2009	\$5,959
2009/2010	6,119
2010/2011	6,119
2011/2012	6,119
2012/2013	6,119

A district's Available Local Resources are determined by multiplying equalized assessed valuation by the calculation tax rate, which is established by statute. Currently, the calculation tax rate is 3.00% for unit districts, 2.30% for elementary districts and 1.05% for high school districts. The product is added to revenue from the corporate personal property replacement tax, and the total is divided by the best three months average daily pupil attendance to arrive at the district's Available Local Resources per pupil. For districts subject to the hereinafter defined

Limitation Law, Available Local Resources may be limited by such districts' extension limitation ratio, calculated in accordance with the School Code.

General State Aid makes up the difference between the Foundation Level and the Available Local Resources multiplied by the Average Daily Attendance (as defined in Section 18-8.05(C) of the School Code) (the "ADA"). The ADA equals the monthly average of the actual number of pupils in attendance of each school district, as further averaged for the best three months of pupil attendance for each school district. The attendance data used to calculate the ADA for the purpose of determining the amount of General State Aid is the greater of the (i) requisite attendance data for the school year immediately preceding the school year for which General State Aid is being calculated or (ii) average of the requisite attendance data for the three preceding school years.

For any district with Available Local Resources of less than 93 percent of the Foundation Level, the entire deficiency in Available Local Resources as compared to the Foundation Level is awarded in General State Aid. Where Available Local Resources represent 93 to 175 percent of the foundation amount, State Aid is reduced on a sliding scale. Where a district has Available Local Resources representing 175 percent or more of the Foundation Level, the district receives a flat \$218 per ADA.

Other factors important in determining a school district's aid include, but are not limited to, the following:

1. any applicable reductions in a district's EAV;
2. the number of special need students in a district;
3. whether or not the district participates in a tax abatement or tax increment allocation program under the Real Property Tax Increment Allocation Redevelopment Act;
4. the amount of money the district receives as a replacement for taxes previously received from the corporate personal property tax;
5. the number of days the schools of the district are operating with students in attendance;
6. whether or not kindergarten students attend for full day or one-half day sessions;
7. whether the schools in the district are recognized by the State Board of Education as meeting state-required standards for recognition; and
8. changes in enrollment.

While the Foundation Level has not been adjusted in recent years, the State budget for General State Aid has been reduced. As such, the State has not been able to fully fund the General State Aid formula. For fiscal year 2012, General State Aid was prorated by approximately 5%, with each district receiving 95% of its calculated entitlement. For fiscal year 2013, total General State Aid was reduced by \$161 million from fiscal year 2012, and the rate of proration increased approximately 11%, with each district receiving 89% of its entitlement.

SUPPLEMENTARY STATE AID

In addition to General State Aid, districts with specified levels or concentrations of pupils from low-income households are eligible to receive supplemental general State aid financial grants ("*Supplemental General State Aid*"). Supplemental General State Aid is distributed to districts pursuant to a statutory formula based upon the number of low-income pupils in the district. The low-income pupil count is determined by the Department of Human Services based on the number of pupils eligible for at least one of a variety of low-income programs as of July 1 of the immediately preceding fiscal year. The amount of Supplemental General State Aid received by a district increases as the ratio of low-income pupils to the ADA increases.

MANDATED CATEGORICAL STATE AID

Illinois school districts are entitled to reimbursement from the State for expenditures incurred in providing programs and services legally required to be available to students under State law. Such reimbursements, referred to as "*Mandated Categorical State Aid*," are made to the school district in the fiscal year following the expenditure, *provided* that the school district files the paperwork necessary to inform the State of such an entitlement. At present, the School Code provides for Mandated Categorical State Aid with respect to mandatory school programs relating to: (i) special education, (ii) transportation, (iii) free and reduced breakfast and lunch, and (iv) orphanage tuition.

Though school districts are entitled to reimbursement for expenditures made under these programs, these reimbursements are subject to the State's appropriation process. In the event that the State does not appropriate an amount sufficient to fully fund the Mandated Categorical State Aid owed to each school district, the total Mandated Categorical State Aid is proportionally reduced such that each school district receives the same percentage of its Mandated Categorical State Aid request with respect to a specific category of such aid as every other school district.

In past years, the State has not fully funded all Mandated Categorical State Aid payments. Therefore, pursuant to the procedures discussed above, proportionate reductions in Mandated Categorical State Aid payments to school districts have occurred. However, because these programs are "mandatory" under the School Code, each school district must provide these programs regardless of whether such school district is reimbursed by the State for the related expenditures. No assurance can be given that the State will make appropriations in the future sufficient to fully fund the Mandatory Categorical State Aid requirements. As such, the District's revenues may be impacted in the future by increases or decreases in the level of funding appropriated by the State for Mandated Categorical State Aid.

Mandated Categorical State Aid payments from the State to the District for the current fiscal year are running less than 30 days behind schedule. Based on prior year expenses for the District, approximately 98% of such payments relate to special education and transportation. For the District's prior fiscal year all Categorical State Aid payments have been received except for approximately \$202,000 related to special education.

COMPETITIVE GRANT STATE AID

The State also provides funds to school districts for expenditures incurred in providing additional programs that are allowed, but not mandated by, the School Code. In contrast to Mandated Categorical State Aid, such "*Competitive Grant State Aid*" is not guaranteed to a school district that provides these programs. Instead, a school district applying for Competitive Grant State Aid must compete with other school districts for the limited amount appropriated by the State for such program.

Competitive Grant State Aid is allocated, after appropriation by the State, among certain school districts selected by the State. The level of funding is determined separately for each category of aid year-to-year based on the State's budget. This process does not guarantee that any funding will be available for Competitive Grant State Aid programs, even if a school district received such funding in a prior year. Therefore, school districts may incur expenditures with respect to certain Competitive Grant State Aid programs without any guarantee that the State will appropriate the money necessary to reimburse such expenditures.

The School Code provides numerous programs that qualify a school district for Competitive Grant State Aid. For fiscal year 2013, the largest Competitive Grant State Aid programs were in Bilingual Education and Early Childhood Education. In fiscal year 2013, Public Act 97-0728 provides a total of \$474.4 million for all programs qualifying a school district for Competitive Grant State Aid.

PAYMENT FOR MANDATED CATEGORICAL STATE AID AND COMPETITIVE GRANT STATE AID

The State makes payments to school districts for Mandated Categorical State Aid and Competitive Grant State Aid (together, "*Categorical State Aid*") in accordance with a voucher system involving the Illinois State Board of Education ("*ISBE*"). ISBE vouchers payments to the State on a periodic basis. The time between vouchers varies depending on the type of Categorical State Aid in question. For example, with respect to the categories of Mandated Categorical State Aid related to special education and transportation, ISBE vouchers the State for payments on a quarterly basis. With respect to Competitive Grant State Aid, a payment schedule is established as part of the application process, and ISBE vouchers the State for payment in accordance with this payment schedule.

Once ISBE has vouchered the State for payment, the State is required to make the Categorical State Aid payments to the school districts. As a general matter, the State is required to make such payments within 90 days after the end of the State's fiscal year. For fiscal years 2010 and 2011, the deadline for such payment was extended to 180 days. The deadline for the State to make Categorical State Aid payments has not been extended for fiscal year 2012.

However, no assurances can be given that an extension for such payment will not be made in the future.

Recently, the State has made certain of its Categorical State Aid payments between four and six months after their due date. This includes payments related to special education and transportation. The State's failure to make such payments may have a detrimental impact on the finances of school districts, including the District, because the revenue anticipated during the budget process may not be available to make necessary expenditures.

See Exhibit B for a summary of the District's general fund revenue sources.

SHORT-TERM BORROWING

The District has not issued tax anticipation warrants or revenue anticipation notes during the last five years to meet its short-term current year cash flow requirements.

FUTURE DEBT

Except for the Bonds, the District does not currently anticipate issuing any debt in 2013.

DEFAULT RECORD

The District has no record of default and has met its debt repayment obligations promptly.

REAL PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION

SUMMARY OF PROPERTY ASSESSMENT, TAX LEVY AND COLLECTION PROCEDURES

A separate tax to pay the principal of and interest on the Bonds will be levied on all taxable real property within the District. The information under this caption describes the current procedures for real property assessments, tax levies and collections in Cook County, Illinois. There can be no assurance that the procedures described herein will not change.

REAL PROPERTY ASSESSMENT

The County Assessor (the "*Assessor*") is responsible for the assessment of all taxable real property within Cook County (the "*County*"), including such property located within the boundaries of the District, except for certain railroad property, pollution control facilities and low sulfur dioxide emission coal-fueled devices, which are assessed directly by the Illinois Department of Revenue (the "*Department of Revenue*"). For triennial reassessment purposes, Cook County is divided into three Districts: west and south suburbs (the "*South Tri*"), north and northwest suburbs (the "*North Tri*"), and the City of Chicago (the "*City Tri*"). The District is located in the South Tri and was reassessed for the 2011 tax levy year.

In response to the downturn of the real estate market, the Assessor reduced the 2009 assessed value on suburban residential properties (specifically, those properties located in the South Tri and the North Tri) not originally scheduled for reassessment in 2009. For tax year 2009, each suburban township received an adjustment percentage for tax year 2009, lowering the existing assessed values of all residential properties in such township within a range of 4% to 15%, beginning with the second-installment tax bills payable in the fall of 2010.

Real property in the County is separated into classes for assessment purposes. After the Assessor establishes the fair market value of a parcel of property, that value is multiplied by the appropriate classification percentage to arrive at the assessed valuation (the "*Assessed Valuation*") for the parcel. Such classification percentages range from 10% for certain residential, commercial and industrial property to 25% for other industrial and commercial property.

Property is classified for assessment into six basic categories, each of which is assessed (beginning with the 2009 tax levy year) at various percentages of fair market value as follows: Class 1 - unimproved real estate (10%); Class 2 - residential (10%); Class 3 - rental-residential (16% in tax year 2009, 13% in tax year 2010, and 10% in tax year 2011 and subsequent years); Class 4 - not-for-profit (25%); Class 5a - commercial (25%); and Class 5b - industrial (25%).

In addition, property may be temporarily classified into one of eight additional assessment classification categories. Upon expiration of such classification, property so classified will revert to one of the basic six assessment classifications described above. The additional assessment classifications are as follows:

CLASS	DESCRIPTION OF QUALIFYING PROPERTY	ASSESSMENT PERCENTAGE	REVERTS TO CLASS
6b	Newly constructed industrial properties or substantially rehabilitated sections of existing industrial properties	10% for first 10 years and any 10 year renewal; if not renewed, 15% in year 11, 20% in year 12	5b
C	Industrial property that has undergone environmental testing and remediation	10% for first 10 years, 15% in year 11, 20% in year 12	5b
	Commercial property that has undergone environmental testing and remediation	10% for first 10 years, 15% in year 11, 20% in year 12	5a
7a/7b	Newly constructed or substantially rehabilitated commercial properties in an area in need of commercial development	10% for first 10 years, 15% in year 11, 20% in year 12	5a
8	Industrial properties in enterprise communities or zones in need of substantial revitalization	10% for first 10 years and any 10-year renewal; if not renewed, 15% in year 11, 20% in year 12	5b
	Commercial properties in enterprise communities or zones in need of substantial revitalization	10% for first 10 years, 15% in year 11, 20% in year 12	5a
9	New or substantially rehabilitated multi-family residential properties in target areas, empowerment or enterprise zones	10% for first 10 years and any 10 year renewal	As Applicable
S	Class 3 properties subject to Section 8 contracts renewed under the "Mark up to Market" option	10% for term of Section 8 contract renewal and any subsequent renewal	3
L	Substantially rehabilitated Class 3, 4 or 5b properties qualifying as "Landmark" or "Contributing" buildings	10% for first 10 years and any 10-year renewal; if not renewed, 15% in year 11, 20% in year 12	3, 4, or 5b
	Substantially rehabilitated Class 5a properties qualifying as "Landmark" or "Contributing" buildings	10% for first 10 years, 15% in year 11, 20% in year 12	5a

The Assessor has established procedures enabling taxpayers to contest their proposed Assessed Valuations. Once the Assessor certifies its final Assessed Valuations, a taxpayer can seek review of its assessment by appealing to the Cook County Board of Review (the "Board of Review"), which consists of three commissioners elected by the voters of the County. The Board of Review has the power to adjust the Assessed Valuations set by the Assessor.

Owners of residential property having six or fewer units are able to appeal decisions of the Board of Review to the Illinois Property Tax Appeal Board (the "PTAB"), a statewide administrative body. The PTAB has the power to determine the Assessed Valuation of real property based on equity and the weight of the evidence. Taxpayers may appeal the decision of PTAB to either the Circuit Court of Cook County (the "Circuit Court") or the Illinois Appellate Court under the Illinois Administrative Review Law.

As an alternative to seeking review of Assessed Valuations by PTAB, taxpayers who have first exhausted their remedies before the Board of Review may file an objection in the Circuit Court. The procedure under this alternative is similar to the judicial review procedure described in the immediately preceding paragraph, however, the standard of proof differs. In addition, in cases where the Assessor agrees that an assessment error has been made after tax bills have been issued, the Assessor can correct any factual error, and thus reduce the amount of taxes due, by issuing a Certificate of Error. Certificates of Error are not issued in cases where the only issue is the opinion of the valuation of the property.

EQUALIZATION

After the Assessor has established the Assessed Valuation for each parcel for a given year, and following any revisions by the Board of Review or PTAB, the Department of Revenue is required by statute to review the Assessed Valuations. The Department of Revenue establishes an equalization factor (the "*Equalization Factor*"), commonly called the "multiplier," for each county to make all valuations uniform among the 102 counties in the State of Illinois (the "*State*"). Under State law, the aggregate of the assessments within each county is equalized at 33-1/3% of the estimated fair cash value of real property located within the county prior to any applicable exemptions. One multiplier is applied to all property in the County, regardless of its assessment category, except for certain farmland property and wind energy assessable property, which are not subject to equalization. The following table sets forth the Equalization Factor for the County for the last ten tax levy years.

TAX LEVY YEAR	EQUALIZATION FACTOR
2002	2.4689
2003	2.4598
2004	2.5757
2005	2.7320
2006	2.7076
2007	2.8439
2008	2.9786
2009	3.3701
2010	3.3000
2011	2.9706

Once the Equalization Factor is established, the Assessed Valuation, as revised by the Board of Review or PTAB, is multiplied by the Equalization Factor to determine the equalized assessed valuation (the "*EAV*") of that parcel. The EAV for each parcel is the final property valuation used for determination of tax liability. The aggregate EAV for all parcels in any taxing body's jurisdiction, plus the valuation of property assessed directly by the Department of Revenue, constitute the total real estate tax base for the taxing body, which is used to calculate tax rates (the "*Assessment Base*").

EXEMPTIONS

The Illinois Property Tax Code, as amended (the "*Property Tax Code*"), exempts certain property from taxation. Certain property is exempt from taxation on the basis of ownership and/or use, including, but not limited to, public parks, not-for-profit schools, public schools, churches, not-for-profit hospitals and public hospitals. In addition, the Property Tax Code provides a variety of homestead exemptions, which are discussed below.

An annual General Homestead Exemption provides that the EAV of certain property owned and used for residential purposes may be reduced by the amount of any increase over the 1977 EAV, up to a maximum reduction of \$6,000 for assessment year 2009 and thereafter.

The Alternative General Homestead Exemption limits EAV increases for homeowners (who also reside on the property as their principal place of residence) to 7% a year, up to a certain maximum dollar amount each year as defined by statute. Any amount of increase that exceeds the maximum exemption as defined is added to the 7% increase and is part of that property's taxable EAV. Homes that do not increase by at least 7% a year are entitled, in the alternative, to the General Homestead Exemption as discussed above.

For properties in the City Tri, the Alternative General Homestead Exemption cannot exceed \$20,000 for assessment year 2009, \$16,000 for assessment year 2010 and \$12,000 for assessment year 2011. For properties in the North Tri, the Alternative General Homestead Exemption cannot exceed \$20,000 for assessment years 2009 and 2010, \$16,000 for assessment year 2011 and \$12,000 for assessment year 2012. For properties in the South Tri, the Alternative General Homestead Exemption cannot exceed \$26,000 for assessment year 2009, \$20,000 for assessment year 2010 and 2011 and \$12,000 for assessment year 2012.

The Long-Time Occupant Homestead Exemption limits the increase in EAV of a taxpayer's homestead property to 10% per year if such taxpayer has owned the property for at least 10 years as of January 1 of the assessment year (or 5 years if purchased with certain government assistance) and has a household income of \$100,000 or less ("*Qualified Homestead Property*"). If the taxpayer's annual income is \$75,000 or less, the EAV of the Qualified Homestead Property may increase by no more than 7% per year. There is no exemption limit for Qualified Homestead Properties.

The Homestead Improvement Exemption applies to residential properties that have been improved and to properties that have been rebuilt in the two years following a catastrophic event, as defined in the Property Tax Code. The exemption is limited to \$75,000 per year, to the extent the Assessed Valuation is attributable solely to such improvements or rebuilding.

Additional exemptions exist for senior citizens. The Senior Citizens Homestead Exemption annually reduces the EAV on residences owned and occupied by senior citizens. The maximum exemption is \$4,000. Beginning in tax year 2010, County taxpayers seeking to claim this exemption must reapply for the exemption on an annual basis.

