

Thornton Fractional North High School

Home of the Meteors

March 28, 2025

On Tuesday, April 8th and Wednesday, April 9th, Thornton Fractional North High School will utilize a two-day test assessment window to conduct standardized assessments and provide asynchronous instruction to students.

During asynchronous days, students must sign into Schoology and complete the attendance link by 10 am. Teachers will provide students with an assignment on Schoology that will be required for completion upon returning to school on Thursday, April 10th. During asynchronous instruction, students will work on their assignments from home.

Grade 12 students will be given the option to come to the North campus to get help from their English teacher to complete assignments. Senior students are also encouraged to finish the FAFSA during this time, if they have not already completed it. They can also work on post-secondary plans at this time. Although they will not have asynchronous assignments in Schoology, seniors students must still log in and complete the attendance link by 10 am.

Students in Grade 9 - Grade 11 who are required to participate in the ACT Suite will arrive at T.F. North no later than 8:10 a.m. and report to their room locations. Room assignments will be posted in the hallways prior to testing.

Students will be required to bring the following:

- D215 issued Chromebook (fully charged)
- Chromebook charger
- Graphing calculator (if they own one)
- Two #2 pencils

To help students carry all essential items, students will be allowed to bring their backpacks to the classrooms during testing. Cell phones must remain in the backpacks and must be powered off. In addition, smart watches must be removed from wrists and also placed in the bookbag throughout the entire duration of testing. If a student's cell phone rings, or they are on their phone at any time, the student will be removed from testing and forfeit their exam.

After the completion of the assessment, all students will be provided lunch from the cafeteria. Students will not be dismissed early from assigned room locations. Please do not contact the Attendance Office requesting early release. We will not honor any request for dismissal during the two-day test window.

Timeline for Asynchronous Instruction & Assessment Days

Tuesday, April 8th

8:15 a.m. - 1:15 p.m.

Grade 9	Freshmen participate in an asynchronous instruction day from home
