Happy New Year! As we settle into 2nd semester, we are writing to inform you that course registration will open at Thornton Fractional North. Students will log into their PowerSchool accounts during the appropriate time and graduate class window to select challenging and rigorous courses for the 2021-2022 school year. Counselors will be available during lunch periods to answer questions or minor concerns. If deeper discussions are needed, your son/daughter will email his/her counselor to schedule a time prior to course registration to discuss, plan, and establish the appropriate academic course schedule. The Pupil Personnel Services Department will utilize current grades, teacher recommendations, and past course work to establish the appropriate selections for your student.

Please be sure to review the Thornton Fractional District 215 Curriculum Guide and have a discussion with your student prior to course selection.

The information contained in District 215 Curriculum Guide will provide an extensive course selection list and detailed course descriptions. Please note the pre-requisites that do exist for upper-level courses and understand that all courses may not be available due to current grade level.

At the conclusion of course selection, your son/daughter will be able to print or screen shot the courses selected in PowerSchool. An additional notification will be sent through School Messenger to the student and parent email once all schedules have been finalized. The deadline to request any course changes will be Friday, February 19, 2021.

Important Notes for Course Selection

1. Review District 215 Curriculum Guide and have a conversation with your student regarding course selection;
2. Students will only be allowed to register during 3-day course selection window;
3. Students who do not register for course during the correct window will have their schedules auto-populated for the 2021-2022 school year;
4. Counselors will be available during lunch periods to discuss minor scheduling concerns;
5. Counselors are available to meet to hold deeper discussion prior to course selection. We strongly suggest scheduling meetings in advance of course selection.

If you have any questions, please feel free to reach out to the Pupil Personnel Services Department prior to your son/daughter participating in course selection to have an academic discussion with our counseling staff.