The Senior Citizens Assessment Freeze Homestead Exemption freezes property tax assessments for homeowners who are 65 and older, reside in their property as their principal place of residence and receive a household income not in excess of \$55,000. This exemption grants to qualifying senior citizens an exemption equal to the difference between (i) the current EAV of the residence and (ii) the EAV of a senior citizen's residence for the year prior to the year in which he or she first qualifies and applies for the exemption, plus the EAV of improvements since such year.

Three exemptions are available to veterans of the United States armed forces. The Disabled Veterans' Exemption exempts up to \$70,000 of the Assessed Valuation of property owned and used exclusively by veterans, their spouses or unmarried surviving spouses. Qualification for this exemption requires the veteran's disability to be of such a nature that the federal government has authorized payment for purchase of specially adapted housing under the U.S. Code as certified to annually by the Illinois Department of Veterans Affairs.

The Disabled Veterans' Standard Homestead Exemption provides an annual homestead exemption of (i) \$5,000 to those veterans with a service-connected disability of 70% (75% for exemptions granted from 2007 to 2009) and (ii) \$2,500 to those veterans with a service-connected disability of less than 70% (75% for exemptions granted from 2007 to 2009), but at least 50%.

The Returning Veterans' Homestead Exemption is available for property owned and occupied as the principal residence of a veteran in the assessment year, or the year following the assessment year, in which the veteran returns from an armed conflict while on active duty in the United States armed forces. This provision grants a one-time homestead exemption of \$5,000.

The Natural Disaster Homestead Exemption (the "*Natural Disaster Exemption*") applies to homestead properties containing a residential structure that has been rebuilt following a natural disaster occurring in taxable year 2012 or any taxable year thereafter. A natural disaster is an occurrence of widespread or severe damage or loss of property resulting from any catastrophic cause including but not limited to fire, flood, earthquake, wind, or storm. The Natural Disaster Exemption is equal to the equalized assessed value of the residence in the first taxable year for which the taxpayer applies for the exemption minus the base amount. To be eligible for the Natural Disaster Exemption, the residential structure must be rebuilt within two years after the date of the natural disaster, and the square footage of the rebuilt residential structure may not be more than 110% of the square footage of the original residential structure as it existed immediately prior to the natural disaster. The Natural Disaster Exemption remains at a constant amount until the taxable year in which the property is sold or transferred.

Finally, the Disabled Persons' Homestead Exemption provides an annual homestead exemption in the amount of \$2,000 for property that is owned and occupied by certain disabled persons who meet State-mandated guidelines.

TAX LEVY

As part of the annual budgetary process of governmental units (the "Units") with power to levy taxes in the County, the designated body for each Unit annually adopts proceedings to levy real estate taxes. The administration and collection of real estate taxes is statutorily assigned to the County Clerk and the County Treasurer. After the Units file their annual tax levies, the County Clerk computes the annual tax rate for each Unit. The County Clerk computes the Unit's maximum allowable levy by multiplying the maximum tax rate for that Unit by the prior year's EAV for all property currently in the District. The prior year's EAV includes the EAV of any new property, the current year value of any annexed property and any recovered tax increment value, minus any disconnected property for the current year under the Limitation Law. The tax rate for a Unit is computed by dividing the lesser of the maximum allowable levy or the actual levy by the current year's EAV.

PROPERTY TAX EXTENSION LIMITATION LAW

The Limitation Law is applied after the prior year EAV limitation. The Limitation Law limits the annual growth in the amount of property taxes to be extended for certain Illinois non-home rule units, including the District. The effect of the Limitation Law is to limit the amount of property taxes that can be extended for a taxing body. In addition, general obligation bonds, notes and installment contracts payable from ad valorem taxes, unlimited as to rate and amount, cannot be issued by the affected taxing bodies unless they are approved by referendum, are alternate bonds or are for certain refunding purposes (such as the Series 2013B Bonds).

The use of prior year EAVs to limit the allowable tax levy may reduce tax rates for funds that are at or near their maximum rates in taxing Districts with rising EAVs. These reduced rates and all other rates for those funds subject to the Limitation Law are added together, which results in the aggregate preliminary rate. The aggregate preliminary rate is then compared to the limiting rate. If the limiting rate is more than the aggregate preliminary rate, there is no further reduction in rates due to the Limitation Law. If the limiting rate is less than the aggregate preliminary rate, the aggregate preliminary rate is further reduced to the limiting rate. In all cases, taxes are extended using current year EAV under Section 18-140 of the Property Tax Code.

The District has the authority to levy taxes for many different purposes. See "Financial Information and Economic Characteristics of the District - School District Tax Rates by Purpose 2007-2011." The ceiling at any particular time on the rate at which these taxes may be extended for the District is either (i) unlimited (as provided by statute), (ii) initially set by statute but permitted to be increased by referendum, (iii) capped by statute, or (iv) limited to the rate approved by referendum. The only ceiling on a particular tax rate is the ceiling set by statute, at which the rate is not permitted to be further increased by referendum or otherwise. Therefore, taxing Districts (such as the District) have flexibility to levy taxes for the purposes for which they most need the money. The total aggregate tax rate for the various purposes subject to the Limitation Law, however, will not be allowed to exceed the District's limiting rate computed in accordance with the provisions of the Limitation Law.

In general, the annual growth permitted under the Limitation Law is the lesser of 5% or the percentage increase in the Consumer Price Index during the calendar year preceding the levy year. Taxes can also be increased due to new construction, referendum approval of tax rate increases, mergers and consolidations. Local governments, including the District, can issue limited bonds (such as the Series 2013A Bonds) in lieu of general obligation bonds that have otherwise been authorized by applicable law. See "THE BONDS—Security-Series 2013A Bonds" herein.

EXTENSIONS

The County Clerk then computes the total tax rate applicable to each parcel of real property by aggregating the tax rates of all of the Units having jurisdiction over the particular parcel. The County Clerk extends the tax by entering the tax (determined by multiplying the total tax rate by the EAV of that parcel for the current assessment year) in the books prepared for the County Collector (the "*Warrant Books*") along with the tax rates, the Assessed Valuation and the EAV. The Warrant Books are the County Collector's authority for the collection of taxes and are used by the County Collector as the basis for issuing tax bills to all property owners.

COLLECTIONS

Property taxes are collected by the County Collector, who also serves as the County Treasurer, who remits to each Unit its share of the collections. Taxes levied in one year become payable during the following year in two installments, the first due on March 1 and the second on the later of August 1 or 30 days after the mailing of the tax bills. A payment due is deemed to be paid on time if the payment is postmarked on the due date. Beginning with the first installment payable in 2010, the first installment is equal to 55% of the prior year's tax bill. However, if a Certificate of Error is approved by a court or certified on or before November 30 of the preceding year and before the estimated tax bills are prepared, then the first installment is instead based on the certain percentage of the *corrected* prior year's tax bill. The second installment covers the balance of the current year's tax bill, and is based on the then current tax year levy, Assessed Valuation and Equalization Factor, and reflects any changes from the prior year in those factors. The first installment penalty date has been the first business day in March for each of the last ten years. However, for 2010, the first installment penalty date was established as April 1 by statute. The following table sets forth the second installment penalty date for the last ten tax levy years in the County.

TAX LEVY YEAR	SECOND INSTALLMENT PENALTY DATE
2002	October 1, 2003
2003	November 15, 2004
2004	November 1, 2005
2005	September 1, 2006
2006	December 3, 2007
2007	November 3, 2008
2008	December 1, 2009
2009	December 14, 2010
2010	November 1, 2011
2011	August 1, 2012

It is possible that the changes to the assessment appeals process described above will cause delays similar to those experienced in past years in preparation and mailing of the second installment in future years. In the future, the County may provide for tax bills to be payable in four installments instead of two.

During the periods of peak collections, tax receipts are forwarded to each Unit on a weekly basis. Upon receipt of taxes from the County Collector, the District promptly credits the taxes received to the funds for which they were levied.

Within 90 days following the second installment due date, the County Collector presents the Warrant Books to the Circuit Court and applies for a judgment for all unpaid taxes. The court orders resulting from the application for judgment provides for an Annual Tax Sale (the "Annual Tax Sale") of unpaid taxes shown on that year's Warrant Books. A public sale is held, at which time successful tax buyers pay the unpaid taxes plus penalties. In each such public sale, the collector can use any "automated means." Unpaid taxes accrue penalties at the rate of 1.5% per month from their due date until the date of sale. Taxpayers can redeem their property by paying the amount paid at the sale, plus a maximum of 12% for each six-month period after the sale. If no redemption is made within the applicable redemption period (ranging from six months to two and a half years depending on the type and occupancy of the property) and the tax buyer files a petition in the Circuit Court, notifying the necessary parties in accordance with the applicable law, the tax buyer receives a deed to the property. In addition, there are miscellaneous statutory provisions for foreclosure of tax liens.

If there is no sale of the tax lien on a parcel of property at the Annual Tax Sale, the taxes are forfeited and the property becomes eligible to be purchased at any time thereafter at an amount equal to all delinquent taxes and interest accrued to the date of purchase. Redemption periods and procedures are the same as applicable to the Annual Tax Sale.

The Scavenger Sale (the "Scavenger Sale"), like the Annual Tax Sale, is a sale of unpaid taxes. The Scavenger Sale is held every two years on all property on which two or more years' taxes are delinquent. The sale price of the unpaid taxes is the amount bid at such sale, which

may be less than the amount of delinquent taxes. Redemption periods vary from six months to two and a half years depending upon the type and occupancy of the property.

TRUTH IN TAXATION LAW

Legislation known as the Truth in Taxation Law (the "*Law*") limits the aggregate amount of certain taxes which can be levied by, and extended for, a taxing District to 105% of the amount of taxes extended in the preceding year unless specified notice, hearing and certification requirements are met by the taxing body. The express purpose of the Law is to require published disclosure of, and hearing upon, an intention to adopt a levy in excess of the specified levels.

BOND RATING

S&P has assigned the Bonds a rating of "AA-" (Stable Outlook). This rating reflects only the views of such organization and any explanation of the significance of such rating may only be obtained from the rating agency. Certain information concerning the Bonds and the District not included in this Official Statement was furnished to S&P by the District. There is no assurance that the rating will be maintained for any given period of time or that it may not be changed by S&P if, in such rating agency's judgment, circumstances so warrant. Any downward change in or withdrawal of the rating may have an adverse effect on the market price of the Bonds.

Except as may be required by the Undertaking described below under the heading "CONTINUING DISCLOSURE," neither the District nor the Underwriter undertakes responsibility to bring to the attention of the owners of the Bonds any proposed change in or withdrawal of the rating or to oppose any such revision or withdrawal.

TAX EXEMPTION

Federal tax law contains a number of requirements and restrictions which apply to the Bonds, including investment restrictions, periodic payments of arbitrage profits to the United States, requirements regarding the proper use of bond proceeds and the facilities financed therewith, and certain other matters. The District has covenanted to comply with all requirements that must be satisfied in order for the interest on the Bonds to be excludable from gross income for federal income tax purposes. Failure to comply with certain of such covenants could cause interest on the Bonds to become includible in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds.

Subject to the District's compliance with the above-referenced covenants, under present law, in the opinion of Bond Counsel, interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes and is not included as an item of tax preference in computing the federal alternative minimum tax for individuals and corporations, but interest on the Bonds is taken into account, however, in computing an adjustment used in determining the federal alternative minimum tax for certain corporations.

In rendering its opinions, Bond Counsel will rely upon certifications of the District with respect to certain material facts within the District's knowledge. Bond Counsel's opinions represent its legal judgment based upon its review of the law and the facts that it deems relevant to render such opinions and is not a guarantee of a result.

The Internal Revenue Code of 1986, as amended (the "*Code*"), includes provisions for an alternative minimum tax ("*AMT*") for corporations in addition to the corporate regular tax in certain cases. The AMT, if any, depends upon the corporation's alternative minimum taxable income ("*AMTI*"), which is the corporation's taxable income with certain adjustments. One of the adjustment items used in computing the AMTI of a corporation (with certain exceptions) is an amount equal to 75% of the excess of such corporation's "adjusted current earnings" over an amount equal to its AMTI (before such adjustment item and the alternative tax net operating loss deduction). "Adjusted current earnings" would include certain tax-exempt interest, including interest on the Bonds.

Ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, corporations subject to the branch profits tax, financial institutions, certain insurance companies, certain S corporations, individual recipients of Social Security or Railroad Retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax-exempt obligations. Prospective purchasers of the Bonds should consult their tax advisors as to applicability of any such collateral consequences.

The issue price (the "*Issue Price*") for each maturity of the Bonds is the price at which a substantial amount of such maturity of the Bonds is first sold to the public. The Issue Price of a maturity of the Bonds may be different from the price set forth, or the price corresponding to the yield set forth, on the inside cover page hereof.

If the Issue Price of a maturity of the Bonds is less than the principal amount payable at maturity, the difference between the Issue Price of each such maturity, if any, of the Bonds (the "*OID Bonds*") and the principal amount payable at maturity is original issue discount.

For an investor who purchases an *OID Bond* in the initial public offering at the Issue Price for such maturity and who holds such *OID Bond* to its stated maturity, subject to the condition that the District complies with the covenants discussed above, (a) the full amount of original issue discount with respect to such *OID Bond* constitutes interest which is excludable from the gross income of the owner thereof for federal income tax purposes; (b) such owner will not realize taxable capital gain or market discount upon payment of such *OID Bond* at its stated maturity; (c) such original issue discount is not included as an item of tax preference in computing the alternative minimum tax for individuals and corporations under the Code, but is taken into account in computing an adjustment used in determining the alternative minimum tax for certain corporations under the Code, as described above; and (d) the accretion of original issue discount in each year may result in an alternative minimum tax liability for corporations or certain other collateral federal income tax consequences in each year even though a corresponding cash payment may not be received until a later year. Based upon the stated position of the Illinois Department of Revenue under Illinois income tax law, accreted original

issue discount on such OID Bonds is subject to taxation as it accretes, even though there may not be a corresponding cash payment until a later year. Owners of OID Bonds should consult their own tax advisors with respect to the state and local tax consequences of original issue discount on such OID Bonds.

Owners of Bonds who dispose of Bonds prior to the stated maturity (whether by sale, redemption or otherwise), purchase Bonds in the initial public offering, but at a price different from the Issue Price or purchase Bonds subsequent to the initial public offering should consult their own tax advisors.

If a Bond is purchased at any time for a price that is less than the Bond's stated redemption price at maturity or, in the case of an OID Bond, its Issue Price plus accreted original issue discount (the "*Revised Issue Price*"), the purchaser will be treated as having purchased a Bond with market discount subject to the market discount rules of the Code (unless a statutory *de minimis* rule applies). Accrued market discount is treated as taxable ordinary income and is recognized when a Bond is disposed of (to the extent such accrued discount does not exceed gain realized) or, at the purchaser's election, as it accrues. Such treatment would apply to any purchaser who purchases an OID Bond for a price that is less than its Revised Issue Price. The applicability of the market discount rules may adversely affect the liquidity or secondary market price of such Bond. Purchasers should consult their own tax advisors regarding the potential implications of market discount with respect to the Bonds.

An investor may purchase a Bond at a price in excess of its stated principal amount. Such excess is characterized for federal income tax purposes as "bond premium" and must be amortized by an investor on a constant yield basis over the remaining term of the Bond in a manner that takes into account potential call dates and call prices. An investor cannot deduct amortized bond premium relating to a tax-exempt bond. The amortized bond premium is treated as a reduction in the tax-exempt interest received. As bond premium is amortized, it reduces the investor's basis in the Bond. Investors who purchase a Bond at a premium should consult their own tax advisors regarding the amortization of bond premium and its effect on the Bond's basis for purposes of computing gain or loss in connection with the sale, exchange, redemption or early retirement of the Bond.

There are or may be pending in the Congress of the United States legislative proposals, including some that carry retroactive effective dates, that, if enacted, could alter or amend the federal tax matters referred to above or affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, it would apply to bonds issued prior to enactment. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal tax legislation. Bond Counsel expresses no opinion regarding any pending or proposed federal tax legislation.

The Internal Revenue Service (the "*Service*") has an ongoing program of auditing tax-exempt obligations to determine whether, in the view of the Service, interest on such tax-exempt obligations is includible in the gross income of the owners thereof for federal income tax purposes. It cannot be predicted whether or not the Service will commence an audit of the Bonds. If an audit is commenced, under current procedures the Service may treat the District as

a taxpayer and the Bondholders may have no right to participate in such procedure. The commencement of an audit could adversely affect the market value and liquidity of the Bonds until the audit is concluded, regardless of the ultimate outcome.

Payments of interest on, and proceeds of the sale, redemption or maturity of, tax-exempt obligations, including the Bonds, are in certain cases required to be reported to the Service. Additionally, backup withholding may apply to any such payments to any Bond owner who fails to provide an accurate Form W-9 Request for Taxpayer Identification Number and Certification, or a substantially identical form, or to any Bond owner who is notified by the Service of a failure to report any interest or dividends required to be shown on federal income tax returns. The reporting and backup withholding requirements do not affect the excludability of such interest from gross income for federal tax purposes.

