

## World History-Geography Project

The purpose of this project is to research a country which is unfamiliar to you. We will spend two days in the computer lab in which you may use this time to research your country. Each country may only be done once and such countries as: United States, Canada, and Mexico may not be researched. The project will help you gain knowledge about geography and cultures from around the world.

1. Introduction
  - a. Country's name
  - b. Flag
  - c. Population
  - d. Major cities including capital
2. History
  - a. 5 major events
3. Physical
  - a. Continent location?
  - b. Size (miles)
  - c. Climate
  - d. Major rivers, mountains, etc.
  - e. Map

The project may be done in one of three ways. You may either create a poster board, brochure, or Powerpoint. When creating the brochure think as if you are advertising the country and you are trying to have people vacation there. This is an individual assignment and you may not work with another student. Use this project to get yourself familiarized with some of the countries we will be discussing over the year.