Interest on the Bonds is not exempt from present State of Illinois income taxes. Ownership of the Bonds may result in other state and local tax consequences to certain taxpayers. Bond Counsel expresses no opinion regarding any such collateral consequences arising with respect to the Bonds. Prospective purchasers of the Bonds should consult their tax advisors regarding the applicability of any such state and local taxes.

QUALIFIED TAX-EXEMPT OBLIGATIONS

Subject to the District's compliance with certain covenants, in the opinion of Bond Counsel, the Bonds are "qualified tax-exempt obligations" under the small issuer exception provided under Section 265(b)(3) of the Code, which affords banks and certain other financial institutions more favorable treatment of their deduction for interest expense than would otherwise be allowed under Section 265(b)(2) of the Code.

RETIREMENT PLANS

TEACHERS' RETIREMENT SYSTEM OF THE STATE OF ILLINOIS

The District participates in the Teachers' Retirement System of the State of Illinois ("TRS"). TRS is a cost-sharing multiple-employer defined benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers outside the City of Chicago.

The Illinois Pension Code sets the benefit provisions of TRS, which can only be amended by the Illinois General Assembly. The State of Illinois maintains primary responsibility for the funding of the plan, but contributions from participating employers and members are also required. The TRS Board of Trustees is responsible for the System's administration.

TRS issues a publicly available comprehensive annual financial report that includes financial statements and required supplementary information. The report may be viewed at TRS's website as follows: <http://trs.illinois.gov/subsections/pubs/publications.htm>.

See Note 11 to the Audit for the fiscal year ended June 30, 2012, attached hereto as Appendix A, for a more complete discussion.

Employer Funding of Teachers' Retirement System

Under the Illinois Pension Code, teachers' employers (such as the District) are required to contribute 0.58% of each teacher's salary to TRS. According to TRS, school districts in fiscal year 2011 contributed a combined \$155 million to TRS while the State contributed \$2.4 billion. TRS also estimates that if school districts would have been required to contribute normal costs for fiscal year 2011, the total contributions made by school districts would have totaled \$800 million. In general, normal costs consist of the portion of the present value of retirement benefits that are allocable to active employee members' current year of service.

In an attempt to remedy severe under-funding of the State's retirement systems, on April 20, 2012, Governor Quinn proposed changes to the manner of funding of such retirement systems, including TRS, with the goal of reaching full funding by 2042. One proposed change would require school districts, including the District, to contribute the full amount of the normal costs of their employees' TRS pensions (the "*Cost Shifting Proposal*"). The Cost Shifting Proposal, as offered by the Governor, would phase in such contributions over the course of several years.

Discussions and deliberations on the complex topic of pension reform remain fluid. The General Assembly did not consider any legislation containing the Cost Shifting Proposal during the Spring Session of the 2012 General Assembly.

The District cannot predict whether, or in what form, the Cost Shifting Proposal may be enacted into law. It is also possible that the General Assembly may put forward its own proposals for pension reforms that are at least somewhat different in substance from that submitted by the Governor. Furthermore, it is possible that any pension reform legislation that is ultimately passed by the General Assembly and signed into law by the Governor would face court challenges.

If the Cost Shifting Proposal were to become law, it may have a material adverse effect on the finances of District. How local school districts, including the District, would pay for such shift of contributions cannot be determined at the current time. Property taxes to pay pension costs are capped by the Limitation Law. If such pension expenditures are not exempted from the Limitation Law, school districts (such as the District) would have to pay such additional contributions from current revenues or reserves.

ILLINOIS MUNICIPAL RETIREMENT FUND

The District also participates in another defined benefit pension plan, the Illinois Municipal Retirement Fund ("*IMRF*"). IMRF is an agent multiple employer pension plan that acts as a common investment and administrative agent for local governments and school districts in Illinois. The Illinois Pension Code sets the benefit provisions of IMRF, which can only be amended by the Illinois General Assembly.

IMRF issues a publicly available financial report that includes financial statements and required supplementary information. That report may be viewed at IMRF's website as follows: http://www.imrf.org/pubs/annual_reports/annual_rpts.htm.

See Note 11 to the Audit for the fiscal year ended June 30, 2012, attached hereto as Appendix A, for a more complete discussion.

CONTINUING DISCLOSURE

The District will enter into a Continuing Disclosure Undertaking (the "*Undertaking*") for the benefit of the beneficial owners of the Bonds to send certain information annually and to provide notice of certain events to the Municipal Securities Rulemaking Board (the "*MSRB*") pursuant to the requirements of Section (b)(5) of Rule 15c2-12 (the "*Rule*") adopted by the Commission under the Exchange Act. No person, other than the District, has undertaken, or is otherwise expected, to provide continuing disclosure with respect to the Bonds. The information to be provided on an annual basis, the events which will be noticed on an occurrence basis and a statement of other terms of the Undertaking, including termination, amendment and remedies, are set forth below in "APPENDIX B—Form of Continuing Disclosure Undertaking."

The District did not file annual financial information or audited financial statements within the times prescribed by previous continuing disclosure undertakings for its fiscal years ending June 30, 2009, and June 30, 2010. The District filed such information with the MSRB on April 19, 2011, together with a material event failure to file notice. The District has been in compliance of its undertakings since such date. An outside vender, Chapman and Cutler LLP, has filed the District's undertaking for the fiscal year ended June 30, 2012. The District is considering various options to assure compliance in the future, including retaining third party professionals to assist with such filings, and will have finalized their procedures prior to the fiscal year 2013 filing.

A failure by the District to comply with the Undertaking will not constitute a default under the Bond Resolution and beneficial owners of the Bonds are limited to the remedies described in the Undertaking. See "APPENDIX B—Proposed Form of Continuing Disclosure Undertaking." The District must report any failure to comply with the Undertaking in accordance with the Rule. Any broker, dealer or municipal securities dealer must consider such report before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price.

Bond Counsel expresses no opinion as to whether the Undertaking complies with the requirements of Section (b)(5) of the Rule.

CERTAIN LEGAL MATTERS

Certain legal matters incident to the authorization, issuance and sale of the Bonds are subject to the approving legal opinion of Bond Counsel who has been retained by, and acts as,

Bond Counsel to the District. Bond Counsel has not been retained or consulted on disclosure matters and has not undertaken to review or verify the accuracy, completeness or sufficiency of this Official Statement or other offering material relating to the Bonds and assumes no responsibility for the statements or information contained in or incorporated by reference in this Official Statement, except that in its capacity as Bond Counsel, Chapman and Cutler LLP has, at the request and for the benefit of the District, reviewed only those sections of the Official Statement involving the description of the Bonds, the security for the Bonds (excluding forecasts, projections, estimates or any other financial or economic information in connection therewith), the description of the federal tax exemption of interest on the Bonds and the "bank-qualified" status of the Bonds. This review was undertaken solely at the request of the District and did not include any obligation to establish or confirm factual matters set forth herein. Chapman and Cutler LLP, Chicago, Illinois will also serve as Disclosure Counsel to the District.

NO LITIGATION

No litigation is now pending or threatened restraining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds or any proceedings of the District taken with respect to the issuance or sale thereof. A certificate to this effect will be delivered by the District with the other customary closing papers when the Bonds are delivered.

UNDERWRITING

Pursuant to the terms of a Bond Purchase Agreement (the "*Agreement*") between the District and BMO Capital Markets GKST Inc., Chicago, Illinois (the "*Underwriter*"), the Underwriter has agreed to purchase the Bonds at an aggregate purchase price of \$7,441,679.60 (consisting of the original principal amount of the Bonds of \$7,085,000.00, plus original issue premium of \$411,375.95 and less an Underwriter's discount of \$54,696.35). The Underwriter intends to reoffer the Bonds at an average price of 105.806294% of the principal amount of the Bonds.

The Agreement provides that the obligation of the Underwriter is subject to certain conditions precedent and that the Underwriter will be obligated to purchase all of the Bonds if any of the Bonds are purchased. The Bonds may be offered and sold to certain dealers (including dealers depositing such Bonds into investment trusts, accounts or funds) and others at prices lower than the initial public offering price. After the initial public offering, the public offering price of the Bonds may be changed from time to time by the Underwriter.

BMO Capital Markets is the trade name for certain capital markets and investment banking services of Bank of Montreal and its subsidiaries. BMO Capital Markets is a direct, wholly-owned subsidiary of BMO Financial Corp., which is itself a wholly-owned subsidiary of Bank of Montreal.

AUTHORIZATION

This Official Statement has been approved by the District for distribution to prospective purchasers of the Bonds. The Board, acting through authorized officers, will provide to the Underwriter at the time of delivery of the Bonds, a certificate confirming that, to the best of its knowledge and belief, the Official Statement with respect to the Bonds, together with any supplements thereto, at the time of the adoption of the Bond Resolution, and at the time of delivery of the Bonds, was true and correct in all material respects and did not at any time contain an untrue statement of a material fact or omit to state a material fact required to be stated where necessary to make the statements therein in light of the circumstances under which they were made, not misleading.

APPENDIX A-1

PROPOSED FORM OF OPINION OF BOND COUNSEL - SERIES 2013A BONDS

[LETTERHEAD OF CHAPMAN AND CUTLER LLP]

[TO BE DATED CLOSING DATE]

We hereby certify that we have examined certified copy of the proceedings (the "*Proceedings*") of the Board of Education of Township High School District Number 215, Cook County, Illinois (the "*District*"), passed preliminary to the issue by the District of its fully registered General Obligation Limited School Bonds, Series 2013A (the "*Bonds*"), to the amount of \$1,515,000, dated February 14, 2013, due on December 1 of the years and in the amounts and bearing interest as follows:

2014	\$ 25,000	2.00%
2015	25,000	2.00%
2016	30,000	2.00%
2017	25,000	2.00%
2022	145,000	3.00%
2030	1,265,000	4.00%

the Bonds due on December 1, 2022, being subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date, on December 1 of the years and in the principal amounts as follows:

YEAR	PRINCIPAL AMOUNT
2018	\$25,000
2019	30,000
2020	25,000
2021	30,000

the Bonds due on December 1, 2030, being subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date, on December 1 of the years and in the principal amounts as follows:

YEAR	PRINCIPAL AMOUNT
2023	\$ 30,000
2024	35,000
2025	35,000
2026	35,000
2027	40,000
2028	40,000
2029	385,000

and the Bonds due on or after December 1, 2030, being subject to redemption prior to maturity at the option of the District as a whole or in part in any order of their maturity as determined by the District (less than all of the Bonds of a single maturity to be selected by the Bond Registrar), on December 1, 2022, or on any date thereafter, at the redemption price of par plus accrued interest to the redemption date, as provided in the Proceedings, and we are of the opinion that the Proceedings show lawful authority for said issue under the laws of the State of Illinois now in force.

We further certify that we have examined the form of bond prescribed for said issue and find the same in due form of law, and in our opinion said issue, to the amount named, is valid and legally binding upon the District and is payable from any funds of the District legally available for such purpose, and all taxable property in the District is subject to the levy of taxes to pay the same without limitation as to rate, except that the rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights and by equitable principles, whether considered at law or in equity, including the exercise of judicial discretion. The amount of said taxes that may be extended to pay the Bonds is limited as provided by the Property Tax Extension Limitation Law of the State of Illinois, as amended (the "*Law*"). The Law provides that the annual amount of said taxes to be extended to pay the Bonds and all other limited bonds (as defined in the Local Government Debt Reform Act of the State of Illinois, as amended) heretofore and hereafter issued by the District shall not exceed the debt service extension base (as defined in the Law) of the District, as more fully described in the Proceedings.

It is our opinion that, subject to the District's compliance with certain covenants, under present law, interest on the Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not included as an item of tax preference in computing the alternative minimum tax for individuals and corporations under the Internal Revenue Code of 1986, as amended (the "*Code*"), but is taken into account in computing an adjustment used in determining the federal alternative minimum tax for certain corporations. Failure to comply with certain of such District covenants could cause interest on the Bonds to be includable in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds.

Ownership of the Bonds may result in other federal tax consequences to certain taxpayers, and we express no opinion regarding any such collateral consequences arising with respect to the Bonds.

It is also our opinion that the Bonds are “qualified tax-exempt obligations” pursuant to Section 265(b)(3) of the Code.

We express no opinion herein as to the accuracy, adequacy or completeness of any information furnished to any person in connection with any offer or sale of the Bonds.

In rendering this opinion, we have relied upon certifications of the District with respect to certain material facts within the District’s knowledge. Our opinion represents our legal judgment based upon our review of the law and the facts that we deem relevant to render such opinion and is not a guarantee of a result. This opinion is given as of the date hereof and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

If any part of the Annual Financial Information can no longer be generated because the operations to which it is related have been materially changed or discontinued, the District will disseminate a statement to such effect as part of its Annual Financial Information for the year in which such event first occurs.

If any amendment or waiver is made to this Agreement, the Annual Financial Information for the year in which such amendment or waiver is made (or in any notice or supplement provided to EMMA) shall contain a narrative description of the reasons for such amendment or waiver and its impact on the type of information being provided.

5. REPORTABLE EVENTS DISCLOSURE. Subject to Section 8 of this Agreement, the District hereby covenants that it will disseminate in a timely manner (not in excess of ten business days after the occurrence of the Reportable Event) Reportable Events Disclosure to EMMA in such manner and format and accompanied by identifying information as is prescribed by the MSRB or the Commission at the time of delivery of such information. MSRB Rule G-32 requires all EMMA filings to be in word-searchable PDF format. This requirement extends to all documents to be filed with EMMA, including financial statements and other externally prepared reports. Notwithstanding the foregoing, notice of optional or unscheduled redemption of any Bonds or defeasance of any Bonds need not be given under this Agreement any earlier than the

notice (if any) of such redemption or defeasance is given to the Bondholders pursuant to the Resolution.

6. CONSEQUENCES OF FAILURE OF THE DISTRICT TO PROVIDE INFORMATION. The District shall give notice in a timely manner to EMMA of any failure to provide Annual Financial Information Disclosure when the same is due hereunder.

In the event of a failure of the District to comply with any provision of this Agreement, the beneficial owner of any Bond may seek mandamus or specific performance by court order, to cause the District to comply with its obligations under this Agreement. A default under this Agreement shall not be deemed a default under the Resolution, and the sole remedy under this Agreement in the event of any failure of the District to comply with this Agreement shall be an action to compel performance.

7. AMENDMENTS; WAIVER. Notwithstanding any other provision of this Agreement, the District by resolution authorizing such amendment or waiver, may amend this Agreement, and any provision of this Agreement may be waived, if:

(a) (i) The amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, including without limitation, pursuant to a "no-action" letter issued by the Commission, a change in law, or a change in the identity, nature, or status of the District, or type of business conducted; or

(ii) This Agreement, as amended, or the provision, as waived, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(b) The amendment or waiver does not materially impair the interests of the beneficial owners of the Bonds, as determined by parties unaffiliated with the District (such as Bond Counsel).

In the event that the Commission or the MSRB or other regulatory authority shall approve or require Annual Financial Information Disclosure or Reportable Events Disclosure to be made to a central post office, governmental agency or similar entity other than EMMA or in lieu of EMMA, the District shall, if required, make such dissemination to such central post office, governmental agency or similar entity without the necessity of amending this Agreement.

8. TERMINATION OF UNDERTAKING. The Undertaking of the District shall be terminated hereunder if the District shall no longer have any legal liability for any obligation on or relating to repayment of the Bonds under the Resolution. The District shall give notice to EMMA in a timely manner if this Section is applicable.

9. DISSEMINATION AGENT. The District may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Agreement, and may

discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent.

10. **ADDITIONAL INFORMATION.** Nothing in this Agreement shall be deemed to prevent the District from disseminating any other information, using the means of dissemination set forth in this Agreement or any other means of communication, or including any other information in any Annual Financial Information Disclosure or notice of occurrence of a Reportable Event, in addition to that which is required by this Agreement. If the District chooses to include any information from any document or notice of occurrence of a Reportable Event in addition to that which is specifically required by this Agreement, the District shall have no obligation under this Agreement to update such information or include it in any future disclosure or notice of occurrence of a Reportable Event.

11. **BENEFICIARIES.** This Agreement has been executed in order to assist the Participating Underwriters in complying with the Rule; however, this Agreement shall inure solely to the benefit of the District, the Dissemination Agent, if any, and the beneficial owners of the Bonds, and shall create no rights in any other person or entity.

12. **RECORDKEEPING.** The District shall maintain records of all Annual Financial Information Disclosure and Reportable Events Disclosure, including the content of such disclosure, the names of the entities with whom such disclosure was filed and the date of filing such disclosure.

13. **ASSIGNMENT.** The District shall not transfer its obligations under the Resolution unless the transferee agrees to assume all obligations of the District under this Agreement or to execute an Undertaking under the Rule.

14. **GOVERNING LAW.** This Agreement shall be governed by the laws of the State.

INDEPENDENT AUDITOR'S REPORT

Board of Education
Thornton Fractional Township High School District No. 215
Calumet City, Illinois

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Thornton Fractional Township High School District No. 215, as of and for the year ended June 30, 2012, which collectively comprise the School District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of Thornton Fractional Township High School District No. 215's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of Thornton Fractional Township High School District No. 215, as of June 30, 2012, and the respective changes in financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated October 16, 2012 on our consideration of Thornton Fractional Township High School District No. 215's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The Summary of Funding Progress relative to the Illinois Municipal Retirement Fund and the Post Retirement Medical Plan are not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted primarily of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit or express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Thornton Fractional Township High School District No. 215's basic financial statements. The accompanying budgetary comparison schedules listed as Required Supplementary Information in the table of contents are supplementary information required by the Governmental Accounting Standards Board and the accompanying "Other Supplementary Information" listed in the table of contents are presented for purposes of additional analysis. Such information is not a required part of the basic financial statements of Thornton Fractional Township High School District No. 215; however, it has been subjected to the auditing procedures applied in the audit of the basic financial statements referred to above and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The Governmental Accounting Standards Board has determined that a management's discussion and analysis is necessary to supplement, although not required to be part of, the basic financial statements. Thornton Fractional Township High School District No. 215 has not presented this supplementary information.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

Board of Education
Thornton Fractional Township High School District No. 215
Calumet City, Illinois

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Thornton Fractional Township High School District No. 215, as of and for the year ended June 30, 2012, which collectively comprise Thornton Fractional Township High School District No. 215's basic financial statements and have issued our report thereon dated October 16, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of Thornton Fractional Township High School District No. 215 is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Thornton Fractional Township High School District No. 215's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Thornton Fractional Township High School District No. 215's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Thornton Fractional Township High School District No. 215's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings and questioned costs as item 2012-1 to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Thornton Fractional Township High School District No. 215's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as items 2012-2, 2012-3, and 2012-4.

We noted certain matters that we reported to management of Thornton Fractional Township High School District No. 215 in a separate letter dated October 16, 2012.

Thornton Fractional Township High School District No. 215's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit Thornton Fractional Township High School District No. 215's response and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of management, the Board of Education, others within the entity, the Illinois State Board of Education, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN
FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
YEAR ENDED JUNE 30, 2012

Net change in fund balances - total governmental funds (page 9) \$ (1,233,884)

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. A difference results by the amount by which depreciation expense differs from capital outlay in the period:

Capital outlay reported in governmental fund statements	5,845,627	
Depreciation expense reported in the statement of activities	<u>(2,449,360)</u>	
Net adjustment		3,396,267

Bond proceeds are reported as financing sources in governmental funds and thus contribute to the change in fund balance. In the statement of net assets, however, issuing debt increases long-term liabilities and does not affect the statement of activities. Similarly, repayment of principal on long-term debt is an expenditure in the government funds but reduces the liability in the statement of net assets.

Repayments of debt		
Capital lease	127,877	
General obligation debt	<u>1,840,000</u>	
Total adjustment		1,967,877

Under the modified accrual basis of accounting used in the governmental funds, revenues are not recognized for transactions that do not meet the available criterion for recognition in the current period. In the statement of activities, however, which is presented on the accrual basis, revenues are reported regardless of when they are collected. This adjustment combines the net change of the following revenues:

Restricted state aid	<u>12,973</u>	
Total adjustment		12,973

Under the modified accrual basis of accounting used in the governmental funds, expenditures are not recognized for transactions that are not normally paid with expendable available resources. In the statement of activities, however, which is presented on the accrual basis, expenses and liabilities are reported regardless of when financial resources are available. In addition, interest on long-term debt is not recognized under the modified accrual basis of accounting until due, rather than as it accrues. This adjustment combines the net change of the following balances:

Accrued compensated absences	(36,937)	
Accrued interest on long-term liabilities	<u>10,188</u>	
Combined adjustment		<u>(26,749)</u>

Change in net assets of governmental activities (page 6) \$ 4,116,484

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. THE FINANCIAL REPORTING ENTITY

Thornton Fractional Township High School District No. 215 (the "District") is located in Southern Cook County, Illinois. The District is responsible for educating students in ninth through twelfth grades who reside within the geographical boundaries of the Village of Burnham, City of Calumet City, Village of Lansing, and Village of Lynwood.

The District is a primary government. It was organized as a legal township high school district on April 12, 1926 and is governed by a Board of Education composed of seven elected members. These financial statements present Thornton Fractional Township High School District No. 215, a legally separate and fiscally independent government.

Component units are legally separate entities for which the District (primary government) is financially accountable, or for which the exclusion of the component unit would render the financial statements of the primary government misleading. The criteria used to determine if the primary government is financially accountable for a component unit includes whether or not the primary government appoints the voting majority of the potential component unit's governing body, is able to impose its will on the potential component unit, is in a relationship of financial benefit or burden with the potential component unit, or is fiscally depended upon by the potential component unit. Based on these criteria, there are no legally separate organizations for which the elected officials of the District are financially accountable that would be considered to be a component unit of the District's financial reporting entity.

B. BASIS OF PRESENTATION

District-wide Financial Statements: The statement of net assets and the statement of activities display information about the primary government. These statements include the financial activities of the overall government, except for fiduciary activities. Eliminations have been made to minimize the double-counting of internal activities. These statements present governmental activities of the District. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange transactions.

The statement of activities presents a comparison between direct expenses and program revenues for each function of the District's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Program revenues include (a) charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

Fund Financial Statements: The fund financial statements provide information about the District's funds, including its fiduciary funds. Separate statements for each fund category – *governmental* and *fiduciary* – are presented. The emphasis of fund financial statements is on major governmental funds, each displayed in a separate column. A fund is considered major if it is the primary operating fund of the District or if the assets, liabilities, revenues, or expenditures of that individual governmental fund are at least 10 percent of the corresponding total for all governmental funds. Also, the school district may decide what is a major fund. All remaining governmental funds are aggregated and reported as nonmajor funds.

Governmental Funds are those through which most governmental functions of the District are financed. The acquisition, use, and balances of the District's expendable financial resources and the related liabilities (arising from cash transactions) are accounted for through governmental funds.

The District reports the following major governmental funds:

The *Educational Fund* is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in other funds. Special Education is included in the Educational fund.

The *Operations and Maintenance Fund* is a special revenue fund used to account for all costs of maintaining, improving, or repairing school buildings and property or renting buildings and property for school purposes and the related revenues.

Other governmental (nonmajor) funds of the District consist of the following funds:

The *Transportation Fund* is a special revenue fund created when the District pays the costs of transporting pupils for any purpose. Moneys received for transportation purposes from any source and related costs of transportation are accounted for in this fund.

The *Municipal Retirement/Social Security Fund* is a special revenue fund created when a separate tax is levied for the purpose of providing resources for the District's share of retirement benefits and/or social security and medicare only payments for covered employees.

The *Bond and Interest Fund* is a debt service fund maintained to account for separate taxes levied to provide cash to retire bonds and to pay the interest and other related costs on them.

The *Site and Construction Fund* is a capital projects fund created to account for financial resources to be used for the acquisition or construction of major capital facilities.

The *Working Cash Fund* is a special revenue fund created when a separate tax is levied for working cash purposes or if bonds are sold for this purpose.

The *Tort Immunity Fund* is a special revenue fund created when a separate tax is levied for the purpose of paying all costs relating to insurance and loss prevention.

The *Fire Prevention and Safety Fund* is a capital projects fund created when a tax is levied or bonds issued for fire prevention, safety, energy conservation, or school security purposes. The moneys received from the levy or the proceeds of the bond issue may only be used for the purposes stipulated in Section 17-2.11 of the School Code.

Fiduciary fund types are used to account for assets held by the District in a trustee capacity or as an agent for individuals, private organizations, other governments, or other funds.

The District reports the following fiduciary fund type:

Agency Funds include both Student Activity Funds and Convenience Accounts. They account for assets held by the District as an agent for the students and teachers. These funds are custodial in nature and do not involve the measurement of the results of operations. The amounts due to the activity fund organizations are equal to the assets.

C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING

District-wide and Fiduciary Fund Financial Statements

The district-wide and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Nonexchange transactions, in which the District gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, entitlements, and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied (i.e., intended to finance). Revenue from grants, entitlements, and donations are recognized in the fiscal year in which all eligibility requirements have been satisfied.

THORNTON FRACTIONAL TOWNSHIP HIGH SCHOOL DISTRICT NO. 215
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

Governmental Fund Financial Statements

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available.

The District considers all revenues reported in the governmental funds to be available if the revenues are due (or past due) within sixty days after year-end. Property taxes, grants, tuition, and interest are considered to be susceptible to accrual. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

Under the terms of grant agreements, the District funds certain programs by a combination of specific cost-reimbursement grants, categorical block grants, and general revenues. Thus, when program expenses are incurred, there are both restricted and unrestricted net assets available to finance the program. It is the District's policy to first apply cost-reimbursement grant resources to such programs, followed by categorical block grants, and then by general revenues.

D. CASH AND INVESTMENTS

The Thornton Fractional Township School Treasurer is the official custodian of moneys for the school districts within the township, including the District, as prescribed by Chapter 105, Section 5, Article 8 of the *Illinois Compiled Statutes*. The Township School Treasurer's Office, a legally separate entity under the oversight of the Thornton Fractional Township Trustees of Schools, pools the districts' moneys and invests, on the districts' behalf, in a cash and investment portfolio.

The Thornton Fractional Township School Treasurer is separately audited and is not included in these financial statements. Financial information may be obtained directly from the Thornton Fractional Township School Treasurer at 606 Burnham Avenue, Calumet City, Illinois 60409.

The Township School Treasurer's Office has adopted a formal written investment and cash management policy. The policy requires collateralization or independent third party insurance for deposits in federally insured institutions in excess of FDIC coverage limits, and other institutions in which the Treasurer's Office has invested. The Township School Trustees must approve the type of institution in which investments are made.

Deposits held in the District's name, consisting of imprest and activity fund accounts, are reported at cost. The District's equity in the Township School Treasurer's Pool is reported based on the cost or amortization cost of the underlying deposits and investments of the pool, which approximates fair value. Interest earned is deposited quarterly into the participating school districts' various funds.

E. PROPERTY TAXES RECEIVABLE

Property taxes receivable represent the 2011 and prior net uncollected tax levies. An allowance for estimated collection losses of 5% of the total levy has been provided to reduce the receivable to the estimated amounts collectible.

F. CAPITAL ASSETS

Capital assets, which include land, buildings, furniture, and equipment, are reported in the applicable governmental activities column in the district-wide financial statements. Capital assets are defined by the District as assets with an initial, individual cost of \$2,000 or more and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

THORNTON FRACTIONAL TOWNSHIP HIGH SCHOOL DISTRICT NO. 215
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Capital Assets are depreciated using the straight-line method over the following estimated useful lives:

<u>Asset Class</u>	<u>Estimated Useful Lives</u> <u>(Years)</u>
Land improvements	20
Building improvements	20 - 40
Transportation equipment	5
Other equipment	5 - 20

G. DEFERRED REVENUE

Deferred revenues at the fund level arise when potential revenue does not meet the available criterion for recognition in the current period. Deferred revenues also arise when the District receives resources before it has a legal claim to them. In subsequent periods, when the revenue recognition criterion is met, or when the District has a legal claim to the resources, the liability for deferred revenue is removed from the balance sheet and revenue is recognized. Deferred revenues at the district-wide level arise only when the District receives resources before it has a legal claim to them.

H. COMPENSATED ABSENCES

The District's vacation and sick leave policies and agreements permit employees to accumulate earned but unused vacation and sick leave. Noncertified employees earn vacation days during the year at varying rates based on years of service. These vacation days must be taken within the subsequent year or are lost. Certified employees who work less than 12 calendar months per year do not earn vacation days. Employees receive 15 sick days annually and the unused portion is accumulated and carried forward. Employees who retire, resign or are dismissed as a result of a reduction of force and who have at least ten years of full time service in the District receive compensation for their accumulated sick leave, less any days of sick leave credited to a retirement system. Members of TRS and IMRF (see Note 11) may receive a maximum of two years and one year of credit, respectively, at retirement for unused, uncompensated sick leave.

The liability for sick leave is estimated using the vesting method and assumes that any days available for up to one year of service credit will be credited to a retirement system rather than paid by the District. In the fund financial statements, governmental funds report compensated absences as expenditures and as fund liabilities to the extent that the liabilities have matured (that is, become due for payment during the period). The liabilities for compensated absences that are not currently payable are reported as long-term liabilities in the district-wide statements.

I. USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

J. USE OF RESTRICTED RESOURCES

When both restricted and unrestricted resources are available to use, it is the District's policy to use restricted resources first, then unrestricted resources, as they are needed.

K. **INVENTORIES**

It is the District's policy to charge all purchases of items for resale or supplies to expenditures when purchased. No inventory accounts are maintained to reflect the values of resale or supply items on hand.

2. **DEPOSITS AND INVESTMENTS**

The District is allowed to invest in securities as authorized by the *Illinois Compiled Statutes*, Chapter 30, Sections 235/2 and 235/6; and Chapter 105, Section 5/8-7.

The District's cash is deposited with the Thornton Fractional Township School Treasurer's Office. The Treasurer invests the cash in a pool under policy guidelines established through the Treasurer's investment policy. Credit risk, concentration of credit risk, and interest rate risk (as applicable) regarding the cash held by the Treasurer is included in the annual audited financial statements of the Thornton Fractional Township Trustees of Schools.

All deposits and investments of the District, except imprest and activity fund accounts, are maintained in the external cash and investment pool managed by the Thornton Fractional Township School Treasurer's Office. Each fund type's portion of this pool is displayed on the combined statement of assets and liabilities arising from cash transactions as "Cash/investments - pooled account." As of June 30, 2012, there was no material difference between the fair value and reported amount of the District's equity in the pool.

The District's imprest and activity fund accounts at year-end were entirely covered by federal depository insurance.

3. **CAPITAL ASSETS**

B. CAPITAL LEASE OBLIGATIONS

The District acquired four drivers-ed cars and six buses during fiscal year 2010. The Drivers-ed cars are being leased with First National Bank of Illinois in the amount of \$63,271 with a maturity date of September 15, 2013. The monthly payments are \$1,461. The buses are being leased by two companies. Two buses are leased with Sovereign Bank in the amount of \$79,816 with five annual payments, with the final payment due August 28, 2013. The annual payments are \$17,622. The remaining four buses are leased with Key Government Finance, Inc. in the amount of \$175,896 with five annual payments, with the final payment due January 30, 2014. The annual payments are \$38,476. These are reported as fixed assets purchases because when the leases expire the intention is to own the cars and buses. The District signed a new purchase agreement for copiers on December 14, 2010 in the amount of \$212,073.

At June 30, 2012, the annual cash flow requirements of capital lease principal and interest were as follows:

5. SPECIAL TAX LEVIES AND RESTRICTED EQUITY

A. TORT IMMUNITY LEVY

Revenues received and the related expenditures disbursed of this restricted tax levy are accounted for in the Tort Immunity Fund. As of June 30, 2012, this fund's equity of \$461,099 represents the excess of cumulative revenues received over cumulative expenditures disbursed which \$191,099 is restricted for future tort immunity expenditures in accordance with Chapter 745, Section 10/9-101 to 9-107 of the *Illinois Compiled Statutes* and \$270,000 is assigned per GASB 54, footnote 12. The following expenditures represent payments made from the Tort Immunity Fund:

Workers' Compensation Act and/or Workers' Occupational Disease Act	\$ 142,820
Unemployment Insurance Act	\$ 54,521
Insurance (Regular or Self-Insurance)	\$ 140,054
Educational, Inspectional, Supervisory Services Related to Loss Prevention and/or Reduction	\$ 32,048

B. SPECIAL EDUCATION LEVY

Revenues received and the related expenditures disbursed of this restricted tax levy are accounted for in the Educational Fund. As of June 30, 2012, cumulative expenditures disbursed equal or exceeded cumulative revenues received, therefore, no portion of this fund's equity is restricted for future special education expenditures in accordance with Chapter 105, Section 5/17-2.2a of the *Illinois Compiled Statutes*.

6. PROPERTY TAXES

The District's property tax is levied each year on all taxable real property located in the District on or before the last Tuesday in December. Property is appraised by the County Assessor at various percentages of fair market value and then subjected to equalization by standard of 33-1/3 of fair market value.

Property taxes levied for any year attach as an enforceable lien on property as of January 1 and are due and payable in the following calendar year. Real estate tax bills are payable in two installments. The first installment is computed at 55% of the prior year's bill and is mailed in late January with a March 1 due date. The second installment is computed after the assessed valuations for the current year have been determined, usually in June or July. Final tax bills are mailed with a penalty date at least 30 days after the date of mailing, but not earlier than August 1. The District receives significant distributions of tax receipts approximately one month after these due dates.

This year a portion of the first installment of the 2011 tax levy and prior tax levy collections were received and are included in the current year revenue. Property taxes receivable represent the uncollected portion of the 2011 tax levy. These property taxes receivable are not considered available to finance current operations; therefore, the revenue has been deferred and will be recognized as these taxes become available.

The Board passed the current levy on December 20, 2011. The following are the tax rate limits permitted by the School Code and by local referendum and the actual rates levied per \$100.00 of equalized assessed valuation:

For taxing districts in Cook County, including the District, the tax rate limit is required to be applied to the equalized assessed valuation (EAV) of property for the levy year prior to the levy year for which taxes are then being extended. The actual levy rate is stated based on the current EAV of property. As a result, a tax rate may be at its maximum for the levy year even though it is less than its corresponding limit.

7. JOINT VENTURES

EXCEPTIONAL CHILDREN HAVE OPPORTUNITIES (A JOINT AGREEMENT)

The District is a participant in Exceptional Children Have Opportunities (ECHO), which was established as a result of a joint agreement between 17 local public school districts for the purpose of providing special education services to the children of its member districts. The joint agreement is governed by a Board of Directors composed of superintendents (or an alternative person appointed by the superintendent) from each member district. Complete financial statements of the joint agreement may be obtained from its administrative office at 350 West 154th Street, South Holland, Illinois 60473. The District paid \$2,642,523 to ECHO for tuition and services during the year ended June 30, 2012.

The following is summary financial information on the joint agreement as of and for the year ended June 30, 2011, the most recent information available:

Total assets-modified cash basis	\$ 8,939,948	Revenues received	\$ 43,117,225

8. CONTINGENCIES

The District has received funding from State and Federal grants in the current and prior years, which are subject to audits by the granting agencies. Such audits could lead to requests for reimbursement to the grantor agency for expenditures disallowed under terms of the grant. Based on prior experience, District management believes that such disallowances, if any, would be immaterial.

9. RISK MANAGEMENT

The District is exposed to various risks of loss including general liability, property and casualty, errors and omissions, workers compensation, unemployment compensation and employee health and medical benefits. In lieu of paying unemployment contributions, the District has elected to reimburse the State of Illinois for the actual amount of benefits paid to their former workers.

The District has elected to provide employee health and medical benefits through a self-insured plan and accordingly, is liable for all employees' health claims that are approved for payment. The District has obtained stop-loss insurance from a commercial company to limit the District's liability for individual and aggregate claims. The stop-loss coverage limits for the plan year ending August 31, 2012 are \$110,000 for individual claims and approximately \$3,632,693 for aggregate claims. The aggregate stop-loss limit is equal to \$13,603 multiplied by the average number of employees during the stop-loss coverage period.

For all other risks of loss, the District has joined together with other school districts to form various pools through which to manage its risk of loss. The District is a member of Suburban School Cooperative Insurance Pool (SSCIP) for its general liability, property and casualty, and errors and omissions coverage and School Employee Loss Fund (SELF) for workers compensation coverage. These public entity risk pools operate as common risk management and insurance programs. They receive premiums from member districts and reinsure through commercial companies to limit the liability for claims in excess of coverage provided by the pool. Settled claims resulting from these risks have not exceeded insurance coverage in any of the past three fiscal years.

10. EMPLOYEE RETIREMENT PROGRAMS

A. TEACHERS' RETIREMENT SYSTEM

The District participates in the Teachers' Retirement System of the State of Illinois (TRS). TRS is a cost-sharing multiple-employer defined benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers employed outside the City of Chicago.

The Illinois Pension Code outlines the benefit provisions of TRS, and amendments to the plan can be made only by legislative action with the Governor's approval. The State of Illinois maintains the primary responsibility for funding the plan, but contributions from participating employers and members are also required. The TRS Board of Trustees is responsible for the System's administration.

TRS members include all active nonannuitants who are employed by a TRS-covered employer to provide services for which teacher certification is required. The active member contribution rate for the year ended June 30, 2012, was 9.4 percent of creditable earnings. The same contribution rate applies to members whose first contributing service is on or after Jan. 1, 2011, the effective date of the benefit changes contained in Public Act 96-0889. These contributions, which may be paid on behalf of employees by the employer, are submitted to TRS by the employer. The active member contribution rate was also 9.4 percent for the years ended June 30, 2011 and 2010.

The State of Illinois makes contributions directly to TRS on behalf of the District's TRS-covered employees.

On-behalf contributions to TRS. The State of Illinois makes employer pension contributions on behalf of the District. For the year ended June 30, 2012, State of Illinois contributions were based on 24.91 percent of creditable earnings not paid from federal funds, and the District recognized revenue and expenditures of \$5,075,977 in pension contributions that the State of Illinois paid directly to TRS. For the years ended June 30, 2011 and June 30, 2010, the State of Illinois contribution rates as percentages of creditable earnings not paid from federal funds were 23.10 percent (\$4,443,874) and 23.38 percent (\$4,828,400), respectively.

The District makes other types of employer contributions directly to TRS:

THORNTON FRACTIONAL TOWNSHIP HIGH SCHOOL DISTRICT NO. 215
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

2.2 formula contributions. Employers contribute 0.58 percent of total creditable earnings for the 2.2 formula change. This rate is specified by statute. Contributions for the year ended June 30, 2012 were \$120,507. Contributions for the years ending June 30, 2011 and June 30, 2010, were \$114,078 and \$122,107, respectively.

Federal and special trust fund contributions. When TRS members are paid from federal and special trust funds administered by the District, there is a statutory requirement for the District to pay an employer pension contribution from those funds. Under a policy adopted by the TRS Board of Trustees that was first effective for the fiscal year ended June 30, 2006, employer contributions for employees paid from federal and special trust funds will be the same as the state contribution rate to TRS.

For the year ended June 30, 2012, the employer pension contribution was 24.91 percent of salaries paid from federal and special trust funds. For the years ended June 30, 2011 and 2010, the employer contribution was 23.10 and 23.38 percent of salaries paid from federal and special trust funds, respectively. For the year ended June 30, 2012, salaries totaling \$399,806 were paid from federal and special trust funds that required employer contributions of \$99,592.

For the years ended June 30, 2011 and June 30, 2010, required District contributions were \$99,570 and \$93,762, respectively.

Early Retirement Option (ERO). The District is also required to make one-time employer contributions to TRS for members retiring under the Early Retirement Option (ERO). The payments vary depending on the age and salary of the member.

The maximum employer contribution is 117.5 percent and applies when the member is age 55 at retirement.

For the years ended June 30, 2012 and June 30, 2010, the District paid \$0 to TRS for employer contributions under the ERO program. For the year ended June 30, 2011, the District paid \$104,647 in employer ERO contributions, respectively.

Salary increases over 6 percent and excess sick leave. If an employer grants salary increases over 6 percent and those salaries are used to calculate a retiree's final average salary, the employer makes a contribution to TRS. The contribution will cover the difference in actuarial cost of the benefit based on actual salary increases and the benefit based on salary increases of up to 6 percent.

For the years ended June 30, 2012 and June 30, 2010, the district paid \$0 to TRS for employer contributions due on salary increases in excess of 6 percent. For the year ended June 30, 2011, the District paid \$17,108 to TRS for employer contributions due on salary increases in excess of 6 percent, respectively.

If an employer grants sick leave days in excess of the normal annual allotment and those days are used as TRS service credit, the employer makes a contribution to TRS. The contribution is based on the number of excess sick leave days used as service credit, the highest salary used to calculate final average salary, and the TRS total normal cost rate (17.83 percent of salary during the year ended June 30, 2012).

For the years ended June 30, 2012, 2011 and 2010, the District did not have anyone retire under this section.

TRS financial information, an explanation of TRS benefits, and descriptions of member, employer, and state funding requirements can be found in the TRS *Comprehensive Annual Financial Report* for the year ended June 30, 2011. The report for the year ended June 30, 2012, is expected to be available in late 2012.

The reports may be obtained by writing to the Teachers' Retirement System of the State of Illinois, P.O. Box 19253, 2815 West Washington Street, Springfield, Illinois 62794-9253. The most current report is also available on the TRS web site at trs.illinois.gov.

B. IMRF PENSION PLAN

Plan Description. The District's defined benefit pension plan for Regular employees provides retirement and disability benefits, post retirement increases, and death benefits to plan members and beneficiaries. The District plan is affiliated with the Illinois Municipal Retirement Fund (IMRF), an agent multiple-employer plan. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained on-line at www.imrf.org.

Funding Policy. As set by statute, the District's Regular plan members are required to contribute 4.50 percent of their annual covered salary. The statutes require employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The employer annual required contribution rate for calendar year 2011 was 11.31 percent. The District also contributes for disability benefits, death benefits, and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by statute.

Annual Pension Cost. The required contribution for the calendar year 2011 was \$552,484.

THREE-YEAR TREND INFORMATION FOR THE REGULAR PLAN

Year Ending	Annual Pension Cost (APC)	Percentage of APC Contributed	Net Pension Obligation
12/31/2011	\$552,484	100%	\$0
12/31/2010	\$529,661	100%	\$0
12/31/2009	\$334,325	100%	\$0

The required contribution for 2011 was determined as part of the December 31, 2009, actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions at December 31, 2009, included (a) 7.5 percent investment rate of return (net of administrative and direct investment expenses), (b) projected salary increases of 4.00% a year, attributable to inflation, (c) additional projected salary increases ranging from 0.4% to 10% per year depending on age and service, attributable to seniority/merit, and (d) post-retirement benefit increases of 3% annually. The actuarial value of the District's Regular plan assets was determined using techniques that spread the effects of short-term volatility in the market value of investments over a five-year period with a 20% corridor between the actuarial and market value of assets. The District's Regular plan's unfunded actuarial accrued liability at December 31, 2009 is being amortized as a level percentage of projected payroll on an open 30 year basis.

Funded Status and Funding Progress. As of December 31, 2011, the most recent actuarial valuation date, the Regular plan was 76.94 percent funded. The actuarial accrued liability for benefits was \$11,635,321 and the actuarial value of assets was \$8,952,391, resulting in an underfunded actuarial accrued liability (UAAL) of \$2,682,930. The covered payroll for calendar year 2011 (annual payroll of active employees covered by the plan) was \$4,884,918, and the ratio of the UAAL to the covered payroll was 55 percent.

The schedule of funding progress, presented as RSI following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

11. POSTEMPLOYMENT BENEFITS

A. TEACHER HEALTH INSURANCE SECURITY

The District participates in the Teacher Health Insurance Security (THIS) Fund, a cost-sharing, multiple-employer defined benefit postemployment healthcare plan that was established by the Illinois legislature for the benefit of Illinois public school teachers employed outside the City of Chicago. The THIS Fund provides medical, prescription, and behavioral health benefits, but does not provide vision, dental, or life insurance benefits to annuitants of the Teachers' Retirement System (TRS). Annuitants may participate in the state administered participating provider option plan or choose from several managed care options.

The State Employees Group Insurance Act of 1971 (5 ILCS 375) outlines the benefit provisions of THIS Fund and amendments to the plan can be made only by legislative action with the Governor's approval. The Illinois Department of Healthcare and Family Services (HFS) and the Illinois Department of Central Management Services (CMS) administer the plan with the cooperation of TRS. Effective July 1, 2012, in accordance with Executive Order 12-01, the plan is administered by CMS with the cooperation of TRS. Section 6.6 of the State Employees Group Insurance Act of 1971 requires all active contributors to the TRS who are not employees of the state make a contribution to THIS fund.

The percentage of employer required contributions in the future will not exceed 105 percent of the percentage of salary actually required to be paid in the previous fiscal year.

On behalf contributions to THIS Fund. The State of Illinois makes employer retiree health insurance contributions on behalf of the District. State contributions are intended to match contributions to THIS Fund from active members which were 0.88 percent of pay during the year ended June 30, 2012. State of Illinois contributions were \$182,838, and the District recognized revenue and expenditures of this amount during the year.

State contributions intended to match active member contributions during the years ended June 30, 2011 and June 30, 2010 were 0.88 percent of pay and 0.84 percent of pay, respectively. State contributions on behalf of District employees were \$173,084 and \$176,844, respectively.

Employer contributions to THIS Fund. The District also makes contributions to THIS Fund. The employer THIS Fund contribution was 0.66 percent during the years ended June 30, 2012 and June 30, 2011, and 0.63 percent during the year ended June 30, 2010. For the year ended June 30, 2012, the District paid \$137,129 to the THIS Fund. For the years ended June 30, 2011 and June 30, 2010, the District paid \$129,813 and \$132,633 to the THIS Fund, respectively, which was 100 percent of the required contribution.

The publicly available financial report of the THIS Fund may be obtained by writing to the Department of Healthcare and Family Services, 201 S. Grand Ave., Springfield, IL 62763-3838.

12. FUND BALANCE REPORTING

The District adopted GASB 54 as part of its financial statements for year ended June 30, 2011. The intention of the GASB is to provide a more structured classification of fund balance and to improve the usefulness of fund balance reporting to the users of the District's financial statements. The reporting standard establishes a hierarchy for fund balance classifications and the constraints imposed on the uses of those resources.

GASB 54 provides for two major types of fund balances, which are nonspendable and spendable. Nonspendable fund balances are balances that cannot be spent because they are not expected to be converted to cash or they are legally or contractually required to remain intact.

In addition to the nonspendable fund balance, GASB 54 has provided a hierarchy of spendable fund balances, based on a hierarchy of spending constraints.

- Restricted: fund balances that are constrained by external parties, constitutional provisions, or enabling legislation. Things such as restrictions imposed by creditors, grantors, and contributors.
- Committed: fund balances that contain self-imposed constraints of the government from its highest level of decision making authority. Those committed amounts cannot be used for any other purpose unless the government removes or changes the specified use by taking the same type of formal action it employed to previously commit those amounts.
- Assigned: fund balances that contain self-imposed constraints of the government to be used for a particular purpose. Intent should be expressed by a) the governing body itself or b) a body (a budget or finance committee, for example) or official to which the governing body has delegated the authority to assign amounts to be used for specific purposes.
- Unassigned: fund balance of the general fund that is not constrained for any particular purpose.

The District has classified its fund balances with the following hierarchy:

Nonspendable: The District has no fund balances that are classified here.

Spendable: The District has classified the spendable fund balances as:

JUNE 30, 2012

BUDGETS AND BUDGETARY ACCOUNTING

The budget for all governmental fund types is prepared on the cash basis of accounting and excludes on-behalf payments for which the District is not legally responsible. This is a comprehensive basis of accounting other than generally accepted accounting principles. The budget, which was not amended, was passed on September 27, 2011.

Legal spending control for District moneys is at the fund level, but management control is exercised at budgetary line item levels within each fund. Unexpended budgetary balances lapse at the end of each fiscal year.

The District, in accordance with Chapter 105, Section 5/17-1 of the *Illinois Compiled Statutes*, follows these procedures in establishing the budgetary data reflected in the financial statements.

1. Prior to July 1, the Superintendent submits to the Board of Education a proposed operating budget for the fiscal year commencing on that date. The operating budget includes proposed expenditures disbursed and the means of financing them.
2. A public hearing is conducted to obtain taxpayer comments.
3. Prior to October 1, the budget is legally adopted through passage of a resolution.
4. Formal budgetary integration is employed as a management control device during the year.
5. The Board of Education may make transfers between the various items in any fund not exceeding in the aggregate 10% of the total of such fund as set forth in the budget.
6. The Board of Education may amend the budget (in other ways) by the same procedures required of its original adoption.

SECTION II - FINANCIAL STATEMENT FINDINGS

1. FINDING NUMBER:¹¹ 2012-1 2. THIS FINDING IS: New Repeat from Prior Year?
Year originally reported? 2011

3. Criteria or specific requirement

STATEMENT ON AUDITING STANDARDS (SAS) NO. 115, COMMUNICATING INTERNAL CONTROL RELATED MATTERS IDENTIFIED IN AN AUDIT IS CONCERNED SPECIFICALLY WITH FINANCIAL STATEMENT MISSTATEMENTS. A DEFICIENCY IN INTERNAL CONTROL EXISTS WHEN THE DESIGN OR OPERATION OF A CONTROL DOES NOT ALLOW MANAGEMENT OR EMPLOYEES, IN THE NORMAL COURSE OF PERFORMING THEIR ASSIGNED FUNCTIONS, TO PREVENT OR DETECT AND CORRECT MISSTATEMENTS ON A TIMELY BASIS.

4. Condition

THE DISTRICT DOES NOT CURRENTLY HAVE FORMAL WRITTEN INTERNAL CONTROL POLICIES AND PROCEDURES.

5. Context¹²

NONE

6. Effect

THE DESIGN AND OPERATION OF INTERNAL CONTROL ALLOWS MANAGEMENT OR EMPLOYEES, IN THE NORMAL COURSE OF PERFORMING THEIR ASSIGNED FUNCTIONS, TO PREVENT MISSTATEMENTS ON A TIMELY BASIS. WITHOUT WRITTEN POLICIES, THE DISTRICT INCREASES THE RISK OF NOT IDENTIFYING THESE MISSTATEMENTS ON A TIMELY BASIS.

7. Cause

NONE

8. Recommendation

MANAGEMENT SHOULD CONSIDER IMPLEMENTING WRITTEN INTERNAL CONTROL POLICIES AND PROCEDURES.

9. Management's response¹³

WE AGREE WITH THE FINDINGS AND RECOMMENDATIONS AS PRESENTED.

¹¹ A suggested format for assigning reference numbers is to use the last two digits of the fiscal year being audited followed by a numeric sequence of findings. For example, findings identified and reported in the audit of fiscal year 2003 would be assigned a reference number of 02-01, 02-02, etc.

¹² Provide sufficient information for judging the prevalence and consequences of the finding, such as relation to universe of costs and/or number of items examined and quantification of audit findings in dollars.

¹³ See paragraphs 5.18 through 5.20 and 7.38 through 7.42 of Government Auditing Standards for additional guidance on reporting management's response.

General Obligation Refunding School Bonds, Series 2013B

Township High School District Number 215, Cook County, Illinois (the "*District*"), by a resolution adopted by its Board of Education on the 22nd day of January, 2013, as supplemented by a notification of sale (together, the "*Bond Resolution*"), has authorized the issue and delivery of \$5,570,000 General Obligation Refunding School Bonds, Series 2013B, dated February 14, 2013 (the "*Bonds*"). The District has authorized by the Bond Resolution that the proceeds of the Bonds be used to refund \$5,350,000 School Bonds, Series 2003, dated February 1, 2003, due on or after December 1, 2013 (the "*Prior Bonds*"), of the District.

The District will deposit \$5,410,453.33 from the proceeds of the Bonds (the "*Proceeds*") with you and you are hereby instructed as follows with respect thereto:

1. Upon deposit, you are directed to fund a beginning cash escrow deposit on demand in the amount of \$5,410,453.33. The beginning cash escrow deposit is to be held in cash in an irrevocable trust fund account (the "*Trust Account*") for the District to the benefit of the holders of the Prior Bonds.
2. You shall hold the Proceeds and all uninvested cash in the Trust Account for the sole and exclusive benefit of the holders of the Prior Bonds until payment of the Prior Bonds is made at the call date thereof, March 7, 2013.
3. You shall promptly collect the principal, interest or profit from the Proceeds and promptly apply the same, altogether with the initial cash deposit, as necessary to the payment of the Prior Bonds as herein provided.
4. You shall remit the sum of \$5,410,453.33 on March 7, 2013, to U.S. Bank National Association, Chicago, Illinois, as successor to LaSalle Bank National Association, Chicago, Illinois, as bond registrar and paying agent for the Prior Bonds,

such sum being sufficient to pay the principal of the Prior Bonds on such date, and such remittance shall fully release and discharge you from any further duty or obligation thereto under this Agreement.

5. You shall make no payment of fees, due or to become due, of the bond registrar and paying agent on the Bonds or the Prior Bonds. The District shall pay the same as they become due.

6. If at any time it shall appear to you that the available Proceeds on demand in the Trust Account will not be sufficient to pay the Prior Bonds on the date and in the amount set forth in paragraph 5 above, you shall notify the District not less than five (5) days prior to such date and the District shall make up the anticipated deficit from any funds legally available for such purpose so that no default in the making of any such payment will occur.

7. That, upon final disbursement of funds sufficient to pay the Prior Bonds as hereinabove provided for, you shall transfer any balance remaining in the Trust Account to the District and thereupon this Agreement shall terminate.

Very truly yours,

Certain terms are defined in Article I hereof. Terms used herein and not defined in Article I shall have the meanings given to them in the Bond Resolution.

One purpose of executing this Tax Agreement is to set forth various facts regarding the Bonds and to establish the expectations of the District as to future events regarding the Bonds and the use of Bond proceeds. The District hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The District acknowledges that, in the event of an examination by the Internal Revenue Service of the exemption from federal income taxation of interest on the Bonds, under present rules, the District may be treated as a "taxpayer" in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the Internal Revenue Service in connection with such an examination.

“Qualified Tax Exempt Obligations” means (a) any obligation described in Section 103(a) of the Code, the interest on which is excludable from gross income of the owner thereof for federal income tax purposes and is not an item of tax preference for purposes of the alternative minimum tax imposed by Section 55 of the Code; (b) an interest in a regulated investment company to the extent that at least ninety-five percent of the income to the holder of the interest is interest which is excludable from gross income under Section 103 of the Code of any owner thereof for federal income tax purposes and is not an item of tax preference for purposes of the alternative minimum tax imposed by Section 55 of the Code; and (c) certificates of indebtedness issued by the United States Treasury pursuant to the Demand Deposit State and Local Government Series program described in 31 C.F.R. pt. 344.

“Rebate Fund” means the fund, if any, identified and defined in Section 4.2 herein.

“Rebate Provisions” means the rebate requirements contained in Section 148(f) of the Code and in the Regulations.

“Refunded Bonds” means those certain Prior Bonds being refunded by the Bonds.

“Refunding Portion of the Bonds” means the Series 2013B Bonds, the proceeds of which will be used for the refunding of the Refunded Bonds.

“Regulations” means United States Treasury Regulations dealing with the tax-exempt bond provisions of the Code.

“Reimbursed Expenditures” means expenditures of the District paid prior to Closing to which Sale Proceeds or investment earnings thereon are or will be allocated.

“Reserve Portion of the Bond Fund” means the portion of the Bond Fund funded in excess of the amount of debt service payable each year.

“Sale Proceeds” means amounts actually or constructively received from the sale of the Bonds, including (a) amounts used to pay underwriters’ discount or compensation

and accrued interest, other than accrued interest for a period not greater than one year before Closing but only if it is to be paid within one year after Closing and (b) amounts derived from the sale of any right that is part of the terms of a Bond or is otherwise associated with a Bond (e.g., a redemption right).

“*Yield Reduction Payment*” means a rebate payment or any other amount paid to the United States in the same manner as rebate amounts are required to be paid or at such other time or in such manner as the Internal Revenue Service may prescribe that will be treated as a reduction in Yield of an investment under the Regulations.

ARTICLE II

DESCRIPTION OF BONDS

Section 2.1. Purpose of the Bonds. The Bonds are being issued solely and exclusively to finance the Project and to refund in advance of maturity the Refunded Bonds, each in a prudent manner consistent with the revenue needs of the District.

Section 2.2. The Project – Binding Commitment and Timing. The District has incurred or will, within six months of the Closing, incur a substantial binding obligation (not subject to contingencies within the control of the District or any member of the same Controlled Group as the District) to a third party to expend at least five percent of the Net Sale Proceeds of the Project Portion of the Bonds on the Project. It is expected that the work of acquiring and constructing the Project and the expenditure of amounts deposited into the Project Fund will continue to proceed with due diligence through February 14, 2016, at which time it is anticipated that all Sale Proceeds of the Project Portion of the Bonds and investment earnings thereon will have been spent.

It is expected that the Sale Proceeds deposited into the Project Fund, including investment earnings on the Project Fund, will be spent to pay costs of the Project and interest on the Bonds not later than the date set forth in the preceding paragraph, the investment earnings on the Bond Fund will be spent to pay interest on the Bonds, or to the extent permitted by law, investment earnings on amounts in the Project Fund and the Bond Fund will be commingled with substantial revenues from the governmental operations of the District, and the earnings are reasonably expected to be spent for governmental purposes within six months of the date earned. Interest earnings on the Project Fund and the Bond Fund have not been earmarked or restricted by the Board for a designated purpose. Except to pay the Refunded Bonds and except for any accrued interest on the Bonds used to pay first interest due on the Bonds, no proceeds of the Bonds will be used more than 30 days after the date of issue of the Bonds for the purpose of paying any principal or interest on any issue of bonds, notes, certificates or warrants or on any installment contract or other obligation of the District or for the purpose of replacing any funds of the District used for such purpose.

Section 2.3. Reimbursement. None of the Sale Proceeds or investment earnings thereon will be used for Reimbursed Expenditures.

Section 2.4. Working Capital. All Sale Proceeds and investment earnings thereon will be used, directly or indirectly, to finance Capital Expenditures or to pay principal of, interest on and redemption premium, if any, on the Refunded Bonds, other than the following:

- (a) an amount not to exceed five percent of the Sale Proceeds of the Project Portion of the Bonds for working capital expenditures directly related to Capital Expenditures financed by the Project;
- (b) payments of interest on the Bonds to the extent allocable to the Project Portion of the Bonds for a period commencing at Closing and ending on the later of the date three years after Closing or one year after the date on which the Project is Placed-in-Service and interest on the Bonds to the extent allocable to the Refunding Portion of the Bonds for the period commencing at Closing and ending on the date one year after the date on which the Prior Project is Placed-in-Service;
- (c) Costs of Issuance and Qualified Administrative Costs of Investments;
- (d) payments of rebate or Yield Reduction Payments made to the United States under the Regulations;
- (e) principal of or interest on the Bonds paid from unexpected excess Sale Proceeds and investment earnings thereon; and
- (f) investment earnings that are commingled with substantial other revenues and are expected to be allocated to expenditures within six months.

Section 2.5. Consequences of Contrary Expenditure. The District acknowledges that if Sale Proceeds and investment earnings thereon are spent for non-Capital Expenditures other than

as permitted by Section 2.4 hereof, a like amount of then available funds of the District will be treated as unspent Sale Proceeds.

Section 2.6. Payments to District or Related Persons. The District acknowledges that if Sale Proceeds or investment earnings thereon are transferred to or paid to the District or any member of the same Controlled Group as the District, those amounts will not be treated as having been spent for federal income tax purposes. However, Sale Proceeds or investment earnings thereon will be allocated to expenditures for federal income tax purposes if the District uses such amounts to reimburse itself for amounts paid to persons other than the District or any member of the same Controlled Group as the District, provided that the original expenditures were paid on or after Closing, and provided that the original expenditures were not otherwise paid out of Sale Proceeds or investment earnings thereon or the proceeds of any other borrowing. In addition, investment earnings may be allocated to expenditures to the extent provided in paragraph 2.4(g) of this Section. Any Sale Proceeds or investment earnings thereon that are transferred to or paid to the District or any member of the same Controlled Group as the District will remain Sale Proceeds or investment earnings thereon, and thus Gross Proceeds, until such amounts are allocated to expenditures for federal income tax purposes. If the District does not allocate any such amounts to expenditures for the Project or other expenditures permitted under this Tax Agreement, any such amounts will be allocated for federal income tax purposes to the next expenditures, not otherwise paid out of Sale Proceeds or investment earnings thereon or the proceeds of any other borrowing, for interest on the Bonds prior to the later of the date three years after Closing or one year after the date on which the Project is Placed-in-Service. The District will consistently follow this accounting method for federal income tax purposes.

Section 2.7. Investment of Bond Proceeds. Not more than 50% of the Sale Proceeds of the Project Portion of the Bonds and investment earnings thereon are or will be invested in investments (other than Qualified Tax Exempt Obligations) having a Yield that is substantially guaranteed for four years or more. No portion of the Bonds is being issued solely for the purpose of investing a portion of Sale Proceeds or investment earnings thereon at a Yield higher than the Yield on the Bonds.

Section 2.8. No Grants. None of the Sale Proceeds or investment earnings thereon will be used to make grants to any person.

Section 2.9. Hedges. Neither the District nor any member of the same Controlled Group as the District has entered into or expects to enter into any hedge (*e.g.*, an interest rate swap, interest rate cap, futures contract, forward contract or an option) with respect to the Bonds or the Prior Bonds. The District acknowledges that any such hedge could affect, among other things, the calculation of Bond Yield under the Regulations. The Internal Revenue Service could recalculate Bond Yield if the failure to account for the hedge fails to clearly reflect the economic substance of the transaction.

The District also acknowledges that if it acquires a hedging contract with an investment element (including *e.g.*, an off-market swap agreement, or any cap agreement for which all or a portion of the premium is paid at, or before the effective date of the cap agreement), then a portion of such hedging contract may be treated as an investment of Gross Proceeds of the

Bonds, and be subject to the fair market purchase price rules, rebate and yield restriction. The District agrees not to use proceeds of the Bonds to pay for any such hedging contract in whole or in part. The District also agrees that it will not give any assurances to any Bond holder or any credit or liquidity enhancer with respect to the Bonds that any such hedging contract will be entered into or maintained. The District recognizes that if a portion of a hedging contract is determined to be an investment of gross proceeds, such portion may not be fairly priced even if the hedging contract as a whole is fairly priced.

Section 2.10. Internal Revenue Service Audits. The District represents that the Internal Revenue Service has not contacted the District regarding the Prior Bonds or any other obligations issued by or on behalf of the District. To the best of the knowledge of the District, no such obligations of the District are currently under examination by the Internal Revenue Service.

Section 2.11. Abusive Transactions. Neither the District nor any member of the same Controlled Group as the District will receive a rebate or credit resulting from any payments having been made in connection with the issuance of the Bonds or the advance refunding of the Refunded Bonds.

ARTICLE III

USE OF PROCEEDS; DESCRIPTION OF FUNDS

Section 3.1. Use of Proceeds. (a) The use of the Sale Proceeds and investment earnings thereon and the funds held under the Bond Resolution at the time of Closing are described herein. No Sale Proceeds will be used to pay for goods or services to be received over a period of years prior to the date such goods or services are to be received. No Sale Proceeds or any investment earnings thereon will be used to pay for or otherwise acquire goods or services from the District, any member of the same Controlled Group as the District, or an Affiliated Person.

(b) Only the funds and accounts described in Section 2.2 hereof will be funded at Closing. There are no other funds or accounts created under the Bond Resolution, other than the Rebate Fund if it is created as provided in Section 4.2 hereof.

(c) Principal of and interest on the Bonds will be paid from the Bond Fund.

(d) Any Costs of Issuance incurred in connection with the issuance of the Bonds to be paid by the District will be paid at the time of Closing.

(e) The costs of the Project will be paid from the Project Fund and no other moneys (except for investment earnings on amounts in the Project Fund) are expected to be deposited therein.

(f) The Bonds will be allocated between the Refunding Portion of the Bonds and the Project Portion of the Bonds based on the percentages of the issue price allocable to each

portion. Allocation of specific maturities to each portion will be made at such time as is necessary.

Section 3.2. Purpose of Bond Fund. The Bond Fund (other than the Reserve Portion of the Bond Fund) will be used primarily to achieve a proper matching of revenues and earnings with principal and interest payments on the Bonds in each bond year. It is expected that the Bond Fund (other than the Reserve Portion of the Bond Fund) will be depleted at least once a year, except for a reasonable carry over amount not to exceed the greater of (a) the earnings on the investment of moneys in the Bond Fund (other than the Reserve Portion of the Bond Fund) for the immediately preceding bond year or (b) 1/12th of the principal and interest payments on the Bonds for the immediately preceding bond year.

The District will levy taxes to produce an amount sufficient to pay all principal of and interest on the Bonds in each bond year. To minimize the likelihood of an insufficiency, the amount extended to pay the Bonds may in most years be in excess of the amount required to pay principal and interest within one year of collection. This over-collection (if any) may cause the Bond Fund as a whole to fail to function as a bona fide debt service fund. Nevertheless, except for the Reserve Portion of the Bond Fund, the Bond Fund will be depleted each year as described above. The Reserve Portion of the Bond Fund will constitute a separate account not treated as part of the bona fide debt service fund. The Reserve Portion of the Bond Fund is subject to yield restriction requirements except as it may otherwise be excepted as provided in 5.2 below. It is also subject to rebate requirements.

Section 3.3. The Prior Bonds. (a) As of the earlier of (i) the time of the Closing or (ii) the date three years after the Prior Bonds were issued, all Prior Bond Proceeds, including investment earnings thereon, were completely spent to pay the costs of Capital Expenditures.

(b) As of the date hereof, no Prior Bond Proceeds or money or property of any kind (including cash) is on deposit in any fund or account, regardless of where held or the source thereof, with respect to the Prior Bonds or any credit enhancement or liquidity device relating to the foregoing, or is otherwise restricted to pay the District's obligations other than amounts on deposit in the Escrow Account.

(c) The Prior Bond Fund was used primarily to achieve a proper matching of revenues and earnings with principal and interest payments on the Prior Bonds in each bond year. The Prior Bond Fund was depleted at least once a year, except for a reasonable carry over amount not to exceed the greater of (i) the earnings on the investment of moneys in such account for the immediately preceding bond year or (ii) one-twelfth (1/12th) of the principal and interest payments on the Prior Bonds.

(d) At the time the Prior Bonds were issued, the District reasonably expected to spend at least 85% of the proceeds (including investment earnings) of the Prior Bonds to be used for non-refunding purposes for such purposes within three years of the date the Prior Bonds were issued and such proceeds were so spent. Not more than 50% of the proceeds of the Prior Bonds to be used for non-refunding purposes was invested in investments having a substantially guaranteed Yield for four years or more.

(e) The Refunded Bonds subject to redemption prior to maturity will be called on the first optional redemption date of the Refunded Bonds.

(f) The Refunded Bonds do not include, directly or indirectly in a series, any advance refunding obligations.

(g) The District has not been notified that the Prior Bonds are under examination by the Internal Revenue Service, and to the best of the District's knowledge the Prior Bonds are not under examination by the Internal Revenue Service.

(h) The District acknowledges that (i) the final rebate payment with respect to the Prior Bonds may be required to be made sooner than if the refunding had not occurred and (ii) the final rebate is due 60 days after the Prior Bonds are paid in full.

Section 3.4. The Escrow Account. (a) The Escrow Account will be funded at the Closing.

(b) The uninvested cash and anticipated receipts from the Government Securities on deposit in the Escrow Account, without regard to any reinvestment thereof, will be sufficient to pay, when due, principal and interest on the Refunded Bonds as such become due and payable and to redeem the outstanding principal amount of any callable Refunded Bonds on the first optional redemption date of such callable Refunded Bonds, at the applicable redemption price thereof.

(c) Any moneys remaining on deposit in the Escrow Account upon the final disbursement of funds sufficient to pay principal and interest of the Refunded Bonds shall be transferred by the Escrow Agent to the Bond Fund to be used to pay interest on the Bonds.

Section 3.5. No Other Gross Proceeds. (a) Except for the Bond Fund and the Project Fund, and except for investment earnings that have been commingled as described in Section 2.2 hereof and any credit enhancement or liquidity device related to the Bonds, after the issuance of the Bonds, neither the District nor any member of the same Controlled Group as the District has or will have any property, including cash, securities or any other property held as a passive vehicle for the production of income or for investment purposes, that constitutes:

(i) Sale Proceeds;

(ii) amounts in any fund or account with respect to the Bonds (other than the Rebate Fund);

(iii) Transferred Proceeds;

(iv) amounts that have a sufficiently direct nexus to the Bonds or to the governmental purpose of the Bonds to conclude that the amounts would have been used for that governmental purpose if the Bonds were not used or to be used for that

governmental purpose (the mere availability or preliminary earmarking of such amounts for a governmental purpose, however, does not itself establish such a sufficient nexus);

(v) amounts in a debt service fund, redemption fund, reserve fund, replacement fund or any similar fund to the extent reasonably expected to be used directly or indirectly to pay principal of or interest on the Bonds or any amounts for which there is provided, directly or indirectly, a reasonable assurance that the amount will be available to pay principal of or interest on the Bonds or any obligations under any credit enhancement or liquidity device with respect to the Bonds, even if the District encounters financial difficulties;

(vi) any amounts held pursuant to any agreement (such as an agreement to maintain certain levels of types of assets) made for the benefit of the Bondholders or any credit enhancement provider, including any liquidity device or negative pledge (*e.g.*, any amount pledged to pay principal of or interest on an issue held under an agreement to maintain the amount at a particular level for the direct or indirect benefit of holders of the Bonds or a guarantor of the Bonds); or

(vii) amounts actually or constructively received from the investment and reinvestment of the amounts described in (i) or (ii) above.

(b) No compensating balance, liquidity account, negative pledge of property held for investment purposes required to be maintained at least at a particular level or similar arrangement exists with respect to, in any way, the Bonds or any credit enhancement or liquidity device related to the Bonds.

(c) The term of the Bonds is not longer than is reasonably necessary for the governmental purposes of the Bonds. The average reasonably expected economic life of the Project is at least 20 years, and the average reasonably expected remaining economic life of the Prior Project is at least 10 years. The weighted average maturity of the Bonds does not exceed 8 years and does not exceed 120 percent of the average reasonably expected economic life of the Project or the Prior Project. The maturity schedule of the Bonds (the "*Principal Payment Schedule*") is based on an analysis of revenues expected to be available to pay debt service on the Bonds. The Principal Payment Schedule is not more rapid (*i.e.*, having a lower average maturity) because a more rapid schedule would place an undue burden on tax rates and cause such rates to be increased beyond prudent levels, and would be inconsistent with the governmental purpose of the Bonds as set forth in Section 2.1 hereof.

Section 3.6. Final Allocation of Proceeds. Subject to the requirements of this Tax Agreement, including those concerning working capital expenditures in paragraph 2.4, the District may generally use any reasonable, consistently applied accounting method to account for Gross Proceeds, investments thereon, and expenditures. The District must account for the final allocation of proceeds of the Project Portion of the Bonds to expenditures not later than 18 months after the later of the date the expenditure is paid or the date the property with respect to which the expenditure is made is Placed-in-Service. This allocation must be made in any event

by the date 60 days after the fifth anniversary of the issue date of the Bonds or the date 60 days after the retirement of the Bonds, if earlier.

Reasonable accounting methods for allocating funds include any of the following methods if consistently applied: a specific tracing method; a Gross Proceeds spent first method; a first-in, first-out method; or a ratable allocation method. The District may also reallocate proceeds of the Bonds from one expenditure to another until the end of the period for final allocation, discussed above. Unless the District has taken an action to use a different allocation method by the end of the period for a final allocation, proceeds of the Bonds will be treated as allocated to expenditures using the specific tracing method.

ARTICLE IV

ARBITRAGE REBATE; RECORD KEEPING; INVESTMENT DIRECTION

Section 4.1. Compliance with Rebate Provisions. The District covenants to take such actions and make, or cause to be made, all calculations, transfers and payments that may be necessary to comply with the Rebate Provisions applicable to the Bonds. The District will make, or cause to be made, rebate payments with respect to the Bonds in accordance with law.

Section 4.2. Rebate Fund. The District may create and establish a special fund to be known as the Rebate Fund (the "*Rebate Fund*"), which, if created, shall be continuously held, invested, expended and accounted for in accordance with the Bond Resolution and this Tax Agreement. Moneys in the Rebate Fund shall not be considered moneys held for the benefit of the owners of the Bonds. Except as provided in the Regulations, moneys in the Rebate Fund (including earnings and deposits therein) shall be held in trust for payment to the United States as required by the Rebate Provisions and by the Regulations and as contemplated under the provisions hereof.

Section 4.3. Records. The District agrees to keep and retain or cause to be kept and retained for the period described in Section 7.9 adequate records with respect to the investment of all Gross Proceeds and amounts in the Rebate Fund. Such records shall include: (a) purchase price; (b) purchase date; (c) type of investment; (d) accrued interest paid; (e) interest rate; (f) principal amount; (g) maturity date; (h) interest payment date; (i) date of liquidation; and (j) receipt upon liquidation.

If any investment becomes Gross Proceeds on a date other than the date such investment is purchased, the records required to be kept shall include the fair market value of such investment on the date it becomes Gross Proceeds. If any investment is retained after the date the last Bond is retired, the records required to be kept shall include the fair market value of such investment on the date the last Bond is retired. Amounts or investments will be segregated whenever necessary to maintain these records.

Section 4.4. Fair Market Value; Certificates of Deposit and Investment Agreements. The District will continuously invest all amounts on deposit in the Rebate Fund, together with the amounts, if any, to be transferred to the Rebate Fund, in any investment permitted under the

Bond Resolution and this Tax Agreement. In making investments of Gross Proceeds or of amounts in the Rebate Fund the District shall take into account prudent investment standards and the date on which such moneys may be needed. Except as provided in the next sentence, all amounts that constitute Gross Proceeds and all amounts in the Rebate Fund shall be invested at all times to the greatest extent practicable, and no amounts may be held as cash or be invested in zero yield investments other than obligations of the United States purchased directly from the United States. In the event moneys cannot be invested, other than as provided in this sentence due to the denomination, price or availability of investments, the amounts shall be invested in an interest bearing deposit of a bank with a yield not less than that paid to the general public or held uninvested to the minimum extent necessary.

Gross Proceeds and any amounts in the Rebate Fund that are invested in certificates of deposit or in GICs shall be invested only in accordance with the following provisions:

(a) Investments in certificates of deposit of banks or savings and loan associations that have a fixed interest rate, fixed payment schedules and substantial penalties for early withdrawal shall be made only if either (i) the Yield on the certificate of deposit (A) is not less than the Yield on reasonably comparable direct obligations of the United States and (B) is not less than the highest Yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public or (ii) the investment is an investment in a GIC and qualifies under paragraph (b) below.

(b) Investments in GICs shall be made only if

(i) the bid specifications are in writing, include all material terms of the bid and are timely forwarded to potential providers (a term is material if it may directly or indirectly affect the yield on the GIC);

(ii) the terms of the bid specifications are commercially reasonable (a term is commercially reasonable if there is a legitimate business purpose for the term other than to reduce the yield on the GIC);

(iii) all bidders for the GIC have equal opportunity to bid so that, for example, no bidder is given the opportunity to review other bids (a last look) before bidding;

(iv) any agent used to conduct the bidding for the GIC does not bid to provide the GIC;

(v) at least three of the providers solicited for bids for the GIC are reasonably competitive providers of investments of the type purchased (*i.e.*, providers that have established industry reputations as competitive providers of the type of investments being purchased);

(vi) at least three of the entities that submit a bid do not have a financial interest in the Bonds;

(vii) at least one of the entities that provided a bid is a reasonably competitive provider that does not have a financial interest in the Bonds;

(viii) the bid specifications include a statement notifying potential providers that submission of a bid is a representation that the potential provider did not consult with any other provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the District or any other person (whether or not in connection with the Bonds) and that the bid is not being submitted solely as a courtesy to the District or any other person for purposes of satisfying the federal income tax requirements relating to the bidding for the GIC;

(ix) the determination of the terms of the GIC takes into account the reasonably expected deposit and drawdown schedule for the amounts to be invested;

(x) the highest-yielding GIC for which a qualifying bid is made (determined net of broker's fees) is in fact purchased; and

(xi) the obligor on the GIC certifies the administrative costs that it is paying or expects to pay to third parties in connection with the GIC.

(c) If a GIC is purchased, the District will retain the following records with its bond documents until three years after the Bonds are redeemed in their entirety:

(i) a copy of the GIC;

(ii) the receipt or other record of the amount actually paid for the GIC, including a record of any administrative costs paid, and the certification under subsection (b)(xi) of this Section;

(iii) for each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results; and

(iv) the bid solicitation form and, if the terms of the GIC deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation.

Moneys to be rebated to the United States shall be invested to mature on or prior to the anticipated rebate payment date. All investments made with Gross Proceeds or amounts in the Rebate Fund shall be bought and sold at fair market value. The fair market value of an investment is the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm's length transaction. Except for investments specifically described in

this Tax Agreement and United States Treasury obligations that are purchased directly from the United States Treasury, only investments that are traded on an established securities market, within the meaning of regulations promulgated under Section 1273 of the Code, will be purchased with Gross Proceeds. In general, an “established securities market” includes: (i) property that is listed on a national securities exchange, an interdealer quotation system or certain foreign exchanges; (ii) property that is traded on a Commodities Futures Trading Commission designated board of trade or an interbank market; (iii) property that appears on a quotation medium; and (iv) property for which price quotations are readily available from dealers and brokers. A debt instrument is not treated as traded on an established market solely because it is convertible into property which is so traded.

An investment of Gross Proceeds in an External Commingled Fund shall be made only to the extent that such investment is made without an intent to reduce the amount to be rebated to the United States Government or to create a smaller profit or a larger loss than would have resulted if the transaction had been at arm’s length and had the rebate or Yield restriction requirements not been relevant to the District. An investment of Gross Proceeds shall be made in a Commingled Fund other than an External Commingled Fund only if the investments made by such Commingled Fund satisfy the provisions of this Section.

A single investment, or multiple investments awarded to a provider based on a single bid may not be used for funds subject to different rules relating to rebate or yield restriction.

The foregoing provisions of this Section satisfy various safe harbors set forth in the Regulations relating to the valuation of certain types of investments. The safe harbor provisions of this Section are contained herein for the protection of the District, who has covenanted not to take any action to adversely affect the tax-exempt status of the interest on the Bonds. The District will contact Bond Counsel if it does not wish to comply with the provisions of this Section and forego the protection provided by the safe harbors provided herein.

Section 4.5. Arbitrage Elections. The District hereby waives its right to invest Sale Proceeds of the Bonds and investment earnings thereon in the Escrow Account in investments with Yields higher than Bond Yield. The President and Secretary of the Board and the School Treasurer of the District are both hereby authorized to execute one or more elections regarding certain matters with respect to arbitrage.

Section 4.6. Small Issuer Exception. The District is a governmental unit that has the power to impose a tax or to cause another entity to impose a tax of general applicability that, when collected, may be used for the governmental purposes of the District. The power to impose such tax is not contingent on approval by another governmental unit; a tax of general applicability is one that is not limited to a small number of persons. The District is not subject to Control by any other governmental unit or political subdivision. None of the Bonds is or will be a “private activity bond” (as defined in Section 141 of the Code). Ninety-five percent or more of the Sale Proceeds and investment earnings thereon will be used for local governmental activities of the District. None of the District, any entity that issues tax-exempt bonds, qualified tax credit bonds or direct pay bonds on behalf of the District or any entity subject to Control by the District will issue, during the calendar year 2013, any tax-exempt bonds (other than current refunding

bonds to the extent of the aggregate face amount of the tax exempt bonds currently refunded thereby), qualified tax credit bonds or direct pay bonds in an aggregate face amount in excess of the *maximum aggregate face amount* (as hereinafter defined). As used herein, (a) “*tax-exempt bonds*” means obligations of any kind, the interest on which is excludable from gross income of the holders or owners thereof for federal income tax purposes pursuant to Section 103 of the Code but not including (i) “private activity bonds” (as defined in Section 141 of the Code) or (ii) obligations issued to refund another obligation if it is issued not more than 90 days before the redemption of the refunded obligation to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligation, (b) “*aggregate face amount*” means, if an issue has more than a De minimis Amount of Original Issue Discount or Premium, the issue price of the issue and otherwise means the principal amount of the issue, (c) “*maximum aggregate face amount*” means, the sum of (i) \$5,000,000 and (ii) the aggregate face amount of bonds issued during the calendar year that are allocable to financing construction expenditures for public school facilities, but in no event can the *maximum aggregate face amount* exceed \$10,000,000, (d) “*qualified tax credit bonds*” means any qualified tax credit bond (as defined in Section 54A(d) of the Code) or any “build America bond” that is not a qualified bond under Section 6431 of the Code and (e) “*direct pay bonds*” means any bond treated as a qualified bond as defined in Section 6431 of the Code. As of the date hereof, no tax-exempt bonds, qualified tax credit bonds, direct pay bonds or other obligations subject to arbitrage restrictions (other than the Bonds) have been issued by the District, any entity that issues bonds on behalf of the District or any entity subject to Control by the District during the calendar year 2013. The District does not reasonably expect that it, any entity that issues bonds on behalf of the District or any entity subject to Control by the District (including but not limited to the District) will issue any tax-exempt bonds, qualified tax credit bonds, direct pay bonds or other obligations subject to arbitrage restrictions within calendar year 2013. Therefore, subject to compliance with all the terms and provisions of this Section 4.6, the District is excepted from the required rebate of arbitrage profits on the Bonds.

ARTICLE V

YIELD AND INVESTMENT LIMITATIONS

Section 5.1. Issue Price. For purposes of determining the Yield on the Bonds, the purchase price of the Bonds is equal to the first offering price (including accrued interest) at which the Purchaser reasonably expected to sell at least ten percent of the principal amount of each maturity of the Bonds to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). All of the Bonds have been the subject of a bona fide initial offering to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers) at prices equal to those set forth in the Official Statement. Based upon prevailing market conditions, such prices are not less than the fair market value of each Bond as of the sale date for the Bonds.

Section 5.2. Yield Limits. Except as provided in paragraph (a) or (b), all Gross Proceeds shall be invested at market prices and at a Yield (after taking into account any Yield Reduction

Payments) not in excess of the Yield on the Bonds plus, if only amounts in the Project Fund are subject to this yield limitation, 1/8th of one percent.

The following may be invested without Yield restriction:

(a)(i) amounts on deposit in the Bond Fund (except for capitalized interest and any Reserve Portion of the Bond Fund) that have not been on deposit under the Resolution for more than 13 months, so long as the Bond Fund (other than the Reserve Portion of the Bond Fund) continues to qualify as a bona fide debt service fund as described in paragraph 3.2 hereof;

(ii) amounts on deposit in the Project Fund that are reasonably expected to pay for the costs of the Project, costs of issuance of the Bonds, or interest on the Bonds during the three year period beginning on the date of issue of the Bonds prior to three years after Closing;

(iii) amounts in the Bond Fund to be used to pay capitalized interest on the Project Portion of the Bonds prior to the earlier of three years after Closing or the payment of all capitalized interest;

(b)(i) An amount not to exceed the lesser of \$100,000 or five percent of the Sale Proceeds;

(ii) amounts invested in Qualified Tax Exempt Obligations (to the extent permitted by law and this Tax Agreement);

(iii) amounts in the Rebate Fund;

(iv) all amounts other than Sale Proceeds for the first 30 days after they become Gross Proceeds; and

(v) all amounts derived from the investment of Sale Proceeds or investment earnings thereon other than those on deposit in the Escrow Account for a period of one year from the date received.

Section 5.3. Yield Limits on Prior Bond Proceeds. Except for an amount not to exceed the lesser of \$100,000 or five percent of Prior Bond Proceeds, the District acknowledges that all Prior Bond Proceeds must be invested at market prices and at a Yield not in excess of the Yield on the Prior Bonds.

Section 5.4. Continuing Nature of Yield Limits. Except as provided in Section 7.10 hereof, once moneys are subject to the Yield limits of Section 5.2 hereof, such moneys remain Yield restricted until they cease to be Gross Proceeds.

Section 5.5. Federal Guarantees. Except for investments meeting the requirements of Section 5.2(a) hereof and except for investments in the Escrow Account, investments of Gross

Proceeds shall not be made in (a) investments constituting obligations of or guaranteed, directly or indirectly, by the United States (except obligations of the United States Treasury or investments in obligations issued pursuant to Section 21B(d)(3) of the Federal Home Loan Bank, as amended (*e.g.*, Refcorp Strips)); or (b) federally insured deposits or accounts (as defined in Section 149(b)(4)(B) of the Code). Except as otherwise permitted in the immediately prior sentence and in the Regulations, no portion of the payment of principal or interest on the Bonds or any credit enhancement or liquidity device relating to the foregoing is or will be guaranteed, directly or indirectly (in whole or in part), by the United States (or any agency or instrumentality thereof), including a lease, incentive payment, research or output contract or any similar arrangement, agreement or understanding with the United States or any agency or instrumentality thereof. No portion of the Gross Proceeds has been or will be used to make loans the payment of principal or interest with respect to which is or will be guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof). Neither this Section nor Section 5.5 hereof applies to any guarantee by the Federal Housing Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, the Student Loan Marketing Association or the Bonneville Power Administration pursuant to the Northwest Power Act (16 U.S.C. 839d) as in effect on the date of enactment of the Tax Reform Act of 1984.

Section 5.6. Investments After the Expiration of Temporary Periods, Etc. Any amounts other than amounts in the Escrow Account, that are subject to the yield limitation in Section 5.2 because Section 5.2(a) is not applicable and amounts not subject to yield restriction only because they are described in Section 5.2(b) cannot be invested in (i) federally insured deposits or accounts (as defined in Section 149(b)(4)(B) of the Code or (ii) investments constituting obligations of or guaranteed, directly or indirectly, by the United States (except obligations of the United States Treasury or investments in obligations issued pursuant to Section 21B(d)(3) of the Federal Home Loan Bank Act, as amended (*e.g.*, Refcorp Strips).

ARTICLE VI

PRIVATE ACTIVITY BOND REPRESENTATIONS; FORM 8038-G; BANK QUALIFICATION

Section 6.1. Payment and Use Tests. (a) No more than five percent of the proceeds of each issue of the Prior Bonds and investment earnings thereon were used, and no more than five percent of the Sale Proceeds of the Project Portion of Bonds plus investment earnings thereon will be used, directly or indirectly, in whole or in part, in any Private Business Use. The District acknowledges that, for purposes of the preceding sentence, Gross Proceeds used to pay costs of issuance and other common costs (such as capitalized interest and fees paid for a qualified guarantee or qualified hedge) or invested in a reserve or replacement fund must be ratably allocated among all the purposes for which Gross Proceeds are being used.

(b) The payment of more than five percent of the principal of or the interest on the Bonds or on each issue of the Prior Bonds considered separately will not be, directly or indirectly (i) secured by any interest in (A) property used or to be used in any Private Business Use or (B) payments in respect of such property or (ii) on a present value basis, derived from payments

(whether or not to the District or a member of the same Controlled Group as the District) in respect of property, or borrowed money, used or to be used in any Private Business Use.

(c) No more than the lesser of \$5,000,000 or five percent of the sum of the proceeds of each issue of the Prior Bonds and investment earnings thereon were used, and no more than the lesser of \$5,000,000 or five percent of the sum of the Sale Proceeds of the Project Portion of the Bonds and investment earnings thereon will be used, directly or indirectly, to make or finance loans to any persons. The District acknowledges that, for purposes of the preceding sentence, Gross Proceeds used to pay costs of issuance and other common costs (such as capitalized interest and fees paid for a qualified guarantee or qualified hedge) or invested in a reserve or replacement fund must be ratably allocated among all the purposes for which Gross Proceeds are being used.

(d) No user of the Project or the Prior Project other than a state or local governmental unit will use more than five percent of such facilities, considered separately, on any basis other than the same basis as the general public.

Section 6.2. I.R.S. Form 8038-G. The information contained in the Information Return for Tax-Exempt Governmental Obligations, Form 8038-G, is true and complete. The District will file Form 8038-G (and all other required information reporting forms) in a timely manner.

Section 6.3. Bank Qualification. (a) The District has designated each of the Bonds as a “qualified tax-exempt obligation” for the purposes and within the meaning of Section 265(b)(3) of the Code. In support of such designation, the District hereby certifies that (i) none of the Bonds will be at anytime a “private activity bond” (as defined in Section 141 of the Code), (ii) as of the date hereof in calendar year 2013, other than the Bonds, no tax-exempt obligations of any kind have been issued (x) by or on behalf of the District, (y) by other issuers any of the proceeds of which have been or will be used to make any loans to the District or (z) any portion of which has been allocated to the District for purposes of Section 265(b) of the Code and (iii) not more than \$10,000,000 of obligations of any kind (including the Bonds) issued (x) by or on behalf of the District, (y) by other issuers any of the proceeds of which have been or will be used to make any loans to the District or (z) any portion of which has been allocated to the District for purposes of Section 265(b) of the Code during calendar year 2013 will be designated for purposes of Section 265(b)(3) of the Code.

(b) The District is not subject to Control by any entity, and there are no entities subject to Control by the District.

(c) On the date hereof, the District does not reasonably anticipate that for calendar year 2013 it will issue, have another entity issue on behalf of the District, borrow the proceeds of or have allocated to the District for purposes of Section 265(b) of the Code more than \$10,000,000 Section 265 Tax-Exempt Obligations (including the Bonds). “Section 265 Tax-Exempt Obligations” are obligations the interest on which is excludable from gross income of the owners thereof under Section 103 of the Code, except for private activity bonds other than qualified 501(c)(3) bonds, both as defined in Section 141 of the Code. The District will not, in calendar year 2013 issue, permit the issuance on behalf of it or by any entity subject to Control by the

District (which may hereafter come into existence), borrow the proceeds of or have allocated to it for purposes of Section 265(b) of the Code Section 265 Tax-Exempt Obligations (including the Bonds) that exceed the aggregate amount of \$10,000,000 during calendar year 2013 unless it first obtains an opinion of Bond Counsel to the effect that such issuance, borrowing or allocation will not adversely affect the treatment of the Bonds as “qualified tax-exempt obligations” for the purpose and within the meaning of Section 265(b)(3) of the Code.

- (d) The Bonds have not been sold in conjunction with any other obligation.

ARTICLE VII

MISCELLANEOUS

Section 7.1. Termination; Interest of District in Rebate Fund. The terms and provisions set forth in this Tax Agreement shall terminate at the later of (a) 75 days after the Bonds have been fully paid and retired or (b) the date on which all amounts remaining on deposit in the Rebate Fund, if any, shall have been paid to or upon the order of the United States and any other payments, if any, required to satisfy the Rebate Provisions of the Code have been made to the United States. Notwithstanding the foregoing, the provisions of Sections 4.3, 4.4(c) and 7.9 hereof shall not terminate until the third anniversary of the date the Bonds are fully paid and retired.

Section 7.2. Separate Issue. Since a date that is 15 days prior to the date of sale of the Bonds by the District to the Purchaser, neither the District nor any member of the same Controlled Group as the District has sold or delivered any tax-exempt obligations other than the Bonds that are reasonably expected to be paid out of substantially the same source of funds as the Bonds. Neither the District nor any member of the same Controlled Group as the District will sell or deliver within 15 days after the date of sale of the Bonds any tax-exempt obligations other than the Bonds that are reasonably expected to be paid out of substantially the same source of funds as the Bonds.

Section 7.3. No Sale of the Project or Prior Project. (a) Other than as provided in the next sentence, neither the Project, the Prior Project nor any portion thereof has been, is expected to be, or will be sold or otherwise disposed of, in whole or in part, prior to the earlier of (i) the last date of the reasonably expected economic life to the District of the property (determined on the date of issuance of the Bonds) or (ii) the last maturity date of the Bonds. The District may dispose of personal property in the ordinary course of an established government program prior to the earlier of (i) the last date of the reasonably expected economic life to the District of the property (determined on the date of issuance of the Bonds) or (ii) the last maturity of the Bonds, provided: (A) the weighted average maturity of the Bonds financing the personal property is not greater than 120 percent of the reasonably expected actual use of that property for governmental purposes; (B) the District reasonably expects on the issue date that the fair market value of that property on the date of disposition will be not greater than 25 percent of its cost; (C) the property is no longer suitable for its governmental purposes on the date of disposition; and (D) the District deposits amounts received from the disposition in a commingled fund with substantial tax or

other governmental revenues and the District reasonably expects to spend the amounts on governmental programs within six months from the date of the commingling.

(b) The District acknowledges that if property financed with the Bonds or with the Prior Bonds is sold or otherwise disposed of in a manner contrary to (a) above, such sale or disposition may constitute a “deliberate action” within the meaning of the Regulations that may require remedial actions to prevent the Bonds from becoming private activity bonds. The District shall promptly contact Bond Counsel if a sale or other disposition of bond-financed property is considered by the District.

Section 7.4. Purchase of Bonds by District. The District will not purchase any of the Bonds except to cancel such Bonds.

Section 7.5. First Call Date Limitation; Final Maturity. The period between the date of Closing and the first call date of the Series 2013A Bonds is not more than 10-1/2 years, and the period between the date of Closing and the final maturity of the Series 2013B Bonds is not more than 10-1/2 years.

Section 7.6. Registered Form. The District recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon be exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the District agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 7.7. First Amendment. The District acknowledges and agrees that it will not use, or allow the Project or the Prior Project to be used, in a manner which is prohibited by the Establishment of Religion Clause of the First Amendment to the Constitution of the United States of America or by any comparable provisions of the Constitution of the State of Illinois.

Section 7.8. Future Events. The District acknowledges that any changes in facts or expectations from those set forth herein may result in different Yield restrictions or rebate requirements from those set forth herein. The District shall promptly contact Bond Counsel if such changes do occur.

Section 7.9. Records Retention. The District agrees to keep and retain or cause to be kept and retained sufficient records to support the continued exclusion of the interest paid on the Bonds from federal income taxation, to demonstrate compliance with the covenants in the Bond Resolution and to show that all tax returns related to the Bonds submitted or required to be submitted to the Internal Revenue Service are correct and timely filed. Such records shall include, but are not limited to, basic records relating to the Bond transaction (including the Bond Resolution, this Tax Agreement and the Bond Counsel opinion); documentation evidencing the expenditure of Bond proceeds; documentation evidencing the use of Bond-financed property by public and private entities (*i.e.*, copies of leases, management contracts and research agreements); documentation evidencing all sources of payment or security for the Bonds; and documentation pertaining to any investment of Bond proceeds (including the information required under Sections 4.3 and 4.4 hereof and in particular information related to the purchase

and sale of securities, SLGs subscriptions, yield calculations for each class of investments, actual investment income received from the investment of proceeds, guaranteed investment contracts and documentation of any bidding procedure related thereto and any fees paid for the acquisition or management of investments and any rebate calculations). Such records shall be kept for as long as the Bonds are outstanding, plus three (3) years after the later of the final payment date of the Bonds or the final payment date of any obligations or series of obligations issued to refund directly or indirectly all or any portion of the Bonds.

Section 7.10. Permitted Changes; Opinion of Bond Counsel. The Yield restrictions contained in Section 5.2 hereof or any other restriction or covenant contained herein need not be observed or may be changed if such nonobservance or change will not result in the loss of any exemption for the purpose of federal income taxation to which interest on the Bonds is otherwise entitled and the District receives an opinion of Bond Counsel to such effect. Unless the District otherwise directs, such opinion shall be in such form and contain such disclosures and disclaimers as may be required so that such opinion will not be treated as a covered opinion or a state or local bond opinion for purposes of Treasury Department regulations governing practice before the Internal Revenue Service (Circular 230) 31 C.F.R. pt. 10.

Section 7.11. Excess Proceeds. Gross Proceeds allocable to the Refunding Portion of the Bonds and investment earnings thereon and all unspent Prior Bond Proceeds as of the date of Closing and investment earnings thereon do not exceed by more than one percent of the Sale Proceeds of the Bonds allocable to the Refunding Portion of the Bonds the amount that will be used for:

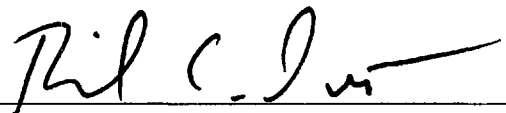

- (i) payment of principal of or interest or call premium on the Refunded Bonds;
- (ii) payment of pre-issuance accrued interest on the Refunding Portion of the Bonds and interest on the Refunding Portion of the Bonds that accrues for a period up to the completion date of any capital project for which the prior issue was issued, plus one year;
- (iii) payment of cost of issuance of the Refunding Portion of the Bonds;
- (iv) payment of administrative costs allocable to repaying the Refunded Bonds, carrying and repaying the Refunding Portion of the Bonds or investments of the Refunding Portion of the Bonds;
- (v) Prior Bond Proceeds that will be used or maintained for the governmental purpose of the Refunded Bonds; and
- (vi) interest on purpose investments.

Section 7.12. Successors and Assigns. The terms, provisions, covenants and conditions of this Tax Agreement shall bind and inure to the benefit of the respective successors and assigns of the Board and the District.

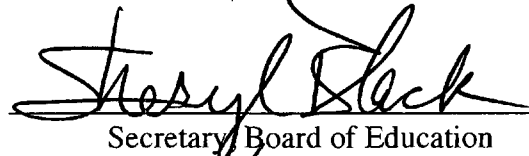

Section 7.13. Headings. The headings of this Tax Agreement are inserted for convenience only and shall not be deemed to constitute a part of this Tax Agreement.

Section 7.14. Expectations. The Board has reviewed the facts, estimates and circumstances in existence on the date of issuance of the Bonds. Such facts, estimates and circumstances, together with the expectations of the District as to future events, are set forth in summary form in this Tax Agreement. Such facts and estimates are true and are not incomplete in any material respect. On the basis of the facts and estimates contained herein, the District has adopted the expectations contained herein. On the basis of such facts, estimates, circumstances and expectations, it is not expected that Sale Proceeds, investment earnings thereon or any other moneys or property will be used in a manner that will cause the Bonds to be arbitrage bonds within the meaning of the Rebate Provisions and the Regulations. Such expectations are reasonable and there are no other facts, estimates and circumstances that would materially change such expectations.

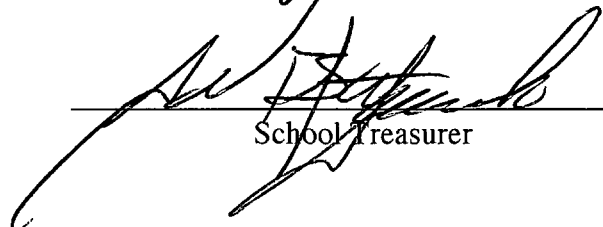

IN WITNESS WHEREOF, we hereunto affix our official signatures, this 14th day of February, 2013.

Principal Amount:

KNOW ALL PERSONS BY THESE PRESENTS, that Township High School District Number 215, Cook County, Illinois (the "District"), hereby acknowledges itself to owe and for value received promises to pay to the Registered Owner identified above, or registered assigns as hereinafter provided, on the Maturity Date identified above, the Principal Amount identified above and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on such Principal Amount from the date of this Bond or from the most recent interest payment date to which interest has been paid at the Interest Rate per annum set forth above on June 1 and December 1 of each year, commencing June 1, 2013, until said Principal Amount is paid. Principal of this Bond is payable in lawful money of the United States of America upon presentation and surrender hereof at the principal corporate trust office of UMB Bank, National Association, Kansas City, Missouri, as bond registrar and paying agent (the "Bond Registrar"). Payment of the installments of interest shall be made to the Registered Owner hereof as shown on the registration books of the District maintained by the Bond Registrar, at the close of business on the 15th day of the month next preceding each interest payment date and shall be paid by check or draft of the Bond Registrar, payable upon presentation in lawful money of the United States of America, mailed to the address of such Registered Owner as it appears on such registration books or at such other address furnished in writing by such Registered Owner to the Bond Registrar.

Reference is hereby made to the further provisions of this Bond set forth on the reverse hereof and such further provisions shall for all purposes have the same effect as if set forth at this place.

It is hereby certified and recited that all conditions, acts and things required by law to exist or to be done precedent to and in the issuance of this Bond did exist, have happened, been done and performed in regular and due form and time as required by law; that the indebtedness of the District, including the issue of bonds of which this is one, does not exceed any limitation imposed by law; and that provision has been made for the collection of a direct annual tax to pay the interest hereon as it falls due and also to pay and discharge the principal hereof at maturity. Although this Bond constitutes a general obligation of the District and no limit exists on the rate of said direct annual tax, the amount of said tax is limited by the provisions of the Property Tax Extension Limitation Law of the State of Illinois, as amended (the "Law"). The Law provides that the annual amount of the taxes to be extended to pay the issue of bonds of which this Bond is one and all other limited bonds (as defined in the Local Government Debt Reform Act of the State of Illinois, as amended) heretofore and hereafter issued by the District shall not exceed the debt service extension base (as defined in the Law) of the District (the "Base"), as more fully described in the proceedings of the District providing for the issue of this Bond. Payments on the Bonds from the Base will be made on a parity with the payments on the outstanding limited bonds heretofore issued by the District. The District is authorized to issue from time to time additional limited bonds payable from the Base, as permitted by law, and to determine the lien priority of payments to be made from the Base to pay the District's limited bonds.

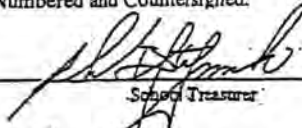

This Bond shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Bond Registrar.

IN WITNESS WHEREOF, said Township High School District Number 215, Cook County, Illinois, by its Board of Education, has caused this Bond to be signed by the manual or duly authorized facsimile signatures of the President and Secretary of said Board of Education, and to be registered, numbered and countersigned by the manual or duly authorized facsimile signature of the School Treasurer who receives the taxes of the District, all as of the Dated Date identified above.

**SAMPLE OFFERING DOCUMENT LANGUAGE
DESCRIBING BOOK-ENTRY-ONLY ISSUANCE**

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC’s records reflect only the identity

of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]

[6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC [nor its nominee], Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to [Tender/Remarketing] Agent's DTC account.]

10. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

11. Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.
